Spring Valley Water Company to Co-Operate With Board in Matter of the Acquisition of Its Properties by San Francisco for Water Supply Purposes.

The Clerk presented:

Communication: From Wm. Bourn, President of the Spring Valley Water

Company, stating that Board may count on the earnest endeavor of the Spring Valley Water Company to co-operate with the Supervisors in the matter of the acquisition of such parts of its plant as may be necessary or useful to San Francisco for water supply purposes.

Ordered *referred to the Public Utilities Committee*.

Postponement of Sale of Geary Street Municipal Railroad and Water Supply Bonds.

Supervisor Pugh presented the following:

Report of Public Utilities Committee.

San Francisco,

May 16, 1910.

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Your Committee on Public Utilities, having charge of matters connected with pending bond issues, herewith submits the following:

In the matter of the sale of the Geary Street Railway Bonds, authorized by Resolution No. 5710 (New Series), to take place on May 16, 1910, the Committee calls attention to the fact that this date was fixed at a time immediately following the decision of Judge Ellison dissolving the restraining order in the case of *Platt v. The City and County*. At that time no appeal had been taken to the Supreme Court, and the outlook was that a considerable period of time would elapse before a determination of the case could be had and that it would be unwise to delay the sale of these bonds. Last week, however, the Supreme Court advanced the case on the calendar and set it for hearing on June 6th, at which time briefs will have been filed and submitted for decision. It is safe to assume that the final decision will not be unduly delayed, and that by the time the bonds are printed the validity of the bonds will be finally established. We are informed by the City's legal department that delays beyond this time are improbable.

In view of these conditions, the Committee would suggest that the time for receiving and opening bids for the sale of the Geary Street Railway Bonds be postponed until June 27th. By so doing, prospective bidders will have additional assurance (in case of a favorable decision) of the legality of the bonds, which will add to their value and consequent salability. It will promote greater competition which will enure to the advantage of the City. The time set for the delivery of the bonds will remain the same, viz: between July 1st and 10th, so that the postponement of the date of the sale will in no manner be of disadvantage to the City, but will give it the benefits above recited. The Committee therefore presents a resolution in accordance with this recommendation.

In the matter of the sale of the Water Bonds scheduled to take place on June 6th, the Committee calls attention to the fact that since this date was fixed a resolution has been adopted, directing this Committee to ascertain whether negotiations could be opened with the Spring Valley Water Company with a view to the purchase by the City of a material portion of its property. The Committee is of the opinion that to proceed with the sale at this time might interfere with negotiations, in case they should be entered into, and in case of any agreement for such purchase different proceedings might have to be instituted. The Committee feels as though it should be left entirely free to make such recommendations hereafter as the new conditions might require. The committee therefore recommends that Resolution No. 5698 (New Series), fixing the date of sale of the Water Bonds to the amount of \$900,000.00 be rescinded.

Respectfully submitted,

WM. C. PUGH
JOHN L. HERGET
OSCAR HOCKS
ROBERT J. LOUGHERY
JNO. O. WALSH

**RELATIVE TO AWARD OF CONTRACT
FOR LITHOGRAPHING GEARY
STREET RAILROAD BONDS.**

The following reports and Resolutions were presented and read by the Clerk:

Majority Report.

San Francisco, Calif., May 16, 1910.
To the Honorable, the Board of Supervisors of the City and County of San Francisco.

Gentlemen:—Your Printing and Public Utilities Committees, to whom were referred the bids received in open Board, Monday, May 9, 1910, for lithographing 1900 Geary Street Railway Bonds and 120 Market Street Railway Bonds with steel border, begs leave to report that the various bidders appeared before said Committees, which after hearing statements and examining samples of the work submitted by the several bidders, the bid of the H. S. Crocker Company was accepted as being the lowest and best bid, the quality of the work and all other matters being considered, and the Committees believe that the best interests of the City would be conserved thereby.

Your Committee therefore recommends the adoption of a resolution awarding the lithographing of said bonds to the H. S. Crocker Company, it agreeing to do said work with steel border back and front, for the sum of \$620.

Respectfully submitted,

WM. PUGH

J. S. HERGET

J. O. WALSH

ROBT. J. LOUGHERY

Minority Report.

San Francisco, Cal., May 16, 1910.
To the Board of Supervisors.

In the matter of the award of the contract for printing bonds for the Geary Street Railroad, I beg leave to submit a minority report.

The Charter provision is very explicit. It is provided in Section III of Chapter I, that the award "must be made by the Supervisors with the lowest bidder offering adequate security".

For this furnishing of the bonds the bid of H. S. Crocker & Co. was \$620.00 while the California Lithograph Co. offered to do the same work for \$549.00, a difference of \$71.

A sufficient bond was furnished and the firm making the lowest bid had shown its reliability by satisfactory work in furnishing the bonds for the Hetch-Hetchy and Polytechnic School issues. It is in all respects a fair shop, complying with the

requirements of the various unions to which its operators belong, and having the label of the International Lithographic union.

Under these circumstances I feel that the Board is compelled to award the contract to the lowest bidder, the California Lithograph Co. and so recommend.

Yours respectfully,
CHAS. A. MURDOCK.

Awarding Contract to H. S. Crocker Company for Lithographing the Geary Street Railroad Bonds.

Resolved, That the contract for lithographing, printing and delivering to the City and County of San Francisco, nineteen hundred (1900) Geary street railway bonds, and one hundred and twenty (120) Market street railway bonds, authorized to be issued by Ordinance No. 1062 (New Series), approved February 8th, 1910, be and the same is hereby awarded to the H. S. Crocker Company at their bid of \$625.00. Delivery of said bonds to be made on or before June 20, 1910.

All other bids for doing such work are hereby rejected.

His Honor the Mayor is hereby authorized to enter into the contract hereby awarded, and to approve the sufficiency of the sureties upon a bond in the sum of \$500.00, to be furnished by said H. S. Crocker Company for the faithful performance of said contract.

Privilege of the Floor.

W. Radebon, representing the Typographical Union, was granted the privilege of the floor and addressed the Board, stating that there was no Lithographers' label in San Francisco, inasmuch as the Lithographers' Union was no longer in existence. He stated that H. S. Crocker Company was a fair concern in every respect as regards wages and condition of employees. He declared on the other hand, that the California Lithographing Co. worked its men nine hours a day, while the other company was on an eight (8) hour basis. He requested that the contract be granted to the H. S. Crocker Co. for these reasons.

Recommitted.

Whereupon, on motion of Supervisor Murdock, the foregoing resolution was *recommitted to the Joint Committee on Printing and Public Utilities* by the following vote:

Ayes—Supervisors Bancroft, Cullen, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Loughery, McLaughlin, Mine-

han, Murdock, Nelson, O'Dowd, Pugh, Walsh—16.

Adopted.

The following Resolutions were adopted:

Awarding Contract for Printing Court Calendars and Journal and Calendars of the Board of Supervisors to the Recorder Printing and Publishing Company.

On motion of Supervisor Minehan: Resolution No. 5898 (New Series), as follows:

Awarding a contract to the Recorder Printing and Publishing Company for printing, publishing and distributing the Law and Motion Calendar of the Superior Court, the Daily Trial Calendar, the decisions of the Supreme Court and of the District Court of Appeals of the State of California, the Journal of Proceedings and Calendar of Proceedings of the Board of Supervisors, for the fiscal year 1910-11.

Resolved, That the contract for printing, publishing and distributing the Law and Motion Calendars of the Superior Court, the Daily Trial Calendar, the Decisions of the Supreme Court and of the District Court of Appeals of the State of California, the Journal of Proceedings and Calendar of Proceedings of the Board of Supervisors for the year commencing July 1, 1910, and ending June 30, 1911, in strict accordance with the specifications and advertisement inviting proposals thereon, be and the same is hereby awarded to the Recorder Printing and Publishing Company for the total sum of Three Hundred Forty-one and 66-100 Dollars (\$341.66), per month; provided the sureties on the bond of said company, which bond is hereby fixed at \$1,000.00 are satisfactory to his Honor the Mayor, who is hereby authorized to enter into contract at said sum.

The following Resolution was *passed for printing*:

Determining to Grant a Street Railroad Franchise on Parnassus Avenue, Judah Street and Ninth Avenue.

On motion of Supervisor Pugh:

Resolution No. — (New Series), as follows:

Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by Thomas W. Forsyth, through petition filed April 16, 1910, and amended by petition filed April 21, 1910, for a franchise for a term of twenty-five (25) years to construct, lay down and operate a double-track street railroad over and upon the following described route, to wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street.

Whereas, It appears to this Board that the public interest will be subserved by the grant of such franchise; therefore

Resolved, That this Board grant a

franchise as a whole, for a term of twenty-five (25) years, for a double-track, standard-gauge street railroad over and upon the following described route, to wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street.

The grantee under said franchise shall have the right to construct, erect, maintain and operate, by means of electricity, or such other improved motive power as science has now or may hereafter discover and the laws sanction, a double-track railroad upon, along and across the streets hereinabove described, and to that end the grantee shall have the right to build, construct, erect and maintain all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connecting tracks, Y tracks, side-tracks, turnouts, curves, switches, crossings, and to connect any or all of said tracks with the existing tracks on Parnassus and Third avenues.

Said street railroad franchise shall be granted after due advertisement and offer for sale, in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and sections of Chapter 2, Article II, of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and Subdivision 27, as amended February 5th, 1903, of Section 1 thereof, and Section 6 thereof.

It is hereby determined that said street railroad franchise shall be granted subject to the following conditions additional to those prescribed by the Charter, to wit:

That the grantee operating under said franchise shall be required to pave the space between the rails and for two feet each side thereof and between the tracks, if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix; provided, however, that such sum shall not exceed fifty (\$50) dollars per annum, nor less than fifteen (\$15) dollars per annum; also

That the bidder for said franchise shall file with his bid a good and sufficient bond in the penal sum of five thousand (\$5000) dollars with sureties

thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in the case the same is awarded to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of five thousand (\$5000) dollars shall be taken to be liquidated damages; also

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this Resolution, of the Notice of Sale and of the Ordinance granting said franchise.

Further Resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise, in accordance with the provisions of the Charter, and with the terms of this Resolution as hereinbefore expressed, said bids to be filed with the Clerk not later than Saturday, July 9, 1910, at the hour of 12 o'clock m., and Monday, July 11, 1910, at the hour of 3 p. m., is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe the public interest will be subserved thereby.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Adopted.

The following Resolution was adopted:

Extension of Time for Enforcement of Fender Ordinance.

On motion of Supervisor Pugh: Resolution No. 5964 (New Series), as follows:

Whereas, it appears that it will be impossible for the street railway companies of San Francisco to equip their cars with fenders as required under the provisions of Ordinance No. 1109 (New Series) of this Board, owing to the fact that said fenders are patented and are manufactured by only one firm in the United States, therefore be it

Resolved, That said railway companies be and are hereby granted an extension of thirty days' time from and after May 9, 1910, within which to comply with the provisions of said ordinance.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—16.

Power Transmission and Pipe Line Permits. Pacific Cereal Association.

Also, Resolution No. — (New Series), as follows:

Resolved, That the Pacific Cereal Association be and is hereby granted permission, revocable at will of the Board of Supervisors, to install a three-wire transmission line on existing poles, and to lay and maintain a six-inch bell and spigot joint castiron pipeline from the seawall at the foot of Taylor street, running in a southerly direction along Taylor street to North Point street, and along North Point street in an easterly direction from Taylor street one hundred and thirty-seven feet, to there connect with the line running in a southerly direction from North Point street on the property of the Pacific Cereal Association to the engine house.

The purpose of the pipe is to supply circulating water for the condenser.

The said wires and pipe line shall be laid to the satisfaction and under the supervision of the Board of Public Works, the Department of Electricity and the Fire Marshal. The Pacific Cereal Association shall at all times while exercising said privilege keep in repair the roadway for the space of two feet over said pipe line.

Power Transmission Line Permit, Miller and Lux, Inc.

Also, Resolution No. — (New Series), as follows:

Whereas, Miller & Lux, Incorporated, filed a petition April 16, 1910, with this Board for permission to place, install poles and maintain thereon wires and other appliances for the purpose of conducting a two-hundred and twenty-

volt 2-phase alternating electrical current from the abattoir of your petitioner, located on Burke street (formerly Second avenue South), near the intersection of Phelps street (formerly P street South), to its pumping plant, located on Davidson avenue (formerly Fourth avenue South), near Quint street (formerly Q street South); the electrical current conducted in said wires is to be used in the operation of machinery for the pumping of water from said pumping plant to said abattoir, the said water being necessary for the efficient operation of said abattoir and its proper fire protection.

The proposed route of said line of poles and wires is as follows, to wit:

Commencing at the abattoir of petitioner, located on the easterly line of Burke street (formerly Second avenue South), near the intersection of said Burke street and Phelps street; running thence along said easterly line of Burke street to its intersection with Phelps street; thence along Phelps street to Davidson avenue (formerly Fourth avenue South); thence along Davidson avenue to the aforesaid pumping station, located on Davidson avenue near its intersection with Quint street (formerly Q street South), a total distance of 1340 feet.

Resolved, That said privilege heretofore described be and the same is hereby granted upon the following express conditions:

1. Said wires shall be strung on poles placed as near as may be along the line of said streets, and so as not to interfere with the use of said streets by the public, and the said poles and wires may be removed, or the wires placed underground, at the pleasure of the Board of Supervisors.

2. The said poles and wires shall be erected to the satisfaction and under the supervision of the Board of Public Works, the Department of Electricity and the Fire Marshal.

Extension of Time, Street Work.

Also, Resolution No. — (New Series), as follows:

Resolved, That C. S. Harney be and is hereby granted an extension of sixty (60) days' time from and after May 5, 1910, within which to complete contract for constructing a basalt pavement in the roadway of San Bruno avenue, from Army street to Cortland avenue. This extension of time is granted upon the recommendation of the Board of Public Works, filed May 5, 1910, for the reason that the roadway has not yet been graded by the property owners.

Adopted.

The following Resolution was adopted:

Repealing Blasting Permits, Granted Eureka Construction Company.

Resolution No. 5905 (New Series), as follows:

Resolved, That Resolution No. 4228, granting to the Eureka Construction Company permission to explode blasts in Kentucky, Twenty-second, Mariposa, Tennessee, Minnesota and Iowa streets, be and the same is hereby repealed, the work having been completed.

Proposed Amendment to Charter Relative to Official Printing.

Supervisor Murdock presented the following:

Charter Amendment No. —, describing and setting forth a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by amending Section 11 of Chapter III, of Article II thereof, relating to official advertising.

The Board of Supervisors of the City and County of San Francisco, hereby submits to the qualified elect-

ors of said City and County, at the general election to be held therein on the 8th day of November, 1910, a proposal to amend the Charter of said City and County by amending Section II of Chapter III of Article II thereof, to read as follows:

Section II. The Board of Supervisors may, in its discretion, contract for doing all or any portion of the advertising required by the City and County.

All contracts for official advertising shall be let annually in like manner by the Supervisors to the lowest responsible bidder publishing a daily newspaper in the City and County, which has a bona fide daily circulation of at least 8,000 copies, and has been in existence at the time of letting such contract for at least two years. In inviting proposals therefor, such advertising shall not be classified and no proposal shall be acted upon which offers to do such advertising at different rates for different portions thereof.

Such advertising shall be construed to mean the advertising and publication of all official reports, orders, ordinances, messages, resolutions, notices inviting proposals and all notices of every nature relating to City work. No part or kind of such advertising shall be charged or contracted for at a higher rate than any other part or kind of the same is charged or contracted for, except in the case of the delinquent tax list.

The advertising of the delinquent tax list shall be let to the lowest responsible bidder on a separate bidding from all other official advertising.

No Board, department or officer

shall make any publication which is not expressly authorized by this Charter or by the Board of Supervisors.

The Board of Supervisors may cause to be printed a weekly newspaper to be called the "Municipal Record", wherein shall be published all matters of municipal interest. All or any portion of the official advertising (except the advertising of the delinquent tax list) required or authorized by this Charter or required or authorized by the Board of Supervisors, may be published in the Municipal Record in lieu of being published in a daily newspaper. Whenever, in this Charter, a publication is required in a daily newspaper for a period of one week or less than seven days one publication in the Municipal Record shall be equivalent thereto; when such publication is required in a daily paper for a period of more than one week, or seven days and not more than two weeks or fourteen days, two publications in the Municipal Record shall be equivalent thereto; when such publication is required in a daily newspaper for a period of more than two weeks or fourteen days, three publications in the Municipal Record shall be equivalent thereto. The newspaper authorized to publish the bills and ordinances of the Board of Supervisors shall be known as and designated the "Official Newspaper."

Ordered referred to the Charter Amendments Committee.

The Journal of the meeting of May 16, 1910, was read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Supervisor Herget presented:

Proposed Charter Amendment Increasing in Certain Instances the Dollar Limit of Taxation.

"Amend Section 11, Chapter 1, Article III of the Charter to read as follows:

Section 11: On or before the last Monday of June in each year the Supervisors shall levy the amount of taxes for City and County purposes required to be levied upon all property not exempt from taxation. The amount shall be sufficient to provide for the payment during the fiscal year of all demands upon the treasury authorized to be paid out of the same; but such levy, exclusive of the State tax and the tax to pay the interest and maintain the sinking funds of the bonded indebtedness of the City and County, for the support of the public schools, and exclusive of the tax to pay for the maintenance and improvement of the parks, squares and public grounds of the City and County, shall not exceed the rate of one dollar on each one hundred dollars valuation of the property assessed; provided, that if that certain proposed amendment to the constitution known as "Senate Constitutional Amendment No. 1," shall be adopted and ratified by the electors at the gen-

eral election to be held November 8, 1910, then the limit of one dollar on each one hundred dollars valuation of property assessed, may be increased by an amount equal to the rate of taxation levied for State purposes in the year 1910. The Supervisors in making the levy shall apportion the taxes to the several funds.

Ordered referred to Charter Amendments Committee.

Endorsement of Petition of Patrol Drivers for Salary Increase.

Supervisor Knowles presented:

Resolution No. — (New Series), as follows:

"Whereas, The police patrol drivers of the San Francisco Police Department by petition filed with this Board, approved and endorsed by the Board of Police Commissioners and the Chief of Police for an increase in salary equal to that paid police officers and for participation in the pension advantages of the department, and

"Whereas, It appears from said petition that the patrol drivers are sworn in as police officers and perform police duty and other work incidental to their position and are in fact police officers in every sense of the word, and notwithstanding the dangerous and hazardous nature of their occupation are denied the pension advantages of the department, and are underpaid as compared with police officers, whose salaries were recently increased by Charter Amendment; therefore be it

"Resolved, That the Board of Supervisors favors increasing the salaries of the patrol drivers to an amount equal to that of the police officers, to-wit: \$122 per month, \$2.00 of said amount to go to pension fund for the benefit of themselves and families in case of accident.

"Further Resolved, That this Board favors the enactment of a Charter amendment fixing and determining the status of police patrol drivers with respect to the amount of their salary and the participation of themselves and their families in the pension advantages of the Department."

Determining to Grant a Street Railroad Franchise on Parnassus Avenue, Judah Street and Ninth Avenue.

Resolution No. 5921 (New Series), as follows:

Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by Thomas W. Forsyth, through petition filed April 16, 1910, and amended by petition filed April 21, 1910, for a franchise, for a term of twenty-five (25) years to construct, lay down and operate a double-track street railroad over and upon the following described route, to wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street.

Whereas, It appears to this Board that the public interest will be subserved by the grant of such franchise; therefore

Resolved, That this Board grant a

franchise as a whole, for a term of twenty-five (25) years, for a double-track, standard-gauge street railroad over and upon the following described route, to wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street.

The grantee under said franchise shall have the right to construct, erect, maintain and operate, by means of electricity, or such other improved motive power as science has now or may hereafter discover and the laws sanction, a double-track railroad upon, along and across the streets hereinabove described, and to that end the grantee shall have the right to build, construct, erect and maintain all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connecting tracks, Y tracks, side-tracks, turnouts, curves, switches, crossings, and to connect any or all of said tracks with the existing tracks on Parnassus and Third avenues.

Said street railroad franchise shall be granted after due advertisement and offer for sale, in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and sections of Chapter 2, Article II, of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and Subdivision 27, as amended February 5th, 1903, of Section 1 thereof, and Section 6 thereof.

It is hereby determined that said street railroad franchise shall be granted subject to the following conditions additional to those prescribed by the Charter, to wit:

That the grantee operating under said franchise shall be required to pave the space between the rails and for two feet each side thereof and between the tracks, if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix; provided, however, that such sum shall not exceed fifty (\$50) dollars per annum, nor less than fifteen (\$15) dollars per annum; also

That the bidder for said franchise shall file with his bid a good and sufficient bond in the penal sum of five thousand (\$5000) dollars with sureties

thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in the case the same is awarded to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of five thousand (\$5000) dollars shall be taken to be liquidated damages; also

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this Resolution, of the Notice of Sale and of the Ordinance granting said franchise.

Further Resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise, in accordance with the provisions of the Charter, and with the terms of this Resolution as hereinbefore expressed, said bids to be filed with the Clerk not later than Saturday, July 9, 1910, at the hour of 12 o'clock m., and Monday, July 11, 1910, at the hour of 3 p. m., is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe the public interest will be subserved thereby.

Power Transmission and Pipe Line Permits, Pacific Cereal Association.

Resolution No. 5922 (New Series), as follows:

Resolved, That the Pacific Cereal Association be and is hereby granted permission, revocable at will of the Board of Supervisors, to install a three-wire transmission line on existing poles, and to lay and maintain a six-inch bell and spigot joint castiron pipeline from the seawall at the foot of Taylor street, running in a southerly direction along Taylor street to North Point street, and along North Point street in an easterly direction from Taylor street one hundred and thirty-seven feet, to there connect with the line running in a southerly direction from North Point street on the property of the Pacific Cereal Association to the engine house.

The purpose of the pipe is to supply circulating water for the condenser.

The said wires and pipe line shall be laid to the satisfaction and under the supervision of the Board of Public Works, the Department of Electricity and the Fire Marshal. The Pacific Cereal Association shall at all times while exercising said privilege keep in repair the roadway for the space of two feet over said pipe line.

Power Transmission Line Permit, Miller and Lux, Inc.

Resolution No. 5923 (New Series), as follows:

Whereas, Miller & Lux, Incorporated, filed a petition April 16, 1910, with this Board for permission to place, install poles and maintain thereon wires and other appliances for the purpose of conducting a two-hundred and twenty-volt 2-phase alternating electrical current from the abattoir of your peti-

tioner, located on Burke street (formerly Second avenue South), near the intersection of Phelps street (formerly P street South), to its pumping plant, located on Davidson avenue (formerly Fourth avenue South), near Quint street (formerly Q street South); the electrical current conducted in said wires is to be used in the operation of machinery for the pumping of water from said pumping plant to said abattoir, the said water being necessary for the efficient operation of said abattoir and its proper fire protection.

The proposed route of said line of poles and wires is as follows, to wit:

Commencing at the abattoir of petitioner, located on the easterly line of Burke street (formerly Second avenue South), near the intersection of said Burke street and Phelps street; running thence along said easterly line of Burke street to its intersection with Phelps street; thence along Phelps street to Davidson avenue (formerly Fourth avenue South); thence along Davidson avenue to the aforesaid pumping station, located on Davidson avenue near its intersection with Quint street (formerly Q street South), a total distance of 1340 feet.

Resolved, That said privilege heretofore described be and the same is hereby granted upon the following express conditions:

1. Said wires shall be strung on poles placed as near as may be along the line of said streets, and so as not to interfere with the use of said streets by the public, and the said poles and wires may be removed, or the wires placed underground, at the pleasure of the Board of Supervisors.

2. The said poles and wires shall be erected to the satisfaction and under the supervision of the Board of Public Works, the Department of Electricity and the Fire Marshal.

Bill No. 1325, Ordinance No. —, (New Series), entitled, "Authorizing the appointment of two additional assistants by the District Attorney, on or after July 1, 1910, and fixing their compensation."

Privilege of the Floor.

District Attorney Chas. M. Fickert was granted the privilege of the floor and explained at length the reason that additional assistants were required for carrying on the work of his office. He stated that owing to recent acts of the

State Legislature, a great amount of work had been thrown upon his department, for which no adequate provision has been made by the Board of Supervisors. He called attention to the creation of a Juvenile Home, and stated that it was necessary that a representative of his office be detailed in the Juvenile Court to attend to the vast amount of work that department entailed. He stated that there were numerous other matters which if promptly attended to by the District Attorney's Office, would save thousands of dollars for the City and County and in a short time would more than pay for the additional expense of the two assistants. He declared that there were a large number of prisoners in the County Jail who had been there for seven or eight years owing to the inability of the District Attorney's Office to handle their cases. These men have been a heavy charge on the City and if their cases could be disposed of would materially lessen the expense of said institution.

Edward McDevitt, member of the Grand Jury, was also granted the privilege of the floor and addressed the Board, stating that the Grand Jury had investigated the District Attorney's Office, and was convinced of the merit of the District Attorney's request for additional assistants, and recommended the passage of the bill as submitted.

Andrew Gallagher, representing the Grand Jury, was also granted the privilege of the floor and addressed the Board, stating that the Grand Jury was satisfied as to the necessity of the appointment of two additional assistants for the District Attorney. He stated that it was the opinion of the Grand Jury that much money could be saved the City and County if such assistants were allowed.

In Board of Supervisors, San Francisco, May 25, 1910, 8:00 p. m.

The Board of Supervisors met pursuant to adjournment.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Cullen, Deasy, Harris, Hayden, Healy, Kelly, Knowles, Loughery, McLaughlin, Murdock, O'Dowd, Walsh—13.

Quorum present.

His Honor Acting Mayor Kelly presiding.

ANNOUNCEMENT.

The chair announced that the purpose of the meeting was to hear taxpayers of the City and County on the budget of the fiscal year 1910-11, before finally determining same, and directed the Clerk to read the report of the Finance Committee and the budget as submitted.

Whereupon, the Clerk proceeded and read the following report:

**REPORT OF FINANCE COMMITTEE OF BOARD OF SUPERVISORS ON
BUDGET OF MUNICIPAL EXPENDITURES FOR FISCAL YEAR
COMMENCING JULY 1, 1910, SUBMITTED TO SAID BOARD MAY
25, 1910.**

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Your Finance Committee begs leave to submit to your honorable Board the Budget which it has prepared for the fiscal year 1910-1911.

The following table shows the difference between the expenditures of last fiscal year and the proposed expenditures of next year.

Expenditures 1910-11	\$11,123,500
Expenditures 1909-10	10,441,468
	<hr/>
	\$ 682,032

Consisting of excess within the \$1.00 limit, caused by the increase

in the Assessment Roll	\$ 267,532
Park—same cause.....	21,000
Bond Interest and Redemptions, increase.....	354,500
Special taxes, increase.....	39,000
	<hr/>
	\$ 682,032

The amount of \$267,532 is all your Committee has found available to meet the heavy demands by all the departments for increased appropriations.

The Assessor having advised your Committee that he estimated the Assessment Roll at \$510,000,000 for 1910, the tax levy and the appropriation have been figured on this basis.

The last time a Budget was made up on an Assessment Roll of \$510,000,000 was in 1905-06, when appropriations were made as follows for the principal departments:

	1905-06.	1910-11.
Health Department	\$ 364,790	\$ 531,100
Fire Department	884,250	1,293,210
Police Department	987,170	1,413,000
School Fund	1,505,000	1,640,910
Maintenance of Minors.....	56,500	171,300
	<hr/>	<hr/>
	\$3,797,710	\$5,049,520

an increase of expenditures of \$1,250,000 for these departments without any increase in receipts.

The increase in the cost of the Police and Fire Departments is partly owing to the Charter amendments which were passed, increasing salaries and also by the cost of maintaining fire boats, police launches, etc.

With regard to maintenance of minors, the City and County has no jurisdiction over this matter. The Legislature has established Probation Officers and Juvenile Courts, and the expenses are virtually paid by order of the Court, the City and County being compelled to stand the expense while having nothing to say as to how much should be incurred, a condition which should be changed by the Legislature.

The principal increases in appropriation over last year have been as follows:

Official advertising	\$7,500
----------------------------	---------

The appropriation last year was \$32,500, while \$43,000 was expended. There will be an increase in cost of 20 per cent in the coming year, the rate having been increased from 24c to 29c per square.

PURCHASE OF AUTOMOBILES:

Your Committee has found the City automobiles to be in bad condition; the annual cost of maintaining them being more than their value, and considers it an act of economy to buy new ones; \$20,000 has been set aside for this purpose, the sellers to take the old automobiles as part payment.

NON-SECTARIAN INSTITUTIONS, appropriated in 1909-10 \$75,000, cost

will amount to \$126,000. Your Committee has recommended an allowance of \$100,000, it being understood that the Juvenile Court authorities will use every endeavor to obtain part of cost of maintenance from parents, and also to recover from the State amounts said to be due for orphans and half orphans.

THE PROBATION OFFICERS, having gained their suit for salaries in the Supreme Court, your Committee had no other course except to allow them the annual amount of \$18,500, which is \$6300 over last year.

LIGHTING STREETS AND PUBLIC BUILDINGS:

Allowance increased from \$340,000 to \$375,000, which, although insufficient, will enable the Committee on Lighting to meet some of the numerous demands for additional lights from all parts of the City.

RECORDER:

An allowance of \$3750 has been made to this office for the restoration and redrawing of maps, a very necessary matter.

TREASURER'S OFFICE:

A recommendation is made for the new position of Cashier at \$3600 per annum. The present Chief Deputy, Mr. Perkins, is receiving \$200 per month and besides handling many millions of dollars has to keep accounts with all the banks to whom the City is lending money, a position of great responsibility; he has moreover, to pay out of his salary the premium on his bond of \$20,000.

COURT INTERPRETERS:

An additional interpreter of the Russian and Polish languages has been added to the list in accordance with the request of the Police and Superior Judges.

DISTRICT ATTORNEY:

Two additional positions have been provided for: One assistant at \$3600, for Supreme Court and Court of Appeals, and one assistant at \$2400, for Juvenile Court, Coroner and Grand Jury. Your Committee believes these officers are necessary, and the Grand Jury has made a strong appeal for the appointment.

The appropriation for the District Attorney's expenses has been reduced from \$20,000 to \$5000.

POLICE DEPARTMENT:

Salaries allowed 1909-10.....	\$1,328,188
Salaries asked for 1910-11.....	1,678,204
Recommended for 1910-11.....	1,350,000

An increase of \$21,812 for fifteen additional patrolmen.

A larger appropriation could be given to this department with great advantage to the City, but the funds are not available.

FIRE DEPARTMENT:

The same remark applies to this department. The increase allowed is very small in view of the department's needs.

	1909-10.	1910-11.	Increase.
Salaries	\$1,084,440	\$1,111,210	\$26,770
Maintenance	148,000	152,000	4,000
Apparatus	30,000	30,000
	<u>\$1,262,440</u>	<u>\$1,293,210</u>	<u>\$30,770</u>

This increase of \$26,770 to be used for the establishment of additional fire companies.

DEPARTMENT OF ELECTRICITY:

The appropriation for this department has been increased \$22,180 to meet the expense of commencing the restoration and rehabilitation of the underground system; a work which has been neglected during the last four years, and to restore salaries of electricians to the amounts they were reduced from.

DEPARTMENT OF ELECTIONS:

Was allowed, including additional appropriations, in 1909-10, \$160,805; an allowance of \$150,000 is recommended, as the expense of special elections this year is estimated to be less.

HEALTH DEPARTMENT:

The salaries for the general department are virtually the same, being \$78,820 against \$78,180 last year. These salaries have not been segregated this year; the Charter authorizes the Board of Health "to appoint such officers and employees as may be necessary, and to fix their salaries and prescribe their duties"; so that any segregation on the part of the Supervisors could act as nothing more than a recommendation from them. The same will apply to the Board of Public Works.

In the case of the Emergency Hospitals the appropriation has been given in detail and the number of employees specifically increased, for the purpose of enabling certain employees of this department who are now working twelve hours, to enjoy the benefit of an eight-hour day, and also to establish two surgeons at the Park Hospital; the increase is from \$46,920 to \$61,680.

An additional allowance of \$5000 has been made to the City and County Hospital.

PLAYGROUNDS:

Your Committee fully recognizes their value, and would gladly have made a larger allowance than \$50,000, an increase of \$15,000 over last year but are unable to do so.

BOARD OF PUBLIC WORKS:

	1909-10.	1910-11.
Salaries	\$233,580	\$240,000
Maintenance and cleaning streets.....	296,800	310,000
	<hr/> \$530,380	<hr/> \$550,000

All improvements and street work will, of course, have to be provided for out of a special tax.

On this matter your Committee cannot do better than quote from the former Finance Committee's report, made May 21, 1909:

"We find it necessary to recommend extra tax levies this year for streets, sewers, buildings and sanitation, and in the opinion of your Committee such a course will be necessary for several years to come, in order to rehabilitate the City, unless the Assessment Roll increases or the other revenues amplify beyond all present expectations."

The recommendation is made to the Board of Public Works that janitors be appointed to take the places of police officers now doing janitorial work in the stations, so as to allow the police officers more time to attend to street duty.

SCHOOL DEPARTMENT:

Total appropriation \$1,640,910, against \$1,584,300 last year, an increase of \$56,610; the segregation being left to the Board of Education. This is the largest appropriation this department has ever received, and the Committee strongly recommends to the Board that teachers who have finished the probationary term be allowed their full salaries in accordance with the rules and regulations of the department, and that the salaries of janitors and janitresses be restored to the amounts they were reduced from. It is also urgently recommended that the sum of \$5000 be set aside for the extension of school gardens.

PARK:

The Park is allowed the amount of seven cents on each \$100, as provided in the Charter, an increase of \$21,000 over last year. The Commissioners have full control of the Park Fund, but your Committee recommends and requests that 5 cents per one hundred dollars of this amount be devoted to the maintenance of Golden Gate Park, the Great Highway and Boulevards, and that 2 cents per hundred dollars of this amount be used for the improvement of outside Parks and Squares.

BOND INTEREST AND REDEMPTION:

Total amount required.....	\$1,462,500
Against last year.....	1,168,000
	<hr/> \$354,500

an increase of .0695 in the new levy.

If this additional amount had been required to be provided for in the 1909-1910 levy, the rate would have been more than 30c instead of 23c and the total levy 1.67 instead of 1.60. This is mentioned merely to show the difficulty in keeping down the tax levy under the circumstances.

SPECIAL TAXES:

	1909-10.	1910-11.
Street, Sewers, etc.....	\$1,008,000 rate 21c	\$1,122,000 rate 22c
Fire Houses	168,000 " 03½	127,500 " 02½
Repairs, School Buildings....	120,000 " 02½	102,000 " 02
Police Stations	96,000 " 02	102,000 " 02
Sanitation	48,000 " 01	25,500 " ½
	<u>\$1,440,000 rate 30c</u>	<u>\$1,479,000 rate 29c</u>

The increase in the tax for streets, etc., is required to provide funds for the completion of the Mission Street Viaduct. The Board of Public Works has requested an appropriation of \$135,000 for this very necessary work, and there are no other means of providing funds except out of a special levy. The amount required for grading at Rincon Hill is also included in this amount.

The matter of a Municipal Band was considered by your Committee, but in view of the scarcity of funds it could not see its way clear to provide any money for this purpose.

In conclusion, your Committee wishes to state that while there are many needed improvements, such as public convenience stations, changing grade of Hayes street hill, more parks and playgrounds, supplying more lights, and the purchase of rights of way for sewer purposes and opening streets, and while your Committee would like to set aside money for all of these purposes, it regrets that it is unable to do so, for the reason that the amount which can be raised on the present assessed valuation under the dollar limit of taxation, barely permits of sufficient funds for the maintenance of the various departments of the Municipal Government and the carrying on of the work now on hand.

Your Committee recommends that after consideration by your Honorable Board this evening, that the Budget herewith submitted be passed for printing immediately as a holiday intervenes between now and the date within which same must be finally passed. This must be done in order to comply with the Charter provision which requires that the Budget be finally passed not later than the first Monday in June.

Respectfully submitted,

JOHN A. KELLY,
JOHN L. HERGET,
JOHN P. McLAUGHLIN.

BUDGET OF MUNICIPAL EXPENDITURES.

From July 1, 1910, to June 30, 1911, Recommended by Finance Committee to Board of Supervisors of the City and County of San Francisco, May 25, 1910.

Section 2. This Ordinance shall take effect immediately.	

PUBLIC HEARING ON BUDGET.

The Clerk proceeded and read the items constituting the budget, and the following speakers addressed the Board with regard to same:

Daniel O'Connell addressed the Board, requesting that \$920 be provided in the budget to pay balance due for salary of four hostlers formerly employed by the Fire Department, whose salaries, he declared, had been increased to \$100.00 per month by vote of the people in November, 1907, but which increase was not granted by the Board of Fire Commissioners covering a period extending from December, 1907, to April 10, 1909, when said janitors were discharged from the department.

J. S. Wallace, representing Spring Valley Water Company, also addressed the Board, requesting that the appropriation for water for public buildings, except school buildings, be increased from \$20,000.00 to \$22,000.00. He stated that while \$20,000.00 was adequate last year, the monthly bills were now averaging \$1800, and an additional appropriation would be necessary to meet them. He also stated that water for street sprinkling purposes would amount to \$12,000.00 at the present rate of consumption, and that only \$6,000.00 had been provided. He requested that the appropriation be increased to \$12,000.

H. E. Barnett, representing the Humboldt Evening School Teachers, also addressed the Board, declaring that there were fifteen teachers in the Humboldt Evening School who were university graduates and were receiving only \$60.00 per month for their services. He wished an appropriation of \$2700.00 additional for the purpose of increasing the salaries of said teachers to \$75.00 per month. Upon inquiry of Supervisor McLaughlin, he stated that the teachers worked two hours a night, five nights in the week.

Motion.

Supervisor Murdock moved to amend report by adding to paragraph, relating to school department appropriation, the words "It is also urgently recommended that the sum of \$5,000.00 be set aside for the extension of school gardens."

Motion carried.

OBJECTIONS OF SUPERVISOR BANCROFT.

Supervisor Bancroft objected to the size of the special tax levy for streets and sewers, saying that reductions

should be made elsewhere in the budget for these purposes. He mentioned the item of \$20,000.00 for automobiles, and stated that heads of departments should be furnished with buggies, and if they wanted automobiles, they should be required to pay for them the difference between their cost and the allowance made by the City for buggy hire. He also opposed granting two additional assistants to the District Attorney, but declared that he was in favor of an appropriation for one such assistant.

Privilege of the Floor. (Continued).

D. C. Hagen addressed the Board, and stated that the Citizens' Health Committee and the Merchants' Association, which he represented, were heartily in favor of the appropriation **for streets and sewers** and expressed the hope that the Board would not in any way alter the committee's recommendation.

Geo. Renner, representing the Draymen's Association, also addressed the Board, stating that at the time of the bond issue in 1908, that it was proposed to set aside for rehabilitation of streets the sum of \$7,500,000, but that the rehabilitation has been accomplished by the efficiency of the Board of Public Works, at a price equivalent to the interest on said amount. He highly complimented the Board of Public Works on the very capable and efficient management of that department and endorsed the appropriation made for the coming fiscal year to that department.

Motion.

Supervisor Murdock moved that the last paragraph in the bill be amended by striking out the words "for rehabilitation for departments."

So ordered.

BUDGET PASSED FOR PRINTING.

Whereupon, on motion of Supervisor McLaughlin, the budget as amended was *passed for printing* as Bill No. 1338 (New Series) by the following vote:

Ayes — Supervisors Cutten, Deasy, Hayden, Healy, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Walsh—13.

No—Supervisor Bancroft—1.

Absent—Supervisors Harris, Herget, Hocks, Pugh—4.

ADJOURNMENT.

There being no further business, the Board, at the hour of 11:30 o'clock p. m., adjourned.

W. R. HAGERTY, Clerk.

Approved by the Board of Supervisors May 31, 1910.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, W. R. Hagerty, hereby certify that the foregoing are true and correct copies of the Journals of Proceedings of said Board of the dates thereon stated, and approved as above recited.

Authorizing the Appointment of Two Additional Assistants for the District Attorney.

The following Bill heretofore passed for printing was taken up:

Bill No. 1325, Ordinance No. —, (New Series), entitled, "Authorizing the appointment of two additional assistants by the District Attorney, on or after July 1, 1910, and fixing their compensation."

Motion.

Supervisor Bancroft moved that Thomas Williams be granted the privilege of the floor.

So ordered.

Privilege of the Floor.

Thomas Williams, member of the Grand Jury, thereupon addressed the Board and stated that after careful investigation of the application of the District Attorney for two additional assistants for his office, that he was of the opinion that such assistants were entirely unnecessary. He declared that four of the employees of the District Attorney's office now assigned to the Police Courts were on duty for only the first half of the day and were at leisure to perform such other duties in connection with Juvenile Court and Supreme and Appellate Courts as the District Attorney's office might require. He stated that he had been informed that some of these men devoted most of their time to their private practice and not to the work of the District Attorney's office.

Final Passage.

Relative to Petition of J. A. Nougue & Company for Laundry and Boiler Permit, at 2123 Bush street.

The following report was introduced out of order by Supervisor Knowles, and on motion of Supervisor McLaughlin, *laid over for two weeks*:

Your Committee on Fire would respectfully report in the matter of the petitions of J. A. Nougue & Co. for permission to maintain a stable, erect and maintain a laundry, and install a boiler for laundry purposes at premises No. 2123 Bush street, that the matter of the stable about to be considered jointly with the Hospital and Health Committee of your honorable Board, was withdrawn by request of counsel for petitioner, and consequently it is recommended that the Resolution heretofore presented denying the request, be indefinitely postponed.

Regarding the petitions for a laundry and boiler at said premises.

Your Committee, after extensive hearing on behalf of the petitioner and protestants, respectfully refers the matter back to your honorable Board without recommendation, and would request that the matter be heard and considered by your honorable Board.

Respectfully submitted.

NEW BUSINESS.

Adopted.

The following Resolutions were adopted:

Awarding Contract for Lighting Streets and Outlying Districts and Public Buildings, for the Fiscal Year 1910-11, to San Francisco Gas and Electric Company.

On motion of Supervisor Walsh:

Resolution No. 5965 (New Series), as follows:

Resolved, That the contract to light the streets and the outlying districts of, and all public buildings (except school buildings) of the City and County of San Francisco with gas and electricity, and for supplying power for all purposes for the term of one year commencing July 1st, 1910, and ending June 30th, 1911, in strict accordance with the specifications and advertisements, inviting proposals thereon, be and the same is hereby awarded to the San Francisco Gas & Electric Company, a corporation, at the hereinafter designated

prices, said company being the lowest responsible bidder, to-wit:

For each single burner gas lamp, lighted all night, 6.548 cents per lamp per night.

For each gas triple lamp cluster, lighted until 12 o'clock, or all night, five (5) cents for each lamp of the cluster per lamp per night.

For a single lamp of a triple lamp cluster used all night where two lamps of the cluster are extinguished at midnight, 6.548 cents.

For each electric arc lamp, lighted all night, 19.727 cents per lamp per night.

For each electric arc lamp, lighted until midnight, 13.50 cents per lamp per night.

For each electrolier of the type now in use in the down town retail shopping district, lighted all night, 19.727 cents per electrolier per night.

For furnishing gas to public buildings, offices, yards and public places, the sum of sixty (60) cents per 1000 cubic feet.

For electric current for lighting purposes, the sum of three cents per kilowatt hour.

For electric current for power purposes the sum of three cents per kilowatt hour.

For each arc lamp inside public buildings or grounds adjacent thereto, when not connected with a metered service, the sum of two and one-half (2½) cents per lamp hour.

Provided, That the sureties on the bond of the San Francisco Gas and Electric Company, which bond is hereby fixed at \$45,000.00, shall be satisfactory to his Honor, the Mayor, who is hereby authorized to enter into said contract, subject to the following conditions, to-wit:

That said San Francisco Gas & Electric Company shall, during said term of one year, from July 1st, 1910, to June 30th, 1911, light the public streets and outlying districts of the city and county with not less than 5000 gas lamps and not less than 2500 electric arc lamps during the said term.

Of the above 2450 electric arc lamps 2210 shall be lighted all night and the remaining 40 may be extinguished at midnight, as is the practice at the present time, it being distinctly understood, however, that the city and county may during the period of said term order any and all said last mentioned lights to be lighted all night, subject, however, to the increased scale for all night lighting as hereinabove provided.

The term of lighting and extinguishing shall be as follows:

Arc lights shall be lighted three-

quarters of an hour after sunset and shall be extinguished not earlier than three-quarters of an hour before sunrise, excepting, however, the aforesaid 40 lights extinguished at midnight. In the case of gas lamps the last lamp shall be lighted not later than one hour after sunset and the first gas lamp shall be extinguished not earlier than an hour and a quarter before sunrise, provided, that the last lamp shall not be extinguished earlier than fifteen minutes before sunrise.

Deductions for lights not burning shall be computed at the rate of 6.548 cents per night for single burner gas lamps; 5 cents per night for each lamp of an all-night or 12 o'clock triple lamp cluster, except where one of the lamps of a triple-lamp cluster should continue to burn all night, then the deduction charge for that lamp shall be 6.548 cents per night, 19.727 cents per night for each all-night electric arc lamp and 13.50 cents per night for each 12 o'clock arc lamp.

It is understood that in order to facilitate extinguishing, all 12 o'clock triple lamp clusters shall be grouped and contiguous.

Extension Telephones.

For each extension telephone on a residence telephone line the maximum charge shall be a sum not to exceed 50 cents per month.

Names in Telephone Directory.

Any person, company or corporation supplying telephonic service in this City or County shall at least three times a year furnish free of charge to each subscriber a complete directory of all subscribers in San Francisco, and an additional copy of said directory for each extension telephone: provided, however, that for every name listed in said directory under the telephone number of a subscriber, in excess of the number of main and extension telephones installed on the premises of the subscriber, a sum not to exceed 25 cents per month for each such name shall be charged.

Private Lines.

The following maximum charges shall be made for private telephones and lines not connected with a telephone exchange:

For private line telephones, a sum not to exceed 50 cents per month each.

For private lines, a sum not to exceed \$2.50 per mile per month.

Quality of Service.

Section 2. The term "Telephone" as used in this Ordinance is hereby defined to mean both a transmitter and a receiver. It shall be optional with the person demanding telephonic service to elect to take or use either portable or stationary telephonic apparatus and it shall be the duty of the person, company or corporation supplying telephonic service in the City and County to furnish such apparatus without additional cost, except as in this Ordinance provided.

The term "Exchange Switch," as used in this Ordinance, is hereby defined to mean an availing call, that is to say, a call whereby an outgoing conversation or message is transmitted from one telephone station within the City and County and received at another telephone station within the City and County.

No switching charge shall be made for an unavailing call, and when a nickel or token is deposited in the coin-collecting attachment for an unavailing call the same shall be returned to the person by whom it was deposited. Single conversations on party lines shall not exceed five minutes.

Upon the application in writing of the owner or occupant of any building or premises distant not more than three hundred feet from any underground conduit or pole line of the person, company or corporation furnishing telephonic service, and payment by the applicant of all money due from him, the person, company or corporation must within thirty days supply telephonic service as required for such building or premises, and cannot refuse on the ground of any indebtedness of any former owner or occupant thereof, unless the applicant has undertaken to pay the same.

No restriction shall be placed by any company, person or corporation supplying telephonic service upon the right of subscribers to employ operators, provided that any operator or substitute operator to be employed and paid by the subscriber shall conform to the reasonable rules and regulations pertaining to the service of such person, company or corporation.

It shall be the duty of the telephone company to advise their subscribers by written notice if it is found that for three consecutive months the schedule charged is higher than the number of contract switches shown. Said notice to state:

1. The rate charged.
2. The number of contract switches.
3. The number of excess switches.

4. Advice as to average number monthly switches.

5. Advice as to what proper schedule subscriber should be under.

The telephone company shall also print on the reverse side of their bill heads their schedules, showing the various grades of monthly rental, contract switching and excess switching, so the same can easily be understood by their subscribers.

Upon demand of any person, company or corporation using business or professional measured telephonic service (excepting prepayment service) every person, company or corporation supplying telephonic service within the City and County shall install and maintain in connection with each such measured service line, a meter which shall prove effective in actual use for accurately and correctly recording the number of outgoing messages and conversations over said line, and said meter shall be subject to inspection at all reasonable times by the subscriber upon whose line the same is installed.

Section 3. Any person, company or corporation, or any officer or agent of any person, company or corporation, violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not exceeding five hundred (\$500) dollars, or by imprisonment not exceeding six (6) months, or by both such fine and imprisonment, and such person, company or corporation, or officer or agent of any such person, company or corporation, shall be guilty of a separate offense for every day that such violation shall continue, and shall be subject to the penalty imposed by this section for each and every separate offense.

Section 4. This Ordinance shall take effect and be in force from and after July 1, 1910.

Motion.

Privilege of the Floor.

E. C. Van Wyck was granted the privilege of the floor and addressed the Board, opposing the passage of the bill for the reason that the only reduction made in the rates has been made in the nickel-in-the-slot residence phone, while all other classes of service are practically increased, this he stated would be an unbearable hardship on thousands of subscribers who preferred telephones with unlimited switching.

Recommitted.

Whereupon, the foregoing bill was on motion *recommitted to the Telephone Rates Committee*.

Recommitted.

The following resolution laid over from last meeting was taken up and on motion of Supervisor Nelson, *recommitted to the Water Rates Committee*.

Fixing and Determining Water Rates for the Fiscal Year 1910-11.

Bill No. 1316, Ordinance No. — (New Series), entitled, "Regulating the Monthly Rates of Compensation to be collected by any Person, Company or Corporation engaged in the business of supplying water to the inhabitants of the City and County of S. F. for family uses, for private purposes, for municipal uses and for all public purposes of the City and County, for the year commencing July 1, 1910, and ending June 30, 1911."

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Passed for Printing.

The following Resolution was introduced under suspension of the rules and *passed for printing*:

On motion of Supervisor Herget:

Resolution No. — (New Series), Authorizing an expenditure of \$16,517.77 to be made out of the "Sewer Construction Account" of the Public Building Fund, bond issue of 1908, in payment to Hanrahan & Ehrhart (claim dated May 31, 1910), as seventh installment on contract for construction of the northerly portion of the East Potrero Intercepting Sewer, as per contract and bill rendered.

Relative to the Case of Dr. Atcherly.
Privilege of the Floor.

Mrs. Sarah Frye was granted the privilege of the floor and addressed the Board, requesting a hearing for Dr. Atcherly, who was formerly retained at the Leper Hospital, treating the inmates of said institution for leprosy.

Dr. Atcherly, also appeared and requested a hearing as to charges made against him by the authorities in Honolulu, Hawaii, declaring that inasmuch as the Board had heard one side of the case, it was only fair that he should have an opportunity to present his.

Whereupon, said matter was *referred to the Hospital and Health Committee*.

ADJOURNMENT.

Whereupon, the Board, at the hour of 5:00 o'clock p. m., adjourned.

W. R. HAGERTY, Clerk.

Approved by the Board of Supervisors, June 6, 1910.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, W. R. Hagerty, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated, and approved as above recited.

Whereupon the above entitled Bill in words and figures following was *passed for printing* by the following vote:

Bill No. 1345, Ordinance No. — (New Series), Determining and declaring that a great necessity and emergency exists within the City and County of San Francisco, and setting forth the character of such necessity and emergency which requires that the limitation of taxation contained in Section 11 of Chapter I of Article III of the Charter of the City and County of San Francisco be temporarily suspended; temporarily suspending such limitation so as to enable the Supervisors to provide for such necessity and emergency, and increasing the rate of taxation for the fiscal year ending June 30, 1911, over and above that authorized to be levied by said Section 11 of Chapter I of Article III of said Charter; and authorizing and levying a tax of twenty-nine cents upon each one hundred dollars of the assessed value of property within said City and County in excess of the sum and rate provided for in said Section 11 of Chapter I of Article III of said Charter for the purpose of providing for the great necessity and emergency, and specifying for paving, grading, repaving and repairing streets, for reconstruction and repair of sewers, for construction and repairs to public buildings, for construction and equipment of Fire Department buildings, for the purchase of lands for Fire Department purposes, for the reconstruction of, repairs to and equipment of School Department buildings, for the construction and equipment of and purchase of lands for Police Department buildings, and for the continuation and enforcement of sanitary measures, for completion of the Mission street viaduct and grading of Rincon Hill.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited, determined and declared that a great necessity and emergency exists within the City and County of San Francisco, which requires that the limitation of taxation contained in Section 11 of Chapter 1 of Article III of the Charter

of said City and County be temporarily suspended, and that the character of such necessity and emergency is as follows, to wit:

On the 18th day of April, 1906, a large number of the public buildings and much of the Fire Department equipment of said City and County were destroyed by fire, and on said day a large extent of the public sewers of said City and County were damaged and destroyed by earthquake; that a large extent of the public streets of said City and County were damaged by the combined effects of fire and earthquake; also there is danger that the bubonic plague prevalent in 1907, may recur, and provision should be made to prevent such recurrence; that it has been impossible to pave, repave and repair streets, reconstruct and repair sewers, construct and repair the public buildings destroyed and damaged as aforesaid in April, 1906, from the appropriations heretofore made, and the great necessity and emergency hereby declared to exist has not been adequately provided for by previous tax levies made by the Board of Supervisors.

Section 2. That by reason of the great necessity and emergency herein set forth, large sums of money will be required to be expended by the City and County during the fiscal year ending June 30, 1911, for the paying, grading, repaving and repairing of streets, for the reconstruction and repairs of sewers, construction of and repairs to public buildings, for the construction and equipment of Fire Department buildings, for the purchase of lands for Fire Department buildings, for the reconstruction of, repairs to and equipment of School Department buildings, for the construction and equipment of Police Department buildings, and for the purchase of lands for Police Department purposes, and for the continuation and enforcement of sanitary measures. That the large sums required for the aforesaid purposes cannot be obtained from the annual income and revenue of the City and County, and said necessary expenditures cannot be made without temporarily suspending the limitation upon the rate of taxation provided for in Section 11 of Chapter I of Article III of the Charter of said City and County.

Section 3. For the reasons and for the purposes set forth in the preceding sections of this Ordinance, and under the authority conferred upon the Mayor and the Board of Supervisors by Section 13 of Chapter I of Article III of said Charter, it is hereby determined and declared that the provisions of Section 11 of Chapter I of Article III of said Charter in so far

as the same fixes and limits the rate of taxation to be levied for municipal purposes is hereby temporarily suspended so as to enable the Supervisors to provide for the herein recited great necessity and emergency.

Section 4. For the purpose of raising by taxation the sum of one million one hundred and twenty-two thousand dollars appropriated in and by the budget for the fiscal year 1910-11, for the paving, grading, repaving and repairs to streets, for the construction of and repairs to sewers and for the construction of and repairs to public buildings, excepting school buildings, and completion of Mission viaduct and grading of Rincon Hill, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of twenty-two cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said budget.

For the purpose of raising by taxation the sum of one hundred and twenty-seven thousand five hundred dollars, appropriated in and by the Budget for the fiscal year 1910-11 for the construction and equipment of Fire Department Buildings, and for the purchase of lands for Fire Department purposes, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied a tax of two and one-half cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of one hundred and two thousand dollars, appropriated in and by the Budget for the fiscal year 1910-11, for the reconstruction of, repairs to and equipment of School Department buildings, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy and there is hereby levied, a tax of two cents upon each one hundred dollars of assessed valuation within the City and County of San Francisco for the fiscal year 1910-11, as the same appears, or will appear, upon the assessment roll of

said City and County, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of one hundred and two thousand dollars, appropriated in and by the Budget for the fiscal year 1910-11 for the construction and equipment of Police Department buildings, and for the purchase of lands for Police Department purposes, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of two cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, on the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of twenty-five thousand five hundred dollars appropriated in and by the Budget for the fiscal year 1910-11, for the continuance of sanitary measures under the direction of the Board of Health and the United States Marine Hospital Service, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of one-half cent on each one hundred dollars of assessed valuation of property within said City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

The above tax, aggregating twenty-nine cents upon each one hundred dollars of assessed valuation aforesaid, herein levied and authorized to be levied, is and shall be an increase of and an addition to the rate of one dollar taxation on each one hundred dollars of assessed valuation of property within the City and County of San Francisco for the fiscal year 1910-11, and an addition to and increase of all taxes of every amount and kind authorized to be levied under and by virtue of the provisions of Section 11 of Chapter I of Article III of the Charter of the City and County of San Francisco.

Section 5. This Ordinance shall take effect immediately.

Declaring Intention to Make Street Improvements and Construct Tunnel in Stockton Street.

The following report and resolution were introduced by Supervisor McLaughlin and read by the Clerk:

Report of Streets Committee.

San Francisco, Cal., June 6, 1910.

To the Honorable, the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Your Committee on Streets, Sewers and Parks, to which was referred the communication from the Board of Public Works, recommending change of grade and con-

struction of tunnel in Stockton street connecting North Beach with the Down Town District, the expense thereof to be assessed upon the district benefited thereby:

Communication from Down Town Association, favoring the immediate construction and completion of a tunnel through Nob Hill.

Communication from the Board of Fire Commissioners, requesting that in the construction of proposed tunnels under the elevated section of San Francisco, that provision be made for a roadway for vehicles on each side of the central portion thereof, in order that the apparatus of the Fire Department may have rapid transit to outlying districts in case of fire.

Communication—From E. P. E. Troy, requesting that before property owners be put to the expense of constructing tunnel on Stockton street, that the status of the franchise granted on said street on condition that such tunnel be constructed by the grantee, be investigated.

Your Committee reports that Frank D. Stringham filed in the Clerk's office of the Board of Supervisors on May 26, 1910, a reconveyance to the City and County of the franchise granted to him by Ordinance No. 917 (New Series).

The Clerk was directed by the Committee on Streets, Sewers and Parks to transmit to the City Attorney the conveyance to the City and County by Frank D. Stringham of the franchise granted to him by Ordinance No. 917 (New Series); also a copy of the following resolution consenting to and accepting the abandonment, with the request that the City Attorney advise the Committee as to whether or not the abandonment and resolution are in proper form and if the rights of the City and County of San Francisco are fully protected:

Resolution No. — (New Series).

Whereas, Frank D. Stringham of the City and County of San Francisco, State of California, was granted certain rights and privileges by and under Ordinance No. 917 (New Series), passed by the Board of Supervisors on the 18th day of October, 1909, and has filed with this Board a release, quitclaim and reconveyance of all rights, franchises, rights of way and all right to construct and maintain or operate a railroad and branches, side-tracks and turn-outs, switches, curves, crossings and facilities, upon, over and under certain streets in the City and County of San Francisco, as specified and set forth in said Ordinance No. 917, and has by such reconveyance abandoned all rights, privileges and franchises by said ordinance granted, now therefore

Resolved, By the Board of Supervisors that this Board consents to the abandonment as aforesaid, and accepts the release and relinquishment of said rights, privileges and franchises, and the Clerk of this Board is hereby authorized, empowered and directed to execute in the name, and as the act of this Board, an instrument in writing, accepting and consenting to said abandonment and relinquishment.

Your Committee reports in favor of the recommendation of the Board of Public Works, filed May 21, 1910, your Committee presents the following resolution, and recommends that the same be referred to the City Attorney for his opinion as to whether or not the tunnel can be constructed by creating an assessment district:

Resolution No. — (New Series), as follows:

Declaring it to be the intention of the Board of Supervisors to change and establish grades at certain points on Stockton street, between Sutter and Bush streets; and between California and Sacramento streets, in accordance with the recommendation of the Board of Public Works filed May 21, 1910, and determining the district which will be benefited and assessed for the payment of damages for the expense of regrading, repaving, resewering, residewalking and curbing said street, and the construction of a tunnel from the southerly line of Bush street to the northerly line of California street so as to conform with such changed or modified grades.

Respectfully submitted,

JOHN McLAUGHLIN,
C. J. DEASY,
R. J. LOUGHERY.

Resolution of Intention.

Resolution No. — (New Series), as follows:

Declaring it to be the intention of the Board of Supervisors to change and establish grades at certain points on Stockton street, between Sutter and Bush streets; and between California and Sacramento streets, in accordance with the recommendation of the Board of Public Works filed May 21, 1910, and determining the district which will be benefited and assessed for the payment of damages for the expense of regrading, repaving, resewering, residewalking and curbing said street, and the construction of a tunnel from the southerly line of Bush street to the northerly line of California street so as to conform with such changed or modified grades.

Referred to City Attorney.

Supervisor McLaughlin moved that the foregoing resolution be referred to the City Attorney for an opinion as to

whether proposed tunnel can be constructed by creating an assessment district and making such work a charge thereon.

Motion carried.

Extension Telephones.

For each extension telephone on a residence telephone line the maximum charge shall be a sum not to exceed 50 cents per month.

Names in Telephone Directory.

Any person, company or corporation supplying telephonic service in this City or County shall at least three times a year furnish free of charge to

each subscriber a complete directory of all subscribers in San Francisco, and an additional copy of said directory for each extension telephone; provided, however, that for every name listed in said directory under the telephone number of a subscriber, in excess of the number of main and extension telephones installed on the premises of the subscriber, a sum not to exceed 25 cents per month for each such name shall be charged.

Private Lines.

The following maximum charges shall be made for private telephones and lines not connected with a telephone exchange:

For private line telephones, a sum not to exceed 50 cents per month each.

For private lines, a sum not to exceed \$2.50 per mile per month.

Quality of Service.

Section 2. The term "Telephone" as used in this Ordinance is hereby defined to mean both a transmitter and a receiver. It shall be optional with the person demanding telephonic service to elect to take or use either portable or stationary telephonic apparatus and it shall be the duty of the person, company or corporation supplying telephonic service in the City and County to furnish such apparatus without additional cost, except as in this Ordinance provided.

The term "Exchange Switch," as used in this Ordinance, is hereby defined to mean an availing call, that is to say, a call whereby an outgoing conversation or message is transmitted from one telephone station within the City and County and received at another telephone station within the City and County.

No switching charge shall be made for an unavailing call, and when a nickel or token is deposited in the coin-collecting attachment for an unavailing call the same shall be returned to the person by whom it was deposited. Single conversations on party lines shall not exceed five minutes.

Upon the application in writing of the owner or occupant of any building or premises distant not more than three hundred feet from any underground conduit or pole line of the person, company or corporation furnishing telephonic service, and payment by the applicant of all money due from him, the person, company or corporation must within thirty days supply telephonic service as required for such building or premises, and cannot refuse on the ground of any indebtedness of any former owner or occupant thereof, unless the applicant has undertaken to pay the same.

No restriction shall be placed by any

company, person or corporation supplying telephonic service upon the right of subscribers to employ operators, provided that any operator or substitute operator to be employed and paid by the subscriber shall conform to the reasonable rules and regulations pertaining to the service of such person, company or corporation.

It shall be the duty of the telephone company to advise their subscribers by written notice if it is found that for three consecutive months the schedule charged is higher than the number of contract switches shown. Said notice to state:

1. The rate charged.
2. The number of contract switches.
3. The number of excess switches.
4. Advice as to average number monthly switches.
5. Advice as to what proper schedule subscriber should be under.

The telephone company shall also print on the reverse side of their bill heads their schedules, showing the various grades of monthly rental, contract switching and excess switching, so the same can easily be understood by their subscribers.

Upon demand of any person, company or corporation using business or professional measured telephonic service (excepting prepayment service) every person, company or corporation supplying telephonic service within the City and County shall install and maintain in connection with each such measured service line, a meter which shall prove effective in actual use for accurately and correctly recording the number of outgoing messages and conversations over said line, and said meter shall be subject to inspection at all reasonable times by the subscriber upon whose line the same is installed.

Section 3. Any person, company or corporation, or any officer or agent of any person, company or corporation, violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not exceeding five hundred (\$500) dollars, or by imprisonment not exceeding six (6) months, or by both such fine and imprisonment, and such person, company or corporation, or officer or agent of any such person, company or corporation, shall be guilty of a separate offense for every day that such violation shall continue, and shall be subject to the penalty imposed by this section for each and every separate offense.

Section 4. This Ordinance shall take effect and be in force from and after July 1, 1910.

Report of Telephone Rates Committee.

June 4, 1910.

To the Telephone Rates Committee, Board of Supervisors, City and County of San Francisco, California.

Gentlemen: I beg to present herewith a statement showing the effect which the modification in rates proposed by your Committee will have upon the gross revenue of The Pacific Telephone and Telegraph Company in San Francisco for the year from July 1, 1910, to June 30, 1911.

Modification in present rates includes:

First: Rate Numbers 1, 15, 16, 17, 18 and 19 in the "Business Measured Service", and there is one entirely new rate introduced in this class of service, namely, the one-party, \$7.50 per month, including 175 free switches with excess switches at the rate of 4 cents each.

Second: Rate Numbers 31 and 32 in the "Residence—Unlimited Exchange Service".

Third: Rate Number 36 in the "Residence—Prepayment Service—Nickel in the Slot".

The number of telephones of each class on January 1, 1910; the proposed reduction in the rate; and the resulting reduction in the gross income per month is as follows:

First: "BUSINESS MEASURED SERVICE".

Number of Telephones Installed.	Reduction in Monthly Rate.	Reduction in Revenue Per Month.
1311	\$0.75	\$983.25
774	1.65	1277.10
495	2.40	1188.00
239	3.25	776.75
202	3.00	606.00
95	4.50	427.50
3116		\$5258.60

Second: "RESIDENCE—UNLIMITED EXCHANGE SERVICE".

Rate No.	No. of Tele- phones Installed.	Reduction in Monthly Rate.	Reduction in Revenue Per Month.
31	3278	\$0.50	\$1639.00
32	1335	.50	667.50

Total\$2306.50

Third: "RESIDENCE—PREPAYMENT SERVICE—NICKEL IN THE SLOT".

Rate No.	No. of Tele- phones Installed.	Reduction in Monthly Rate.	Reduction in Revenue Per Month.
36	156	.75	\$117.00

The total reduction in the gross income per month resulting from the modification in the rates as above indicated is as follows:

"Business—Measured service" \$.5258.60
 "Residence — Unlimited Exchange Service" 2306.50
 "Residence—Prepayment Service—Nickel in the Slot"... 117.00

Total reduction per month..\$7682.10

Total reduction per year..92,185.20

The net revenue of The Pacific Telephone & Telegraph Co. in San Francisco for the year 1909, as filed with the City and as set forth on page 14 of my report to the Mayor and Board of Supervisors of the City and County of San Francisco under date of February 1, 1910, is \$619,116.26.

The valuation or investment in the plant of the company in San Francisco on July 1, 1909, was \$7,446,100.32, or for the year 1909 the net return upon the investment was at the rate of 8.31%.

Based on the number of telephones in operation on January 1, 1910, the reduction in the rates as above indicated would correspond to a decrease in the gross earnings of \$92,185.20, or a reduction of 14.9% upon the net revenue, for the year 1909, which was \$619,116.26.

Respectfully submitted,

C. L. CORY.

Privilege of the Floor.

W. C. Bush, representing the Pacific Telephone and Telegraph Company, was granted the privilege of the floor and stated that while his company desired that certain changes be made in the telephone rates ordinance, under which the company operated, it would endeavor to comply with the ordinance as submitted by the committee, inasmuch as the committee did not see fit to grant the request of the company in this regard.

E. C. Van Wyck, was also granted the privilege of the floor and addressed the board, declaring that the bill now submitted to the Board, was not subject to the same criticism as the one previously introduced.

Passed for Printing.

Thereupon, the following report was presented and read by the Clerk:

FIXING AND DETERMINING WATER RATES FOR THE FISCAL YEAR 1910-11.

The following Bill and reports laid over from last meeting were taken up:

Bill No. 1336, Ordinance No. — (New Series), entitled, "Regulating the Monthly Rates of Compensation to be collected by any Person, Company or Corporation engaged in the business of supplying water to the inhabitants of the City and County of San Francisco for family uses, for private purposes, for municipal uses and for all public purposes of said City and County, for the year commencing July 1, 1910, and ending June 30, 1911."

Majority Report.

San Francisco, Calif., May 23, 1910.

To the Honorable, the Board of Supervisors of the City and County of San Francisco,

Gentlemen: Your Committee on Water Rates, on whom devolved the duty of recommending an ordinance fixing rates to be charged for furnishing pure, fresh water to this City and County and its inhabitants for the fiscal year commencing July 1, 1910, begs leave to make report thereon as follows:

In accordance with the provisions of Resolution No. 4925 (New Series), requiring companies, corporations and persons furnishing water, to file statements with your Honorable Board for the year ending December 31, 1909, the Spring Valley Water Company in response thereto filed exhibits embracing appraisements and valuations of their plant, cost of maintenance and other expenditures, receipts from consumers and other sources, together with testimony of its officers in proof thereof.

Additional to these, there was filed an appraisal by the City Engineer, Mr. Marsden Manson, showing his valuation of the Company's plant and other data taken from its books.

Complaints were also filed by water consumers, contractors, builders and shipping companies, asking relief from what they considered excessive charges for water supplied.

While your Committee find much reason in the complaint of the shipping interests, and would cheerfully recommend some relief in that quarter, they are confronted with the problem of a return in the revenue which the Company claims it would lose by reducing the rates on shipping from present figures.

The testimony taken before your Committee showed that the Spring Valley Water Company discriminates in favor of some shippers by materially reducing their charges for water, but that in no case do they exceed the maximum rate allowed by the ordinance.

To produce this lost revenue, it would be necessary to increase rates on householders and thereby create a hardship on a greater number of consumers who already claim to be taxed to the limit in their water supply.

To reduce the Company's revenue without an adequate compensation, might seriously affect the pending litigation and hamper the City Attorney in the suit. It is therefore with great reluctance your Committee finds itself unable to suggest a remedy.

For the same reason, the complaints of contractors and builders are found impossible of relief.

The Company asks for a 25 per cent raise in the rates, claiming that this would bring an adequate return on their investment (and contend that the estimate of the City Engineer does not taken into consideration a fair valuation of its property), but in the testimony they refuse, in the event of a raise in rates, to agree to place mains in districts already inadequately supplied, or give relief asked for in portions of the City still without water pressure; it is therefore obvious that no relief to the City and County would accrue by considering this phase at all, and it is for this reason dismissed from consideration.

Your Committee is unable to arrive at any definite amount which might cover alleged depreciation, but from the statements of the Company which show an increase of revenue due largely, in our opinion, to increased amount of new business, we believe that that increase is ample to compensate for any depreciation to the property and at the same time give them the required percentage of profit for reasonable interest and dividends, especially as no material replacements nor other extraordinary expenditures are being made.

After due consideration of all the data presented, both by the Spring Valley Water Company and the City Engineer, your Committee would recommend that the Ordinance of 1909-10, fixing water rates, be re-enacted as a basis of rates to be collected for the fiscal year commencing July 1, 1910, and ending June 30, 1911.

Respectfully submitted,

CHAS. A. NELSON,
T. P. O'DOWD.

Minority Report.

San Francisco, May 21, 1910.
To the Board of Supervisors:

I beg leave to submit the following minority report of the Committee on Water Rates:

Perhaps the most difficult and unsatisfactory task imposed upon a Supervisor is the fixing of rates to be charged for water by the corporation serving the city. The presumption

of law is that he shall act in a judicial capacity and allow a rate that shall be found to be fair to both parties in interest, but as matter of fact it is not uncommon for the platform of a political party to establish the rate in its platform and to require pledges that a fixed amount shall not be exceeded, and a public officer who dares to be governed by his own judgment rather than by popular clamor is regarded with suspicion.

To ask the representatives of the people to fix the price to be paid by those who elect them for the water they use is certainly illogical and it is not strange that it has brought constant litigation and deplorable animosity. No Supervisor can form a satisfactory conclusion from his own knowledge. He must rely upon experts, using his best judgment.

The City Engineer is the official naturally relied upon, but the Charter places the final decision not in his hands, but with the Supervisors. His recommendations should receive due weight, but not be considered the only source of knowledge. Other estimates should be weighed and corporations, whatever their practices, should be treated with absolute fairness. Then the city would be in a position to compel the best service. The result of undervaluation has been prolonged litigation, expensive in many ways, and court injunctions in protection of property rights that nullify the rates fixed by the Supervisors.

There seems no escape from the dilemma but through the acceptance by both parties of the final decision of the courts (if it is ever reached), or by the purchase of the property by the city. It is matter of great regret that the recent opportunity to secure the property was not appreciated. The failure is without doubt to be largely attributed to the persistent belittling of the value of the supply. It is sincerely to be hoped that the renewed effort to come to terms with the Spring Valley Water Company may result in complete municipal ownership.

In the mean time the duty devolves upon us to fix rates for the present year, and the only consideration that should influence us is the present value of the property and the rate that will guarantee a just return upon it. We need not flatter ourselves that our action will influence a federal judge or in any way prejudice the city's case. And if we feared it might, it would not absolve us from the obligation to act on our own judgment.

In arriving at a valuation we

should carefully consider the estimate of the City Engineer, and we should also give due weight to other estimates and circumstances.

The report of Col. Henner, based on an average of fourteen separate valuations, fixed \$31,000,000 as a reasonable figure. The fact that nearly two-thirds of the voters favored the purchase of the Spring Valley Water Co. for \$35,000,000 is an indication that the actual value of the portion of the property used for supplying the city with water somewhat exceeds the amount arrived at by the City Engineer.

The action of a federal judge of high standing in authorizing the collection of 15 per cent more than the rate allowed by the ordinance of the Board certainly compels consideration, for it determines the rate, whatever we do, and was arrived at by an officer trained in weighing evidence, after an examination much fuller than we can possibly give.

It is plainly evident that a final judicial determination of the value must be reached before any degree of harmonious action can be obtained.

The question presented now is, What should the Board of Supervisors do in advance of the decree? Recent decisions seem to leave no doubt that the present valuation of the property, and not the company's investment, is the basis of value; but this principle must be interpreted rationally. The claim for a return on \$46,000,000 seems wholly unreasonable. There is a wide variation between the estimate presented by the company and that presented by the City Engineer—a variation impossible to reconcile by a comparison of items, since the basis is wholly different. The City Engineer takes the Grunsky valuation of 1901 and adds the capital investment since made. Mr. Grunsky stated in his report in 1902 that the permanent value of the Alameda supply remained to be demonstrated and he consequently did not allow for it. It would seem that the fact that during the eight years that have since elapsed more than 12,000,000 gallons per day has been furnished from that source, with no diminution in quantity, proves its permanency beyond question, and no one can visit the Sunol gravel beds without being convinced that the property is of very great value. To decline to admit this in fixing rates seems manifestly unjust. How much should be added by reason of this is hard to determine, but it would seem that including other items of investment and appre-

ciation since 1901, ten per cent would be a small allowance.

The present valuation fixed by the City Engineer is practically \$25,500,000, and the rate of 1909 is based on that valuation, less about \$245,000 added for capital expenditure during the past year. The annual report of the company shows an unusually good year. Three thousand seven hundred and fifty-five new consumers brought the total to 54,932, the largest number in its history. The increase in gross revenue outside of the 15 per cent collected under injunction was \$207,273, while the increase of expenses was but \$61,495. Including the \$299,341 deposited pending the court decision the gross revenue of the company was \$2,770,974. After paying operating expenses, interest on bonds and 4 per cent dividends on the capital stock at \$50 per share, there remained \$446,497.15, of which \$260,000 was charged to depreciation and obsolescence, \$120,000 to contingent and insurance fund account, and \$66,497 was added to surplus.

Had the company collected only the rate allowed by the ordinance, the surplus available for depreciation, etc., would have been \$147,155. This would indicate that the 15 per cent collected under injunction was rather more than was necessary to insure a fair return on proved value, but that the rate originally fixed by the Board would not give an adequate return. From a careful study of all the facts I feel that the company is entitled to a rate to private consumers 10 per cent in advance of the 1909 rates, and would recommend the adoption of an ordinance to that effect. Under such an increase the following would seem a fair estimate for the coming year:

RECEIPTS.

Private Consumers.....	\$2,313,000
Shipping	143,000
Contractors	57,000
City and County.....	187,000
	<hr/>
	\$2,700,000

DISBURSEMENTS.

Operating Expenses.....	\$ 710,000
Taxes	340,000
5% on \$28,000,000.....	1,400,000
Depreciation	250,000
	<hr/>
	\$2,700,000

The property not used for water purposes, estimated at about \$5,000,000, returns in rents, etc., about \$100,000 per annum which considering the appreciation in the value of the property from year to year, is a fair return.

If the company should accept the

schedule proposed, consumers would save 5 per cent on the rate they are now paying. If the company again resorts to the courts the probability of securing an injunction would certainly be lessened as the rates are less likely to be judged unreasonable and confiscatory. The proposed increase on the nominal rate is an actual decrease on the amount now paid or likely to be paid should last year's rate be re-enacted. It would be of advantage to consumers and increase the probabilities of the acquisition of the property.

As regards the rate of water furnished by the company to shippers, I feel that the present method of charging all that can be collected is a serious commercial detriment. The rates are in nearly all instances far below the rates fixed in the ordinance, but far in advance of the regular meter rates. On account of additional expense the company is entitled to some increased revenue and I would recommend that in lieu of the present provision, that all water for shipping be supplied at 20 per cent advance on regular meter rates.

This it is estimated will lessen the receipts of the company at least \$90,000 a year, and toward meeting this I would recommend an increase of the hydrant rate from \$2.50 to \$4.00, which will necessitate a draft on the budget of about \$78,000.

In fixing the rate for the coming year it should be taken into account that to meet the increasing demand for water the company will be obliged to expend a considerable sum of money in bringing in and properly distributing the supply we shall need, and we cannot expect them to make the necessary capital investment unless they are assured that in some way, at some time, they will be reimbursed for the outlay.

If we fix a fair rate and if they will moderate their demands and accept the rate we fix, there is every probability that during the year an equitable settlement can be reached and that the voters of the city will ratify it at the polls.

Very respectfully,

CHARLES A. MURDOCK.

Privilege of the Floor.

E. C. McCutchen, attorney, representing the Spring Valley Water Co., took exception to certain statement in the majority report, declaring that if the committee was of the opinion that the company would refuse to furnish additional service in the event of an increase of 25 per cent being granted, that it was in error as no such statement had been made.

He stated that the company did not deem 25 per cent increase adequate, but would be satisfied therewith.

He called attention to the value of the Alameda property, for which no allowance had been made in the City Engineer's estimate. He suggested that the matter be laid over one week in order that differences might be adjusted.

Communication from Board of Fire Underwriters, Calling Attention to Danger from Fire in Western Addition Owing to Lack of Water Pressure.

Thereupon the following communication to his Honor the Mayor was read by the Clerk and ordered filed:

San Francisco, Cal., May 19, 1910.

Hon. John A. Kelly, Acting Mayor, City of San Francisco—Dear Sir: The underwriters respectfully but urgently call the attention of yourself and the Honorable Board of Supervisors to the dangerous condition, partially described by Fire Chief Murphy, in his recent communication to you, of that large portion of the city embraced between Gough, Pine, Baker and Haight streets, on account of the insufficient water pressure and supply for the extinction of fire.

This danger affects not only the district named, but through it the remainder of the city to the east and the Mission to the south, more especially in the summer time when high winds prevail.

We are informed that the company supplying water has temporarily connected the Lake Honda supply with the distributing system of the district named, but that it cannot maintain the connection through the summer without depleting or exhausting the supply in Lake Honda itself. In September, 1909, this supply was reduced from the ordinary average of a little less than 33,000,000 gallons to a little over 16,500,000 in ten days of warm weather, namely, those from the 8th to the 17th inclusive. The ordinary average supply of Lake Honda was not restored thereafter until the 28th, the restoration being gradual.

The importance of maintaining a supply sufficient to meet the needs of the many fire engines required in the extinction of a large fire seems to be greater than that of maintaining the pressure of 100 pounds at present existing. The water company has therefore arranged, we are informed, to substitute for the Lake Honda supply that of College Hill which has a lower elevation, and which substitution will reduce the pressure to 35 pounds at Fillmore street, and to a lower pressure at higher points in the district. An employee of the water company will be provided with a motorcycle

and instructed to connect the Lake Honda system with the distributing pipes of the district on telephonic notice of fire.

It is possible that this arrangement is the best obtainable; but it is obvious that the city should not depend for its safety on so obsolete a practice.

The water company should relieve the property owners and the underwriters by installing proper force mains and pumps to increase the supply from the original source to Lake Honda. The time occupied in this installation would be so great that the city would not be relieved of the danger impending during the summer months, including September, in which month there is a probability of the greatest number of successive hot days.

It is hoped that the intelligence of the Honorable Board of Supervisors and ourself may devise a means of providing the city with water for fire purposes, adequate in supply and pressure. It is possible that in the meantime an enforceable ordinance can be adopted, requiring economy on the part of users of water throughout the city, that the impending danger warrants.

Your Honor will consider that while there was great cause for the anxiety felt by the citizens last September during the short warm period, the large increase in number of buildings, and consequent connections with the water system, during the year has increased the demand, while the supply has not been increased at all.

It must not be forgotten that the hazard of conflagration, existing in the inflammable section described in the Chief's letter and that known as the Mission, cannot be found in any other city in the civilized world; therefore in the judgment of the underwriters the protection of this city from another serious conflagration requires that all reservoirs be kept full.

Until a proper supply is developed, every building added during the wonderful growth of the city will increase the danger of conflagration, and make more important the adoption of efficient protective measures by the citizens selected for the intelligence to govern in such matters.

Very respectfully,

ALFRED STILLMAN,

Secretary.

tween Fourteenth and Twentieth streets, in accordance with recommendation of the City Engineer.

Pipe Line Permit.

On motion of Supervisor McLaughlin:

Resolution No. — (New Series), as follows:

Resolved, That permission, revocable at will of the Board of Supervisors be and is hereby granted to the United States Government to construct, lay down and maintain an eight-inch water main from Presidio Reservation along the south side of Bay street to the east side of Laguna street; thence along the east side of Laguna street to the Fort Mason Reservation, provided said eight-inch water main shall be laid to the satisfaction of the Board of Public Works, the Fire Department and the Department of Electricity.

Adopted.

The following Resolutions were introduced under suspension of the rules and adopted:

Accepting Offer of P. Moliterno to Lease Premises for Harbor Emergency Hospital Purposes.

On motion of Supervisor Nelson: Resolution No. 5977 (New Series), as follows:

Whereas, The offer of P. J. Moliterno to erect and lease to the City and County for Harbor Emergency Hospital purposes a one-story brick or concrete structure situate and numbered 5-7-9-11 Clay street, fronting on the south side and with a rear entrance on Commercial street, 30x119½ feet, for a period of three (3) years, at a monthly rental of \$225.00, with an option of two (2) years at the same rental, appears to be the best offer submitted for a Harbor Emergency Hospital building in that vicinity; therefore be it

Resolved, That said offer of P. J. Moliterno be and is hereby accepted on the following conditions:

1. That lessor shall construct a one-story brick or concrete structure with four walls and one cross wall dividing the stable.

2. That lessor construct a concrete flooring in stable and sink in concrete the posts for the stalls.

3. That lessor shall put in all necessary doors, windows and skylights for hospital purposes.

Further Resolved, That his Honor the Mayor be and is hereby authorized and requested on behalf of the City and County of San Francisco to enter into said lease with P. J. Moliterno for a term of three years, said lease to date from the time of occupancy of said building by the City

and to be in accordance with the above conditions or any additional stipulations that may be agreed upon, and be it further

Resolved, That Resolution No. 5846 (New Series), approved May 10th, 1910, be and the same is hereby repealed.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Healy, Herget, Hocks, Kelly, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—15.

Arena Permit.

Also, Resolution No. 5978 (New Series), as follows:

Resolved, That permission, revocable at will of the Board of Supervisors, be and is hereby granted to Rickard and Gleason to erect and maintain a grand stand until July 31, 1910, to be used for the purpose of seating the patrons of the Jeffries-Johnson boxing exhibition to be held July 4, 1910, at Central Park, situate at Eight and Market streets, provided said grand stand shall be erected under the supervision of the Board of Public Works and the Fire Department.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Healy, Herget, Hocks, Kelly, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—15.

Relative to Payment of Teachers' Salaries.

Supervisor Walsh introduced the following:

Resolution No. — (New Series), as follows:

Whereas, There is in this city a number of school teachers that justly claim about eleven thousand (\$11,000) dollars back salary, and

Whereas, The Board of Education are putting them off from time to time through some cause or another; therefore be it

Resolved, That this Board of Supervisors instruct said Board of Education to pay those teachers the back salary due them.

Privilege of the Floor.

Miss M. Burke, representing school teachers, addressed the Board, declaring that while the Board of Education acknowledged the moral obligation of the City to pay the back salary due school teachers, they were unwilling, as a Board, to provide money for that purpose, and had referred her to the courts for the adjustment of the claims. She declared that it was unjust to compel herself and others who were striving for their rights to bear the expense of court proceedings, especially as the individual amounts due were small.

Motion.

Supervisor McLaughlin moved that the matter be referred to the Education Committee.

Motion carried.

Announcement.

Whereupon, Supervisor McLaughlin announced that the matter will be taken up in a meeting of the Education Committee on June 11, 1910, at 10:30 o'clock a. m.

Referred.

The following matters were referred by Supervisor Walsh:

Municipal Employment Bureau.

Bill No. 1353, Ordinance No. — (New Series), entitled, "An Ordinance providing for the establishment and

maintenance of a municipal employment bureau."

Ordered referred to the Charities and Corrections Committee.

Protest Against Stable at No. 2037 Fifteenth Street.

Protest—Of J. H. Plante, against maintenance of stable of one Mauritz Mader at premises No. 2037 Fifteenth street.

Ordered referred to the Hospital and Health Committee, and Clerk directed to request report thereon from Chief of Police.

ADJOURNMENT.

There being no further business the Board, at the hour of 5:35 o'clock p. m., adjourned.

W. R. HAGERTY, Clerk.

Approved by the Board of Supervisors, June 13, 1910.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, W. R. Hagerty, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated, and approved as above recited.

ROLL CALL FOR PETITIONS FOR MEMBERS.

Referred.

Treasurer to Accept Report of Messrs. McLaren-Good & Co. as to Condition of Special Funds and to Open a Deficiency Account for Shortage of the Former Treasurer.

Supervisor Herget presented the following:

Whereas, Messrs. McLaren-Good & Co., certified Public accountants, were duly appointed by the Board of Supervisors of this City and County, under contract, for the purpose of ascertaining the true condition of the various funds of the Treasurer's office in relation to the alleged shortage of \$90,-658.00 and

Whereas, Their investigation shows conclusively that the said sum of \$90,-658.00 has been embezzled from the money of said office of the Treasurer of this City and County, prior to the term of the present Treasurer, commencing January 8, 1908, and

Whereas, The books of special accounts in the Treasurer's office have been so falsified for the purpose of covering up said embezzlement, that they fail to show said shortage, and

Whereas, The Treasurer is now working on his annual report for publication, it is of the utmost importance that a correct and true statement

of the special funds be furnished—be it therefore

Resolved, That the Treasurer be, and he is hereby authorized to accept the report of Messrs. McLaren-Good & Co., which findings have been confirmed by Wm. Dolge, C. P. A., as to the true conditions of the special funds and to open new subsidiary ledgers for these special funds, on the figures submitted by said accountants, and the Treasurer is further ordered to enter a deficiency account on the general ledger, which account shall be eliminated when said shortage is made good by the bondsmen of the former Treasurer.

Ordered referred to the Judiciary Committee.

Request of Board of Health for Merging of Salaries and Maintenance Funds of Central Office for Fiscal Year 1910-11.

Also, *Communication*—From Board of Health, requesting that the salary and maintenance funds of the Central Office for the fiscal year 1910-11 be merged.

Indefinite Postponement.

The following entitled Bill, heretofore passed for printing, was taken up and, on motion of Supervisor McLaughlin, *indefinitely postponed*:

Suspension of Dollar Limit of Taxation.

Bill No. 1345, Ordinance No. — (New Series). Determining and declaring that a great necessity and emergency exists within the City and County of San Francisco, and setting forth the character of such necessity and emergency which requires that the limitation of taxation contained in Section 11 of Chapter 1 of Article III of the Charter of the City and County of San Francisco be temporarily suspended; temporarily suspending such limitation so as to enable the Supervisors to provide for such necessity and emergency, and increasing the rate of taxation for the fiscal year

ending June 30, 1911, over and above that authorized to be levied by said Section 11 of Chapter I of Article III of said Charter; and authorizing and levying a tax of twenty-nine cents upon each one hundred dollars of the assessed value of property within said City and County in excess of the sum and rate provided for in said Section 11 of Chapter I of Article III of said Charter for the purpose of providing for the great necessity and emergency, and specifying for paving, grading, repaving and repairing streets, for reconstruction and repair of sewers, for construction and repairs to public buildings, for construction and equipment of Fire Department buildings, for the purchase of lands for Fire Department purposes, for the reconstruction of, repairs to and equipment of School Department buildings, for the construction and equipment of and purchase of lands for Police Department buildings, and for the continuation and enforcement of sanitary measures, for completion of the Mission street viaduct and grading of Rincon Hill.

Relative to Petition of J. A. Nougue & Company for Permission to Conduct a Laundry at No. 2123 Bush Street.

Supervisor Knowles stated that there were a number of persons in the lobby who were interested in the petition of J. A. Nougue & Company for permission to conduct a laundry at No. 2123 Bush street, and moved the suspension of the rules that said parties might be heard.

Motion carried.

Privilege of the Floor.

Whereupon, Louis Byington, representing the protestants, was granted the privilege of the floor and addressed the Board, stating that all the property owners in the block were opposed to the granting of the permit for the reason that the operation of a laundry at said locality would be a serious menace to their property on account of danger from fire. He declared, furthermore, that the vicinity of the proposed laundry was a residential section and not the proper place for such a business.

P. A. Bergerot, attorney, representing the petitioner, was also granted the privilege of the floor and addressed the Board, stating that all his client wanted was to remove his business from Pine and Fillmore streets to Bush and Fillmore streets. He submitted correspondence from certain insurance companies purporting to show that there would be no increase in insurance rates on account of the proposed laundry. He declared, furthermore, that his client intended to erect a creditable building and to conduct a legitimate business and requested that the permit to do so be granted.

Jas. Cattle, property owner, was also granted the privilege of the floor and addressed the Board and opposed the granting of the permit.

Action Deferred.

Supervisor Loughery moved the matter be laid over one week:

So ordered.

Final Passage.

The following matters heretofore passed for printing, were taken up finally passed by the following vote and numbered as follows, to wit:

Amending Order No. 3089, Requiring the Removal of Hats and Head-covering in Theaters, Moving Picture Shows and Nickelodeons.

Bill No. 1239, Ordinance No. 1195 (New Series), entitled, "Amending Section I of Order No. 3089, entitled 'Prohibiting persons from wearing hats and head-covering in theaters or places of amusement during the performance Proviso,' the provisions of which re-

quire the removal of hats in nickel-odeons and moving picture shows."

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—18.

Gough Street Franchise.

The following Bill, laid over from last meeting, was taken up:

Bill No. 1244, Ordinance No. — (New Series), entitled "Granting to A. J. Pon a franchise for a right of way and the right to construct, maintain and operate a double-track, standard-gauge railroad, together with all necessary side-tracks, turnouts, switches, curves and crossings, along Gough street, between McAllister and Market streets, in the City and County of San Francisco."

Privilege of the Floor.

E. P. E. Troy, tax payer, was granted the privilege of the floor and addressed the Board, opposing the granting of a franchise. He declared that the City was granting a valuable franchise to the United Railroads through a dummy organization, and was seriously jeopardizing the City's right to operate a cross town line on Gough street. He stated that the car lines connecting with the proposed Gough street line had only nineteen (19) years to run, whereas the Gough street franchise was granted for a term of twenty-five years. He further stated that the franchise in this respect, if granted at all, should be co-terminous with the existing franchises on connecting lines. He stated, moreover, that the United Railroads was not entitled to any special consideration from the Union Labor Board of Supervisors in the matter of granting special privileges. He declared that the granting of this franchise would divert traffic from Fillmore street to the injury of the property in that vicinity and would increase value along Gough street and in the vicinity of Valencia and Market streets where the United Railroads had large holdings.

A. J. Pon, representing the Fillmore Street Improvement Club, stated that his organization had agreed to provide the money for the construction of the road, but it was understood that the United Railroads was to carry on the work and operate the same when constructed. He disclaimed any intention on the part of his association to divert traffic from Fillmore street, stating that it was the purpose of himself and those associated with him, rather to relieve the excessive traffic now carried over the Fillmore street hill and to give that section of the City a car service commensurate with its demands.

Fred Eggers, representing the Central Mission and Hayes Valley Improvement Club, also addressed the Board, and stated that the fact that the franchise connecting the Gough street line where not co-terminous with the Gough street franchise was taken care of by the Ten Block provision of the Charter, which permitted any other company to operate its cars on the tracks of the Gough street line, thereby permitting the City's use of said street in the event of municipal ownership and operation of street railways. He urged the granting of the franchise on the ground that it would assist materially in restoring business and property values in Hayes Valley, which were destroyed by the earthquake and fire.

Final Passage.

Whereupon, the foregoing Bill was finally passed as Ordinance No. 1196 (New Series), by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—18.

NEW BUSINESS.

Stockton Street Tunnel.

Supervisor McLaughlin introduced the following resolution out of order:

Resolution No. —, Declaring it to be the intention of the Board of Supervisors to change and establish grades at certain points on Stockton street, between Sutter and Bush streets, and between California and Sacramento streets, in accordance with the recommendation of the Board of Public Works filed May 21, 1910, and determining the district which will be benefited and assessed for the payment of damages for the expense of regrading, repaving, re-sewering, residewalking and curbing said street, and the construction of a tunnel from the southerly line of Bush street to the northerly line of California street so as to conform with such changed or modified grades.

Privilege of the Floor.

W. J. Demartini, property owner, obtained the privilege of the floor and addressed the Board, requesting a postponement of the resolution, stating that himself and a number of other property owners were opposed to the proposed improvement of Stockton street and the construction of the tun-

nel therein; but on being advised that the adoption of the Resolution was merely for the purpose of testing the right of the city to proceed in this manner, he withdrew his objection.

Adopted.

Whereupon, the question being taken, the above Resolution was *adopted* as Resolution No. 6027 (New Series), by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—18.

Suspension of the Dollar Limit of Taxation.

Also, Bill No. 1554, Ordinance No. --- (New Series), as follows:

Determining and declaring that a great necessity and emergency exists within the City and County of San Francisco, and setting forth the character of such necessity and emergency which requires that the limitation of taxation contained in Section 11 of Chapter I of Article III of the Charter of the City and County of San Francisco be temporarily suspended; temporarily suspending such limitation so as to enable the Supervisors to provide for such necessity and emergency, and increasing the rate of taxation for the fiscal year ending June 30, 1911, over and above that authorized to be levied by said Section 11 of Chapter I of Article III of said Charter; and authorizing and levying a tax of twenty-nine cents upon each one hundred dollars of the assessed value of property within said City and County in excess of the sum and rate provided for in said Section 11 of Chapter I of Article III of said Charter for the purpose of providing for the great necessity and emergency, and specifically for paving, grading, repaving and repairing streets, for reconstruction and repair of sewers, for construction and repairs to public buildings, for construction and equipment of Fire Department buildings, for the purchase of lands for Fire Department purposes, for the reconstruction of, repairs to and equipment of School Department buildings, for the construction and equipment of and purchase of lands for Police Department buildings, and for the continuation and enforcement of sanitary measures.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited, determined and declared that a great necessity and emergency exists within the City and County of San Francisco, which requires that the limitation of taxation contained in Section 11 of Chapter I of Article III of the Charter of said City and County be temporarily suspended, and that the character of such necessity and emergency is as follows, to wit:

On the 18th day of April, 1906, a large number of the public buildings and other structures and much

of the Fire Department equipment of said City and County were destroyed by fire, and on said day a large extent of the public sewers of said City and County were damaged and destroyed by earthquake; that a large extent of the public streets of said City and County were damaged by the combined effects of fire and earthquake; also there is danger that the bubonic plague prevalent in 1907, may recur, and provision should be made to prevent such recurrence; that it has been impossible to pave, repave and repair streets, reconstruct and repair sewers, construct and repair the public buildings destroyed and damaged as aforesaid in April, 1906, from the appropriations heretofore made, and the great necessity and emergency hereby declared to exist has not been adequately provided for by previous tax levies made by the Board of Supervisors.

Section 2. That by reason of the great necessity and emergency herein set forth, large sums of money will be required to be expended by the City and County during the fiscal year ending June 30, 1911, for the paving, grading, repaving and repairing of streets, for the reconstruction and repair of sewers, construction of and repairs to public buildings, for the construction and equipment of Fire Department buildings, for the purchase of lands for Fire Department buildings, for the reconstruction of, repairs to and equipment of School Department buildings, for the construction and equipment of Police Department buildings, and for the purchase of lands for Police Department purposes, and for the continuation and enforcement of sanitary measures. That the large sums required for the aforesaid purposes cannot be obtained from the annual income and revenue of the City and County, and said necessary expenditures cannot be made without temporarily suspending the limitation upon the rate of taxation provided for in Section 11 of Chapter I of Article III of the Charter of said City and County.

Section 3. For the reasons and for the purposes set forth in the preceding sections of this Ordinance, and under the authority conferred upon the Mayor and the Board of Supervisors by Section 13 of Chapter I of Article III of said Charter, it is hereby determined and declared that the provisions of Section 11 of Chapter I of Article III of said Charter in so far as the same fixes and limits the rate of taxation to be levied for municipal purposes is hereby temporarily suspended so as to enable the Supervisors to provide for the herein recited great necessity and emergency.

Section 4. For the purpose of raising by taxation the sum of one million one hundred and twenty-two thousand dollars appropriated in and by the budget for the fiscal year 1910-11, for the paving, grading, repaving and repairs to streets, for the construction of and repairs to sewers and for the construction of and repairs to public buildings and other structures, excepting school buildings, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of twenty-two cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of one hundred and twenty-seven thousand five hundred dollars, appropriated in and by the Budget for the fiscal year 1910-11 for the construction and equipment of Fire Department Buildings, and for the purchase of lands for Fire Department purposes, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied a tax of two and one-half cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of one hundred and two thousand dollars, appropriated in and by the Budget for the fiscal year 1910-11, for the reconstruction of, repairs to and equipment of School Department buildings, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy and there is hereby levied, a tax of two cents upon each one hundred dollars of assessed valuation within the City and County of San Francisco, as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of one hundred and two thousand dollars, appropriated in and

by the Budget for the fiscal year 1910-11 for the construction and equipment of Police Department buildings, and for the purchase of lands for Police Department purposes, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of two cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, on the assessment roll of said City and County for the fiscal year 1910-11 and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of twenty-five thousand five hundred dollars appropriated in and by the Budget for the fiscal year 1910-11, for the continuance of sanitary measures under the direction of the Board of Health and the United States Marine Hospital Service, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of one-half cent on each one hundred dollars of assessed valuation of property within said City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

The above tax, aggregating twenty-nine cents upon each one hundred dollars of assessed valuation aforesaid, herein levied and authorized to be levied, is and shall be an increase of and an addition to the rate of one dollar taxation on each one hundred dollars of assessed valuation of property within the City and County of San Francisco for the fiscal year 1910-11, and an addition to and increase of all taxes of every amount and kind authorized to be levied under and by virtue of the provisions of Section 11 of Chapter 1 of Article III of the Charter of the City and County of San Francisco.

Section 5. This Ordinance shall take effect immediately.

Ayes Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hooks, Kelly, Knowles, Longhery, McLaughlin, Minahan, Murdock, Nelson, O'Dowd, Pugh, Walsh—18.

Oil Permits.

Also, Resolution No. — (New Series). Granting permission, revocable at will of the Board of Supervisors, to Theo. Rulfs to erect and maintain a storage tank of not more than 1500 gallons capacity, in premises situate northwest corner of Pine and Leavenworth streets for the purpose of storing therein crude petroleum to be used as fuel under boilers in said premises.

Also, Resolution No. — (New Series). Granting permission, revocable at will of the Board of Supervisors, to St. Catherine's Home to erect and maintain two storage tanks of not more than 1500 gallons capacity each, in premises situate at 901 Petrero avenue, for the purpose of storing therein crude petroleum to be used as fuel under boilers in said premises.

Also, Resolution No. — (New Series). Granting permission, revocable at will of the Board of Supervisors, to Spreckels Estate Company to erect and maintain a storage tank of not more than 1500 gallons capacity, in premises situate north side of Stevenson street 400 feet east of Sixth street, for the purpose of storing therein crude petroleum to be used as fuel under boilers in said premises.

Laundry Permits.

Also, Resolution No. — (New Series). Granting permission, revocable at will of the Board of Supervisors, to Julius Breny to erect and maintain a laundry to be operated by hand power, on premises situate at No. 298 Brazil avenue, corner of London street, in strict accordance with the sanitary and fire laws and regulations of the Board of Health and the Fire Department.

Also, Resolution No. — (New Series). Granting permission, revocable at will of the Board of Supervisors, to Edward P. Simmons to erect and main-

tain a laundry to be operated by a gas engine in premises situate at No. 2636 Greenwich street, provided that the same shall be erected and maintained in strict accordance with the laws and regulations of Health and Fire Departments.

Cabinet Shop Permit.

The following Resolution was introduced by Supervisor Minehan:

Resolution No. — (New Series), as follows:

Resolved, That I. L. Golden, and Ernest Held, be and they are hereby granted permission to erect and maintain a cabinet making and wood-working establishment in premises situate at No. 3253 Sixteenth street, between Guerrero and Dolores streets, in strict accordance with Ordinance No. 313 and the Building Laws, and to the satisfaction and under the supervision of the Board of Public Works and the Fire Department.

Privilege of the Floor.

G. R. Perkins, representing the petitioner, was granted the privilege of the floor and addressed the Board, stating that Father Cummins, pastor of Mission Dolores Church, and the Sisters of the Notre Dame Convent, who were the principal protestants against granting a permit to his clients for a cabinet shop on Sixteenth street had withdrawn their opposition, and that there was no good reason now why the permit should not be granted.

He stated that the locality was a business section, and the premises of his client had been operated as a wood-working shop for a number of years by its previous occupant.

J. L. Polito, property owner, representing the protestants also addressed the Board, opposing the granting of the permit on the ground that the locality was a strictly residential section. He declared that there was much vacant property in the business section of San Francisco idle and unoccupied, suitable for such purposes.

Refused Passage.

Whereupon the foregoing resolution was *refused passage* by the following vote:

Ayes—Supervisors Minehan, Pugh—2.
Noes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Walsh—16.

Adopted.

The following resolutions were *adopted*:

six-foot concrete sewer beneath its real estate, tracks, buildings and other appurtenances now or hereafter existing in the City and County of San Francisco, State of California, in the University Mound and Silver Terrace District."

Also, Bill No. 1357, Ordinance No. — (New Series), entitled, "Accepting a grant from the Southern Pacific Company to the City and County of San Francisco of the right to construct, reconstruct, maintain and operate a ten-inch, vitrified ironstone pipe sewer beneath its real estate, tracks, buildings and other appurtenances now or hereafter existing in the City and County of San Francisco, State of California, as follows, to wit:

"Commencing at a point in the westerly right of way of Southern Pacific Company, opposite and distant northwesterly 50 feet at right angles from Engineer Station 61x33.5, thence 33 feet northeasterly to manhole in existing sewer opposite and distant at right angles 28 feet northwesterly from Engineer Station 61x09.5.

"Whereas, The Board of Public Works did, on the 20th day of May, 1910, recommend to the Board of Supervisors that the offer of the Southern Pacific Company to grant an easement across their right of way for the construction of a sewer at the easterly termination of Fairmount street, and the right to construct, reconstruct, maintain and operate a ten-inch, vitrified ironstone pipe sewer beneath its real estate, tracks, buildings and other appurtenances."

Ordering Sewer Work.

Also, Bill No. 1358, Ordinance No. — (New Series), entitled "Ordering the construction of sewers and appurtenances in Sunnyside District, approving and adopting plans and specifications and authorizing the Board of Public Works to enter into contract for doing said work at an estimated cost of twenty thousand dollars (\$20,000), out of the proceeds of sale of Sewer Bonds, issue of 1904, for doing of said work, and authorizing progressive payments therefor to be made in the manner set forth in the specifications for said work."

Fixing Sidewalk Widths on Fairmount Street, Between Chenery and Whitney Streets.

Also, Bill No. 1359, Ordinance No. — (New Series), entitled, "Amending Ordinance No. 1061, entitled, 'Regulating the width of sidewalks,' approved December 18th, 1903, by adding thereto a new section, to be numbered three hundred and eighty-four."

Establishing Grades, Hancock Street, Between Noe and Sanchez.

Also, Bill No. 1360, Ordinance No. — (New Series), entitled, "Establishing grades at certain points on Hancock street, between Noe and Sanchez streets."

Full Acceptance Aldine Street From Waller Street Easterly.

Also, Bill No. 1361, Ordinance No. — (New Series), entitled, "Providing for full acceptance of the roadway of Aldine street, between Waller street and its easterly termination."

Ordering Street Work.

Also, Bill No. 1362, Ordinance No. — (New Series), entitled, "Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same," the provisions of which order the following street work:

That artificial stone sidewalks be constructed in Laguna street, between Pacific avenue and Broadway;

That artificial stone sidewalks be constructed in Linden street, between Octavia and Gough streets;

That artificial stone sidewalks be constructed on the angular corners of the crossing of Cole street and Parnassus avenue;

That artificial stone sidewalks be constructed in Broderick street, between Filbert and Greenwich streets;

That artificial stone sidewalks be constructed in Church street, between Duboce avenue and Reservoir street;

That artificial stone sidewalks be constructed in Nineteenth street, between Castro and Diamond streets;

That artificial stone sidewalks be constructed in Valencia street, between Eighteenth and Nineteenth streets;

That artificial stone sidewalks be constructed in Fifteenth street, between Guerrero and Dolores streets;

That the easterly half of Buena Vista Terrace, opposite the termination of Fourteenth street be improved by paving the roadway thereof with an asphalt pavement, by construction of a brick cesspool with appurtenances and a 10-inch vitrified, salt-glazed, ironstone pipe culvert on the northeasterly-angular corner thereof, and by resetting of granite curbs.

Extension of Time, Sewer Work.

Also Resolution No. — (New Series), Granting the Contra Costa Construction Company an extension of thirty days' time, from and after June 24, 1910, within which to complete the contract for the construction of sewers

and appurtenances in the Bay View District.

This extension of time is granted upon the recommendation of the Board of Public Works, filed June 3, 1910, for the reason that on account of the inclemency of the weather contractor was unable to finish the work in the required time.

Adopted.

The following Resolution was adopted:

Southern Pacific Company Permitted to Remove Its Tracks on Division Street to Adjoining Property.

On motion of Supervisor McLaughlin: Resolution No. 6032 (New Series), as follows:

Whereas, The Southern Pacific Company now maintains and operates along Division street from the intersection with Potrero avenue, westerly and southerly to its intersection with Harris street at or near Sixteenth street, a double track railroad, and

Whereas, The Southern Pacific Company desires as far as feasible to abandon the use of said Division street as and for its railroad right of way, and to move therefrom on to its private property abutting said street its railroad tracks; now, therefore,

Resolved, That the Southern Pacific Company be and is hereby granted permission to move its said railroad tracks from the roadway of Division street, southerly and easterly to and upon the abutting private property; and for the purpose of such removal of said tracks from the roadway of Division street southerly and easterly and upon said abutting private property, to construct said tracks across any public street intervening with said abutting property.

Fixing and Determining Water Rates for the Fiscal Year 1910-11.

The following Bill, left over from last meeting, was taken up:

Bill No. 1226, Ordinance No. — (New Series), entitled, "Regulating the monthly rates of compensation to be collected by any person, company or corporation engaged in the business of supplying water to the inhabitants of the City and County of San Francisco for family uses, for private purposes, for municipal uses and for all public purposes of said City and County for the year commencing July 1, 1910, and ending June 30, 1911."

Report of Joint Committee on Water Rates and Public Utilities.

Thereupon, Supervisor Nelson presented the following report:

San Francisco, Calif., June 13, 1910.
To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen—Your Joint Committee on Water Rates and Public Utilities, to whom was referred the Ordinance fixing water rates for the fiscal year commencing July 1, 1910, together with majority report and minority report therein, begs leave to report having taken additional testimony submitted by the Spring Valley Company and the representatives of the shipping interests.

President Bourn, for the Spring Valley Water Company, offered to accept the rate by which the Company is now collecting under the injunction, together with a \$5.00 hydrant rate, and will agree to a reduction in the shipping rate.

This would mean an increase of 15 per cent on the rate-payer and an increase of approximately \$120,000 from the tax-payer on the hydrant appropriation.

While your Committee believes that the present rates are a hardship on the shippers, it is impossible at this time to remedy the matter by an increase in the hydrant rates, for the reason that the budget has already been passed and no money is available to meet the increase.

Your Committee, believing that the prohibition of revenue for the Company should not be made a burden on any class of rate-payers, and that rates should be so equalized as to be measurable and reasonably just to all, would recommend that when rates are again considered some feasible measures be taken to bring about a radical relief to the shipping interests.

The time is very short when this Board is required by statute to fix a water rate, and for that reason as well as for the reasons set forth in the majority report of the Water Rates Committee, we recommend the passage of the Ordinance already submitted.

Yours truly,

CHAS. A. NELSON,
T. L. O'DAWD,
JOHN L. HERGET,
W. L. PUGH,
J. O. WALSH.

Read and ordered filed.

Minority Report on Water Rates for 1910-11.

Whereupon, Supervisor Mordock presented the following:

June 13, 1910.

To the Board of Supervisors,—

Being unconvinced that the nominal water rates of last year, rendered inoperative through an injunction compelling a 15 per cent advance, afford the fair return on a reasonable valua-

tion that we are called upon to allow, I cannot join in the report recommending its adoption. I favor an increase of ten per cent, which is an actual decrease of five per cent on the rate collected. I believe it fairly called for and that if adopted the company will not be able to secure an injunction.

Including the 15 per cent collected under injunction the company has been able to pay 4 per cent dividends on its capital stock, and the loss of \$100,000.00 which will be saved to consumers by the adoption of the amendment I propose will, in my judgment, not constitute an impairment sufficient to justify any judge in granting an injunction.

If a rate is adopted that a court can justify the city will gain standing room for compelling the company to furnish water to consumers not now adequately supplied, and to give additional protection against fire.

Whatever action may be taken in regard to the general rate, the price for water furnished to shipping through connection with the company's mains should be modified, and I recommend that for the coming year it shall not exceed double the rates provided for ordinary meter service.

The budget having been adopted and no funds being otherwise available, I would recommend no change in the hydrant rate this year. If at the end of the year it is shown that the change has materially decreased the company's income, the fact can be taken into consideration in fixing the rates for 1911.

Very respectfully,

CHAS. A. MURDOCK:

Read and ordered filed.

Privilege of the Floor.

Captain Hibbard, representing the Steamship Companies, was granted the privilege of the floor, and stated that unless the bill provided a material reduction in water rates for shipping in San Francisco, that the steamship companies would be obliged to purchase their water and take their business elsewhere. He declared that his company had already purchased a barge for conveying water and was preparing to obtain their supply of water from outside sources. He declared that other companies were docking at Oakland or were making similar preparations to get water from other sources.

Amendment.

Senator Murdock moved to amend as follows:

Meter Rate for Shipping.

Water shall be furnished and delivered by meter measurement to ship-

ping along side of the bulkhead or at any of the wharves on the water front where water pipes or mains are laid between the hours of 6 o'clock a. m. and 6 o'clock p. m. daily, upon application being made therefor, at the following rates:

When supplied by reel and hose cart, \$1.50 per one thousand gallons.

When supplied by connection with water pipes at rates that shall not exceed double the regular meter rate established by Section 10.

The minimum charge for each separate delivery to be 50 cents.

Amendment carried by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Knowles, Loughery, McLaughlin, Minehan, Murdock, Walsh—13.

Noes—Supervisors Kelly, Nelson, O'Dowd, Pugh—4.

Absent—Supervisor Minehan—1.

Amendment Lost.

Supervisor Murdock moved to amend as follows:

Resolved, that the rates for water to all private consumers as proposed by the majority of the Water Committee, be increased 10 per cent, and as so amended that it be passed to print.

Notion lost by the following vote:

Ayes—Supervisors Harris, Murdock

—2.

Noes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Nelson, O'Dowd, Pugh, Walsh—15.

Absent—Supervisor Minehan.

Passed for Printing.

Whereupon, Bill No. 1336, as amended, and in words and figures following, was passed for printing by the following vote:

Bill No. 1336, Ordinance No. — (New Series.) Regulating the monthly rates of compensation to be collected by any person, company or corporation engaged in the business of supplying water to the inhabitants of the City and County of San Francisco for family uses, for private purposes, for municipal uses and for all public purposes of said City and County for the year commencing July 1, 1910, and ending June 30, 1911.

Be it ordained by the People of the City and County of San Francisco as follows:

That the monthly rates of compensation for supplying water shall be as follows:

The next 10,000 cubic feet used (between 40,000 and 50,000 cubic feet) shall be charged for at the rate of fifteen (15) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 50,000 and 60,000 cubic feet) shall be charged for at the rate of fourteen (14) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 60,000 and 70,000 cubic feet) shall be charged for at the rate of thirteen (13) cents per 100 cubic feet.

All water used in excess of 70,000 cubic feet per month to be charged for at the rate of twelve (12) cents per 100 cubic feet.

No monthly meter bill to be less than one and 80-100 dollars (\$1.80), except as hereinafter provided.

Upon application of any ratepayer the Board of Supervisors shall reserve the right upon a proper showing of cause, to require the company to put in a meter and charge meter rates for any consumer of water, on such conditions as the Board may impose as to the rental when meter is not actually used.

Meter Rates for Shipping.

Water shall be furnished and delivered by meter measurement to shipping lying alongside of the bulkhead or any of the wharves on the waterfront where water pipes or mains are laid, between the hours of 6 o'clock a. m. and 6 o'clock p. m., daily, upon application being made therefor, at the following rates: When supplied by reel

and hose cart, \$1.50 per 1000 gallons. When supplied by connection with water pipes, at rates that shall not exceed double the regular meter rates established by Section 10. The minimum charge for each separate delivery to be fifty (50) cents.

No water boat furnishing and supplying water to shipping lying at anchor within the limits of the wharves of the City and County of San Francisco shall charge a rate to exceed three dollars (\$3.00) per 1000 gallons.

Hydrant Rates.

Section 11. The rates of compensation to be collected for water supplied by and through hydrants to the City and County of San Francisco shall be two dollars and fifty cents (\$2.50) per month for each hydrant for fire purposes and flushing of sewers.

Prevention of Waste.

Section 12. Prevention of waste or excessive use:

In no case where the fixed rates above provided, other than meter rates, are applicable, shall any charge for water be made by meter rates, it being the purpose of this Ordinance to provide for all dwelling houses a fixed monthly rate, which shall not be increased by the person, company or corporation supplying water.

Provided, however, that for the purpose of discovering and repressing waste or excessive use, all persons, companies or corporations shall have the right in all cases to apply and maintain meters to measure the water used or consumed, and to charge and collect for waste or excessive use under the condition and to the extent heretofore provided in this section, and not otherwise.

No consumer shall be deemed guilty of waste or excessive use unless the water used or consumed upon his premises in any month shall exceed by fifty (50) per cent the number of cubic feet which at regular meter rates amount to his rated bill, in which case such excess shall be deemed waste or excessive use.

Immediately after the discovery of any waste or excessive use, the consumer shall be notified thereof by the person, company or corporation supplying water by notice mailed to his address or to the agent or person to whom his water bills are presented for collection.

After such notice the consumer may be charged and there may be collected from him for any waste or excessive use thereafter occurring upon his premises at regular meter rates, but such charge or collection shall not exceed for the first month the sum of two dollars (\$2.00), for the second month

the sum of four dollars (\$4.00), or for any following month the sum of five dollars (\$5.00).

Board of Public Works to Examine Complaints, Etc.

It shall be the duty of the Board of Public Works, by its Gas, Water and Electrical Inspector of this City and County, to inquire into all cases of complaints by water consumers as to charges made against them for waste or excessive use under the foregoing provisions of this section, and to adjust such charge as follows:

Any water consumer against whom a water bill is presented containing a charge for waste or excessive use of water may within five days after such bill is presented to him (provided that he first pay the fixed rate charged on such bill, exclusive of the charge made for said alleged waste or excessive use) make complaint to said inspector that such charge is incorrect, whereupon the said inspector shall promptly inspect the premises of the consumer so complaining and cause a test to be made of the water meter upon said premises, and from such inspection and test and subsequent inspection and test as said inspector may see fit and proper to make shall determine as near as can be the amount of water used, consumed or wasted upon said premises during the period covered by said bill. As soon as such determination is made and within twenty (20) days after the said complaint is made, said inspector shall make a certificate stating the amount of water so determined to have been used, consumed or wasted, and showing the true and correct amount, if anything, which may be charged against and collected from said consumer under the foregoing provisions of this section for waste or excessive use, and shall immediately transmit such certificate to the person, company or corporation supplying water, and also a copy thereof by mail to the water consumer.

The said certificate shall be conclusive between the water consumer and said person, company or corporation as to the amount, if anything, which said person, company or corporation shall be entitled to collect from the consumer for waste or excessive use of water during the period covered by the bill of which complaint is made; provided, however, that if either the consumer or the water company is dissatisfied with the certificate of the water inspector, appeal may be taken within five (5) days to the Committee on Water Rates of the Board of Supervisors, which shall, within five (5) days after such appeal hear and finally determine the matter in dispute.

The said inspector shall keep in his

office a proper record or records, showing the date of each complaint made to him, the name of the consumer complaining, the location of his premises, and stating briefly the inspection made by him of the premises and the tests applied to the meter, the time or times of such inspection and tests, and the results thereof, with the reading of the meter at each test or inspection, and all other material facts connected therewith. Such records so kept to be open for public examination in his office.

Rates—When Payable.

Section 13. All water rates, except meter rates and City and County rates, are due and payable monthly in advance.

Meter and City and County rates are due and payable at the end of each month, and upon meter rates a deposit not exceeding three-fourths ($\frac{3}{4}$) of the value of the estimated quantity of water to be consumed may be required.

Notice of discontinuance.

Section 14. Any consumer may at any time, upon payment of accrued rates, notify the company in writing to cut off or discontinue the water supply upon his premises, after which no charge shall be made for water for said premises until the use of water is resumed.

Maximum Rates Fixed.

Section 15. This ordinance fixes the maximum beyond which no person, company or corporation shall be permitted to charge for water supplied.

Suspension of the Dollar Limit of Taxation.

Bill No. 1254, Ordinance No. 1208 (New Series), as follows:

Determining and declaring that a great necessity and emergency exists within the City and County of San Francisco, and setting forth the character of such necessity and emergency which requires that the limitation of taxation contained in Section 11 of Chapter I of Article III of the Charter of the City and County of San Francisco be temporarily suspended; temporarily suspending such limitation so as to enable the Supervisors to provide for such necessity and emergency, and increasing the rate of taxation for the fiscal year ending June 30, 1911, over and above that authorized to be levied by said Section 11 of Chapter I of Article III of said Charter; and authorizing and levying a tax of twenty-nine cents upon each one hundred dollars of the assessed value of property within said City and County in excess of the sum and rate provided for in said Section 11 of Chapter I of Article III of said Charter for the purpose of providing for the great necessity and emergency, and specifically for paving, grading, repaving and repairing streets, for reconstruction and repair of sewers, for construction and repairs to public buildings, for construction and equipment of Fire Department buildings, for the purchase of lands for Fire Department purposes, for the reconstruction of, repairs to and equipment of School Department buildings, for the construction and equipment of and purchase of lands for Police Department buildings, and for the continuation and enforcement of sanitary measures.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited, determined and declared that a great necessity and emergency exists within the City and County of San Francisco, which requires that the limitation of taxation contained in Section 11 of Chapter I of Article III of the Charter of said City and County be temporarily suspended, and that the character of such necessity and emergency is as follows, to wit:

On the 18th day of April, 1906, a large number of the public buildings and other structures and much of the Fire Department equipment of said City and County were destroyed by fire, and on said

day a large extent of the public sewers of said City and County were damaged and destroyed by earthquake; that a large extent of the public streets of said City and County were damaged by the combined effects of fire and earthquake; also there is danger that the bubonic plague prevalent in 1907, may recur, and provision should be made to prevent such recurrence; that it has been impossible to pave, repave and repair streets, reconstruct and repair sewers, construct and repair the public buildings destroyed and damaged as aforesaid in April, 1906, from the appropriations heretofore made, and the great necessity and emergency hereby declared to exist has not been adequately provided for by previous tax levies made by the Board of Supervisors.

Section 2. That by reason of the great necessity and emergency herein set forth, large sums of money will be required to be expended by the City and County during the fiscal year ending June 30, 1911, for the paving, grading, repaving and repairing of streets, for the reconstruction and repair of sewers, construction of and repairs to public buildings, for the construction and equipment of Fire Department buildings, for the purchase of lands for Fire Department buildings, for the reconstruction of, repairs to and equipment of School Department buildings, for the construction and equipment of Police Department buildings, and for the purchase of lands for Police Department purposes, and for the continuation and enforcement of sanitary measures. That the large sums required for the aforesaid purposes cannot be obtained from the annual income and revenue of the City and County, and said necessary expenditures cannot be made without temporarily suspending the limitation upon the rate of taxation provided for in Section 11 of Chapter I of Article III of the Charter of said City and County.

Section 3. For the reasons and for the purposes set forth in the preceding sections of this Ordinance, and under the authority conferred upon the Mayor and the Board of Supervisors by Section 13 of Chapter I of Article III of said Charter, it is hereby determined and declared that the provisions of Section 11 of Chapter I of Article III of said Charter in so far as the same fixes and limits the rate of taxation to be levied for municipal purposes is hereby temporarily suspended so as to enable the Supervisors to provide for the herein recited great necessity and emergency.

Section 4. For the purpose of raising by taxation the sum of one million one hundred and twenty-two

thousand dollars appropriated in and by the budget for the fiscal year 1910-11, for the paving, grading, repaving and repairs to streets, for the construction of and repairs to sewers and for the construction of and repairs to public buildings and other structures, excepting school buildings, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of twenty-two cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of one hundred and twenty-seven thousand five hundred dollars, appropriated in and by the Budget for the fiscal year 1910-11 for the construction and equipment of Fire Department Buildings, and for the purchase of lands for Fire Department purposes, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied a tax of two and one-half cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of one hundred and two thousand dollars, appropriated in and by the Budget for the fiscal year 1910-11, for the reconstruction of, repairs to and equipment of School Department buildings, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy and there is hereby levied, a tax of two cents upon each one hundred dollars of assessed valuation within the City and County of San Francisco, as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of one hundred and two thousand dollars, appropriated in and by the Budget for the fiscal year 1910-11 for the construction and equipment

of Police Department buildings, and for the purchase of lands for Police Department purposes, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of two cents upon each one hundred dollars of assessed valuation of property within the City and County of San Francisco as the same appears, or will appear, on the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

For the purpose of raising by taxation the sum of twenty-five thousand five hundred dollars appropriated in and by the Budget for the fiscal year 1910-11, for the continuance of sanitary measures under the direction of the Board of Health and the United States Marine Hospital Service, the same being the great necessity and emergency herein set forth, the Board of Supervisors is hereby authorized to levy, and there is hereby levied, a tax of one-half cent on each one hundred dollars of assessed valuation of property within said City and County of San Francisco as the same appears, or will appear, upon the assessment roll of said City and County for the fiscal year 1910-11, and the proceeds of such tax shall be applied to the aforesaid purposes and as specified in said Budget.

The above tax, aggregating twenty-nine cents upon each one hundred dollars of assessed valuation aforesaid, herein levied and authorized to be levied, is and shall be an increase of and an addition to the rate of one dollar taxation on each one hundred dollars of assessed valuation of property within the City and County of San Francisco for the fiscal year 1910-11, and an addition to and increase of all taxes of every amount and kind authorized to be levied under and by virtue of the provisions of Section 11 of Chapter I of Article III of the Charter of the City and County of San Francisco.

Section 5. This Ordinance shall take effect immediately.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Walsh—17.

Fire Pipes.

Section 9. Meters shall be applied to all pipes used specially for fire protection, and monthly bills shall be charged for the same at regular meter rates, provided, however, that the monthly bill shall not be less than fifty (50) cents for each one-half ($\frac{1}{2}$) inch of diameter of pipe used.

Meter Rates.

Section 10. Water furnished for any and all purposes not embraced in the above shall be supplied by meter at the following rates:

The first 2000 cubic feet used (between 0 and 2000 cubic feet) shall be charged for at the rate of twenty-five (25) cents per 100 cubic feet.

The next 2000 cubic feet used (between 2000 and 4000 cubic feet) shall be charged for at the rate of twenty-four (24) cents per 100 cubic feet.

The next 2000 cubic feet used (between 4000 and 6000 cubic feet) shall be charged for at the rate of twenty-two (22) cents per 100 cubic feet.

The next 2000 cubic feet used (between 6000 and 8000 cubic feet) shall be charged for at the rate of twenty-one (21) cents per 100 cubic feet.

The next 2000 cubic feet used (between 8000 and 10,000 cubic feet) shall be charged for at the rate of twenty (20) cents per 100 cubic feet.

The next 5000 cubic feet used (between 10,000 and 15,000 cubic feet) shall be charged for at the rate of nineteen (19) cents per 100 cubic feet.

The next 5000 cubic feet used (between 15,000 and 20,000 cubic feet) shall be charged for at the rate of eighteen (18) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 30,000 and 40,000 cubic feet) shall be charged for at the rate of

fifteen (15) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 40,000 and 50,000 cubic feet) shall be charged for at the rate of fifteen (15) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 50,000 and 60,000 cubic feet) shall be charged for at the rate of fourteen (14) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 60,000 and 70,000 cubic feet) shall be charged for at the rate of thirteen (13) cents per 100 cubic feet.

All water used in excess of 70,000 cubic feet per month to be charged for at the rate of twelve (12) cents per 100 cubic feet.

No monthly meter bill to be less than one and 80-100 dollars (\$1.80), except as hereinafter provided.

Upon application of any ratpayer the Board of Supervisors shall reserve the right, upon a proper showing of cause, to require the company to put in a meter and charge meter rates for any consumer of water, on such conditions as the Board may impose as to the rental when meter is not actually used.

Meter Rates for Shipping.

Water shall be furnished and delivered by meter measurement to shipping lying alongside of the bulkhead or any of the wharves on the waterfront where water pipes or mains are laid, between the hours of 6 o'clock a. m. and 6 o'clock p. m., daily, upon application being made therefor, at the following rates: When supplied by reel and hose cart, \$1.50 per 1000 gallons. When supplied by connection with water pipes, at rates that shall not exceed double the regular meter rates established by Section 10. The minimum charge for each separate delivery to be fifty (50) cents.

No water boat furnishing and supplying water to shipping lying at anchor within the limits of the wharves of the City and County of San Francisco shall charge a rate to exceed three dollars (\$3.00) per 1000 gallons.

Hydrant Rates.

Section 11. The rates of compensation to be collected for water supplied by and through hydrants to the City and County of San Francisco shall be two dollars and fifty cents (\$2.50) per month, for each hydrant for fire purposes and flushing of sewers.

Prevention of Waste.

Section 12. Prevention of waste or excessive use:

In no case where the fixed rates above provided, other than meter rates, are applicable, shall any charge for water be made by meter rates, it being the purpose of this Ordinance to provide for all dwelling houses a fixed

monthly rate, which shall not be increased by the person, company or corporation supplying water.

Provided, however, that for the purpose of discovering and repressing waste or excessive use, all persons, companies or corporations shall have the right in all cases to apply and maintain meters to measure the water used or consumed, and to charge and collect for waste or excessive use under the condition and to the extent hereafter provided in this section, and not otherwise.

No consumer shall be deemed guilty of waste or excessive use unless the water used or consumed upon his premises in any month shall exceed by fifty (50) per cent the number of cubic feet which at regular meter rates amount to his rated bill, in which case such excess shall be deemed waste or excessive use.

Immediately after the discovery of any waste or excessive use, the consumer shall be notified thereof by the person, company or corporation supplying water by notice mailed to his address or to the agent or person to whom his water bills are presented for collection.

After such notice the consumer may be charged and there may be collected from him for any waste or excessive use thereafter occurring upon his premises at regular meter rates, but such charge or collection shall not exceed for the first month the sum of two dollars (\$2.00), for the second month the sum of four dollars (\$4.00), or for any following month the sum of five dollars (\$5.00).

Board of Public Works to Examine Complaints, Etc.

It shall be the duty of the Board of Public Works, by its Gas, Water and Electrical Inspector of this City and County, to inquire into all cases of complaints by water consumers as to charges made against them for waste or excessive use under the foregoing provisions of this section, and to adjust such charge as follows:

Any water consumer against whom a water bill is presented containing a charge for waste or excessive use of water may within five days after such bill is presented to him (provided that he first pay the fixed rate charged on such bill, exclusive of the charge made for said alleged waste or excessive use) make complaint to said inspector that such charge is incorrect, whereupon the said inspector shall promptly inspect the premises of the consumer so complaining and cause a test to be made of the water meter upon said premises, and from such inspection and test and subsequent inspection and

test as said inspector may see fit and proper to make shall determine as near as can be the amount of water used, consumed or wasted upon said premises during the period covered by said bill. As soon as such determination is made and within twenty (20) days after the said complaint is made, said inspector shall make a certificate stating the amount of water so determined to have been used, consumed or wasted, and showing the true and correct amount, if anything, which may be charged against and collected from said consumer under the foregoing provisions of this section for waste or excessive use, and shall immediately transmit such certificate to the person, company or corporation supplying water, and also a copy thereof by mail to the water consumer.

The said certificate shall be conclusive between the water consumer and said person, company or corporation as to the amount, if anything, which said person, company or corporation shall be entitled to collect from the consumer for waste or excessive use of water during the period covered by the bill of which complaint is made; provided, however, that if either the consumer or the water company is dissatisfied with the certificate of the water inspector, appeal may be taken within five (5) days to the Committee on Water Rates of the Board of Supervisors, which shall, within five (5) days after such appeal hear and finally determine the matter in dispute.

The said inspector shall keep in his office a proper record or records, showing the date of each complaint made to him, the name of the consumer complaining, the location of his premises, and stating briefly the inspection made by him of the premises and the tests applied to the meter, the time or times of such inspection and tests, and the results thereof, with the reading of the meter at each test or inspection, and all other material facts connected therewith. Such records so kept to be open for public examination in his office.

Rates—When Payable.

Section 13. All water rates, except meter rates and City and County rates, are due and payable monthly in advance.

Meter and City and County rates are due and payable at the end of each month, and upon meter rates a deposit not exceeding three-fourths ($\frac{3}{4}$) of the value of the estimated quantity of water to be consumed may be required.

Notice of discontinuance.

Section 14. Any consumer may at any time, upon payment of accrued rates, notify the company in writing to cut off or discontinue the water supply

upon his premises, after which no charge shall be made for water for said premises until the use of water is resumed.

Maximum Rates Fixed.

Section 15. This ordinance fixes the maximum beyond which no person, company or corporation shall be permitted to charge for water supplied.

NEW BUSINESS.

Authorizing Payment of Teachers' Back Salaries.

Supervisor McLaughlin presented the following:

Resolution No. — (New Series), as follows:

Whereas, There is in this city a number of school teachers that justly claim eleven thousand, three hundred and ninety-three (\$11,293.00) dollars back salary; and

Whereas, The Board of Education are putting them off from time to time through some cause or another; therefore be it

Resolved, That this Board of Supervisors request said Board of Education to pay those teachers the back salary due them.

Substitute Resolution.

Whereupon Supervisor Murdock presented the following substitute Resolution, and moved its adoption:

Resolution No. — (New Series), as follows:

Whereas, It is claimed on the part of certain teachers that the Board of Education is withholding back salaries to which they are entitled, and whereas, the Board of Supervisors

is not a Court of Appeal, and has no control over funds appropriated by them for the Department of Education, therefore be it

Resolved, That the matter brought before us on petition be referred to the Board of Education with a request that it be taken up without delay, that the claims, if legal, may be promptly paid and that if the Board decided that it cannot legally pay them, that the claimants may have recourse to the courts to establish their rights.

Resolution lost by the following vote:

Ayes—Supervisors Bancroft, Cutten—2.

Noes—Supervisors Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Walsh—15.

REPORTS OF COMMITTEES.

The following Committees, by their respective Chairmen, presented reports on various matters referred, which reports were received, read and ordered placed on file:

Artificial Lights Committee, on referred matters—Supervisor Walsh, Chairman.

Charities and Corrections Committee, on referred matters—Supervisor Deasy, Chairman.

Finance Committee, on referred matters—Supervisor Kelly, Chairman.

Fire Committee, on referred matters—Supervisor Knowles, Chairman.

Hospital and Health Committee, on referred matters—Supervisor Healy, Chairman.

Printing Committee, on award of contracts—Supervisor Minehan, Chairman.

Public Buildings Committee, on referred matters—Supervisor Nelson, Chairman.

Report of Fire Committee on Nougue matter—Supervisor Knowles, Chairman.

Relative to the Petition of J. A. Nougue & Company for Permission to Conduct a Laundry at No. 2123 Bush Street.

The hearing in the matter of the petition of J. A. Nougue and Company for permission to conduct a laundry at premises No. 2123 Bush street, laid over from last meeting, was proceeded with:

Whereupon, Supervisor Knowles introduced the following Resolution:

Resolved, That J. A. Nougue and Company be and are hereby granted permission, revocable at will of the Board of Supervisors, to maintain and operate a laundry at 2123 Bush street, in strict accordance with the sanitary and fire laws and regulations of the Health and Fire Departments.

Privilege of the Floor.

Louis Byington, attorney, representing the protestants, was granted the privilege of the floor and addressed the Board opposing the granting of the permit. He read telegrams from the owners of the premises now occupied by J. A. Nougue and Company at Pine and Fillmore streets which declared that no attempt was being made by said owners to force the firm of J. A. Nougue from its present location and were, in fact, willing to renew the lease.

P. J. Bergerot, attorney, representing the petitioner, also addressed the Board in support of the petition. He stated that the district was a business district and that there were three nickelodeons and four saloons within 300 feet of the proposed laundry. He declared that his client intended to conduct a legitimate business and requested that he be permitted to do so.

Resolution Lost.

Whereupon, the question being taken on the above Resolution, the same was *refused passage* by the following vote:

Ayes—Supervisors Knowles, Nelson—2.

Noes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hooks, Kelly, Loughery, McLaughlin, Murdock, O'Dowd, Pugh, Walsh—15.

Award of Contract, Maintenance and Subsistence Supplies.

The following Report and Resolution, laid over from last meeting, were, on motion of Supervisor Healy, taken up:

Report of Committees.

San Francisco, Cal., June 20, 1910.
To the Honorable, the Board of Supervisors of the City and County of San Francisco.

Gentlemen:

Your Committees on Hospital and Health, Public Buildings, Streets and Police, respectfully beg leave to report that they met in the matter of award of contracts for furnishing maintenance and subsistence supplies, etc., to the City and County of San Francisco during the fiscal year beginning July 1, 1910, and ending June 30, 1911, and made awards to the lowest bidders in accordance with the specifications.

In making these awards, the committees took into consideration the quality of the goods submitted, where samples were required, and in their decisions were governed by the price, after comparison with the quality of the article. Wherever the prices submitted were believed to be too high your committees rejected all bids on these articles.

The bid of the Western Meat Company was not considered, as said bid did not comply with the specifications,

inasmuch as it contained reservations regarding the acceptance of any awards that might be made to that firm.

The bid of the California Meat Company was rejected, complaint having been made against said firm by the Department of Public Health.

The bid of Braum, Knecht & Heimann also was rejected for having failed to enclose a certified check of ten per centum of the aggregate cost of the estimated quantity required, and bid upon by said firm, the deposit of such check or a certificate of deposit being required by the specifications.

Respectfully submitted,

T. B. HEALY.

CHAS. A. NELSON.

J. L. HERGET.

Privilege of the Floor.

(Award for Whiskey.)

C. Warmuth, representing the Crown Distillery Company, was granted the privilege of the floor and addressed the Board, opposing the granting of the award for whiskey for the reason that the successful bid was on an inferior brand and that all the conditions of the specifications had not been complied with.

Referred

Supervisor Hocks moved that the bids for whiskey be recommitted to the Committee for further consideration.

Motion carried by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Herget, Hocks, Loughery, McLaughlin, Murdock, Pugh—11.

Noes—Supervisors Healy, Kelly, Knowles, Nelson, O'Dowd, Walsh—6.

Absent—Supervisor Minehan—1.

(Award for Hay.)

Supervisor McLaughlin moved that the bids for hay be stricken from the Resolution, as the price bid was greatly in excess of the market quotations and the city could probably buy to better advantage in the open market.

Amendment.

Supervisor Bancroft moved as an amendment that the bids for hay be recommitted to the committee for further consideration.

M. Sherry, representing Sherry-Freitas Company, the lowest bidder on

hay, was granted the privilege of the floor and addressed the Board, stating that he had complied with all the conditions of the specifications and the notice calling for bids, that his bid was lower by 25 cents than that submitted by the hay trust and requested that the contract be awarded to his firm.

Bids for Hay Rejected.

Supervisor Nelson moved as a substitute that all bids for hay be rejected and that new bids be called for.

Motion carried by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Absent—Supervisor Minehan—1.

(Award for Blankets.)

Edward Coleman, representing Greenbaum, Weil & Michaels, opposed the granting of the contract for comforters and blankets to the Oregon Woolen Mills. Even though the latter's bid was five or ten per cent lower than local merchants, he urged that the contract should be awarded to firms doing business in San Francisco and paying taxes for the support of the government.

A. Dreyfuss, representing Levi Strauss & Company, also addressed the Board, urging that the contract be awarded to a local firm. He declared that his firm could furnish a limited number of California-made blankets but could not furnish any great quantity of them, inasmuch as all the California woolen mills had gone out of business.

Edward F. Moran, representing the Oregon Woolen Mills, also addressed the Board, stating that Levi Strauss & Company had not complied with the conditions laid down in the specifications and notice calling for bids, inasmuch as no proposal notice was attached thereto and the same was not signed by the corporation. Therefore, he declared, the bid was void. He stated further that his clients were the lowest bidders and their bid should be accepted, that the proposal to give a part of the contract to any of the firms protesting the award would be manifestly unfair. He declared, further, that his clients would agree that all blankets furnished the city would be made from wool grown in California.

(Award for Meats.)

Edward Wolff, representing Schrader Brothers, the lowest bidder on meats, obtained the privilege of the floor and addressed the Board, requesting that his client be relieved from the necessity of furnishing a special bond and the condition requiring him to supply

government inspected meat, which condition, he declared, forced his client to patronize either the Western Meat Company or Miller & Lux. He requested permission to patronize other wholesale butchers provided the meat was satisfactory to the inspectors of the Board of Health.

Request granted.

Adopted.

Whereupon, the question being taken, the above resolution, as amended was adopted as Resolution No. 6117 (New Series) by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Adopted.

Report of Assessor on Assessment Roll of 1910-11.

San Francisco, July 5, 1910.

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen:

I transmit herewith the Assessment Rolls for the year 1910-1911.

If ever there were any doubts as to the fact that our municipal finances rest upon a sound basis, the result of the past year's work, as conducted by this office, should effectually remove the same.

These results are obtained at a time when they would scarcely be expected. It has been the history of all great catastrophies to cities, that the most violent disturbance of values has occurred from two to three years thereafter. To find at this time, more than four years after our disaster, such conditions as we have, is most gratifying and most encouraging.

Not only does our Assessment Roll show values to be well sustained, but it shows all previous records in the collection of taxes on Personal Property to be exceeded.

We have as our total assessed value of property approximately \$514,000,000, an increase of \$21,000,000 over our Roll of last year. Of this increase about \$6,000,000 is borne by our quasi-public corporations, and the remainder falls largely upon new buildings, making the assessment of buildings the greatest in the history of our city.

As justifying the increase of \$6,000,000 in the assessment of some of our quasi-public corporations, we find that their business is again equal to, if not greater than that done prior to the fire; and those reductions which were granted to them following the fire are now being taken off.

The evidence of sustained values, in the city, gratifying as it is, does not

surpass the record of cash collections on Personal Property unsecured by Real Estate. These collections, as made by the office during the past sixty days, amount to \$867,000 as against the highest previous collections in 1909, which were \$761,000.

We have also the largest collections ever made in Poll Tax, amounting to \$100,800, this representing a considerable increase in the amount to be apportioned to our city schools.

While Real Estate assessments have only in some instances been increased and have in many instances been reduced, yet the fact remains that taxes will be higher this year than last year on all classes of property, due to the fact that the combined State and County tax rate will be higher than it was last year.

Respectfully submitted,

WASHINGTON DODGE,

Assessor.

RELATIVE TO PROPOSED AMENDMENTS TO BUILDING LAW.

Reconsideration.

Supervisor Hayden moved the reconsideration of the report of the Building Laws Committee.

So ordered.

Report of Building Laws Committee.

Whereupon the following report was taken up:

San Francisco, Cal., July 5, 1910.
To the Honorable, the Board of Supervisors of the City and County of San Francisco.

Gentlemen:

Your Committee on Building Laws begs leave to report on referred matters as follows:

The petition of the West of Powell Street Property Owners Association for an amendment of the Building Laws relative to Class D Buildings, was referred back to your honorable Board without recommendation.

In the matter of Bill 1307, regulating the installation, inspection and manufacture of gas and electric fixtures, your Committee recommends that the proposed amendment be denied.

Bill No. 1324, amending Section 235 of Ordinance No. 1008 (New Series), known as the Building Laws, relating to roof covering, was considered and your Committee recommends that same be denied.

Respectfully submitted,

WM. PUGH,

T. B. HEALY.

J. EMMET HAYDEN.

Motion.

Supervisor Hayden moved that the proposed amendment relating to gas and electric fixtures and the proposed amendment providing for a new class of building construction in the district west of Powell street be laid over one week.

Motion carried.

Minority Report.

Relative to Use of Asbestos Roofing.

Whereupon Supervisor Hayden introduced the following bill as representing the views of the minority of the Building Laws Committee on question of asbestos roofing within the fire-proof roofing district.

Bill No. —, Ordinance No. —, Amending Section 235 of Ordinance No. 1008 (New Series), approved December 22, 1909, known as "The Building Law", relating to roof covering.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 235 of Ordinance No. 1008 (New Series), approved December 22, 1909, known as "The Building Law", is hereby amended to read as follows:

Section 235. The supporting portion of all roofs shall be in accordance with the structural requirements of the building. Outside the fireproof roofing limits as outlined in Section 4 of this Ordinance, roofs may be covered with shingles. Within the fireproof roofing limits the roofs of all classes of buildings hereafter erected shall be covered with either metal, slate, tile, terra cotta, asbestos shingles, two layers of prepared roofing, each layer weighing not less than thirty-five (35) pounds per one hundred square feet, or at least four layers of saturated roofing felt, each layer weighing not less than fourteen (14) pounds per one hundred square feet, provided that said two layers of prepared roofing, and said four layers of saturated roofing felt shall be cemented together with asphaltum and then covered with a flowing coat of asphaltum in which shall be imbedded clean screened gravel of sufficient quantity to thoroughly cover the surface; said gravel shall pass through a screen whose meshes do not exceed five-eighths ($\frac{5}{8}$) of an inch square and be rejected by a number six (No. 6) screen. Provided further, that said four plies of saturated felt shall be laid over a dry sheet of unsaturated felt on all roofs inside the fire limits as prescribed in Section 3 of this Ordinance, where wood sheathing is used. Or by three (3) layers of pure asbestos roofing composed of two (2) saturated layers and one (1) unsaturated layer, all cemented together with asphaltum when laid each sheet separately on the building, and weighing not less than sixty (60) pounds to the one hundred (100) square feet; said three (3) layers of asbestos roofing to be laid on top of a sheet of unsaturated asbestos weighing not less than twenty-two (22) pounds to each one hundred (100) square feet of surface.

For roofs damaged to the extent of 40 per centum, see Section 4 of this Ordinance. The supports, rafters and all parts of roofs within the fireproof roofing limits, rising at any point to a height of more than twenty (20) feet from the top of masonry walls shall be built of fireproof material.

Section 2. This Ordinance shall take effect immediately.

Privilege of the Floor.

A. J. Phillips, Secretary of the Builders' Exchange, was granted the privilege of the floor and addressed the Board, favoring the passage of the minority bill. He stated that the old tar and gravel roof carries the same insurance rate as the new asbestos roof, and that there was no particular advantage to the builders by the use of the latter. He declared that the as-

bestos roof required by the Building Law afforded no additional protection from fire, but was a burden of expense on those proposing to build.

Wm. H. Ford, representing Ford & Mallott, and Gravel Roofers' Association, also addressed the Board, stating that the association had no knowledge of the change in the building law with respect to the use of asbestos until the ordinance requiring same had been passed and in effect. He declared further that the former advisory board on the present building laws made no recommendation as to the use of asbestos roofing, but that said requirement had been subsequently inserted in the building law for the particular advantage of interested parties.

Louis F. Byington, representing the proponents of the present law, also addressed the Board, stating that under the present law builders were not obliged to use the asbestos sheathing, but if they wished a cheaper roof, could construct felt roofing.

Motion.

Supervisor Murdock moved that the above matter be laid over one week and made a special order of business for three o'clock, Monday, July, 11, 1910.

Motion carried.

Awarding Contract for Automobiles.

Supervisor Herget presented:

Resolution No. — (New Series), as follows:

Resolved, That the contract for furnishing five (5) automobiles for the use of various departments of the City and County, be and the same is hereby awarded to the H. O. Harrison Company, subject to the following terms and conditions:

Said H. O. Harrison Company to furnish five Model 27 Peerless cars, each equipped with tops, wind shields, glass fronts, prestolite tanks, electric lighting systems and full complement of tools, payment to be made as follows:

\$20,000.00 cash and six (6) second-hand motor cars, 1907 manufacture, to-wit:

Royal Tourist, Olsmobile, Model "G" Franklin, Pope-Hartford, Thomas 40, Ross Steamer.

This award is also conditioned on the agreement of said H. O. Harrison Company to replace any defect in material of workmanship of said Peerless cars for a period of one year.

All other bids are hereby rejected.

Privilege of the Floor.

Thomas A. Fuller, representing the Studebaker Co., was granted the privilege of the floor and addressed the floor, opposing the passage of the resolution stating that the Studebaker Co. was furnishing a car as good in every respect as the Peerless car. He declared that Studebaker Co. was an old established firm in San Francisco, had a large investment here and employed many of our citizens. He declared, moreover, that the H. O. Harrison Co. was an eastern concern, contributed nothing in taxes to the support of the government, and was not entitled to the contract as against the local firm.

Adopted.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JULY 11, 1910.

In Board of Supervisors, San Francisco, Monday, July 11, 1910, 2:30 p. m.
The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Ayes—Supervisors Bancroft, Cullen, Deasy, Harris, Healy, Hooks, Kelly, Knowles, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—15.

Quorum present.

His Honor Mayor McCarthy being absent Supervisor Kelly was called to the chair.

READING THE JOURNAL.

Amendment to Journal of July 5, 1910.

Supervisor Bancroft called attention to the fact that he had voted against the adoption of Resolution No. 6179 (New Series) awarding contract to the H. O. Harrison Company for furnishing five (5) Peerless automobiles for the use of the various departments of the City and County, but had been erroneously recorded in the Journal, on page 684 thereof, as having voted in the affirmative. He moved that the Journal be amended in this regard.

Motion carried.

Approval of Journal.

Whereupon, the Journal of July 5, 1910, as amended, was approved.

Resolved, That the offer of John

Franke and Mary Franke to convey to the City and County of San Francisco a good and sufficient fee simple title to the following described land, free of all incumbrances, for the sum of \$3500.00, be and is hereby accepted, the said land being described as follows, to wit:

Commencing at the intersection of the northeasterly line of Oakdale avenue (formerly Fifteenth avenue South) with the northwesterly line of Lane street (formerly L street South); running thence northwesterly along said northeasterly line of Oakdale avenue 75 feet; thence at a right angle northeasterly 100 feet; thence at a right angle southeasterly 75 feet to the northwesterly line of Lane street; thence at a right angle southwesterly along said northwesterly line of Lane street 100 feet to the said northeasterly line of Oakdale avenue and point of commencement. Being a portion of Block No. 289, South San Francisco Homestead and Railroad Association.

The City Attorney is hereby directed to examine the title to the said land, and if the same is found to be vested in the aforesaid owners, free from all incumbrances, and that the taxes for the current fiscal year are paid, and that the so-called McFernerney title has been procured, or sufficient moneys reserved for the procuring of same, to report the result of his examination to the Board of Supervisors, and also to cause a good and sufficient deed for said land to be executed and delivered to the City and County upon the payment of the agreed purchase price, as aforesaid.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Healy, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minahan, Murdock, Nelson, O'Dowd, Pugh, Walsh—16.

PRESENTATION OF PROPOSALS—(Out of Order).

Parnassus Avenue Franchise.

The consideration of proposals for the granting of a street railroad franchise from Parnassus avenue and Third avenue along Parnassus avenue to Judah street and on Judah street to Ninth avenue and along Ninth avenue to Pacheco street, fixed for 3 p. m. this day, in accordance with Resolution No. 5921 (New Series), was proceeded with.

No bids received.

Clerk to Advertise for Bids.

Whereupon, Supervisor Pugh pre-

sented the following Resolution, which was on his motion *adopted* by the following vote:

Resolution No. 6190 (New Series), as follows:

Resolved, That the Clerk be and he is hereby directed to advertise for sale a certain street railway franchise as applied for and described in the petition of Thomas W. Forsyth, filed April 16, 1910, and amended by petition filed April 21, 1910, said advertisement shall be in the form set forth in the notice of sale heretofore published and in accordance with the provisions of the Charter; provided, however, said petitioner shall deposit with the Clerk a deposit or bond sufficient to pay the cost of advertising said notice.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Healy, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minahan, Murdock, Nelson, O'Dowd, Pugh, Walsh—16.

Privilege of the Floor.

C. J. Riffe, representing the Sunset District Property Owners and Residents, addressed the Board, thanking the members for helping the Sunset District in the matter of getting better street-car service and for giving the property owners another chance to raise the necessary funds required for this purpose.

The Clerk called attention to the fact that the Board would adjourn next month for four or five weeks and that it would be advisable to publish the notice calling for bids so that it would terminate about September 1, 1910, when the entire Board would be back from vacations and a full vote could be had in the matter.

D. O'Brien, representing Sunset District, also addressed the Board, stating that if such a course was desired by the Board, he was sure that it would be agreeable to the property owners and residents of Richmond District.

Clerk so instructed.

Geary Street Municipal Railroad Bonds.

On motion of Supervisor Pugh, all the above bids were ordered *referred to the Committee on Finance and Public Utilities.*

SPECIAL ORDER OF BUSINESS 3 P. M.

The following matters laid over from last meeting were taken up:

Report of Building Laws Committee.

Report of Building Laws Committee on proposed amendment to Building Laws, relative to the new class of construction in the fire limits west of Powell street, the regulation, installation, inspection and manufacture of gas and electric fixtures and the use of asbestos in composition roofs.

Class "D" Construction in Fire Limits West of Powell Street.

Petition—Of the West of Powell Street Property Owners' Association, requesting amendment to building law, relative to the erection of Class "D" buildings in the fire limits west of Powell street.

Action Deferred.

Supervisor Pugh moved that the foregoing petition be *laid over one week.*
Motion carried.

Gas and Electric Fixtures.

Bill No. 1307, Regulating the installation, inspection and manufacturing of gas, electric and gas and electric combination fixtures, and providing for the registration of corporations, co-partnerships, associations and individuals engaged in the installation and manufacture of the same.

Recommitted.

Supervisor Pugh moved that the foregoing Bill be *recommitted to the Building Laws Committee.*

Asbestos Roofing.

The following Bill heretofore, on July 5, 1910, returned by Building Laws Committee with the recommendation that same be *refused passage* and laid over from said date *was taken up:*

Bill 1324, Amending Section 235 of Ordinance No. 1008 (New Series), approved December 22, 1909, known as the Building Law, relating to roof covering, the provisions of which abolish the use of asbestos in composition roofs.

Minority Report.

Also, the following Bill, presented by Supervisor Hayden, the minority of said Committee:

Bill No. 1387, Amending Section 235 of Ordinance No. 1008 (New Series), approved December 22, 1909, known as the Building Law, relating to roof covering, the provisions of which make the use of asbestos sheathing optional.

Communications.

The following communications were received and read by the Clerk:

Communication—From L. B. Dutton, architect, requesting that building ordinances be revised abolishing the use of asbestos in composition roofs for the reason that it affords no particular protection against fire and is an unnecessary expense to property owners.

Communication—From Geo. S. Lacey, submitting data relative to use of asbestos in composition roofs.

Communication.—From Sylvain Schmittacher, stating that asbestos sheathing adds nothing to the effectiveness of roof covering against fire, but does not see any objection to a three-ply asbestos roof as suggested.

Communication—From C. A. Meussdorffer, stating that the use of asbestos is entirely unnecessary and only inflicts an additional cost on owners of buildings.

Communication—From Henry H. Meyers, stating that asbestos sheathing does not improve the quality of roofs, but is an additional cost on the builder.

Privilege of the Floor.

Ralph McLaren, representing the Builders' Exchange, was granted the privilege of the floor and stated that asbestos sheathing in composition roofs was of no particular use as a means of fire protection. He declared further that he believed the ordinance requiring its use was inserted in the Building Law in the interest of a certain member of the former Board of Supervisors, who was interested in the asbestos business.

He requested that the Building Law be amended by permitting construction of roofs without asbestos sheathing as it increased the cost of roof construction at least 30 per cent.

W. W. Sanderson, Chairman of former Building Laws Committee of the Board of Supervisors, also addressed the Board, contradicting the statement of Mr. McLaren. He declared that former Building Laws Committee of the Board of Supervisors had favored no particular interest by the amendment to the Building Law requiring the use of asbestos in composition roofing. He declared, however, that former Supervisor Balcom, who was in the asbestos business, was consulted on account of his knowledge in the matter. The asbestos sheathing, he declared, further was recommended by former Chief Shaughnessy of the Fire Department, who was very much in favor of its use in roof construction.

W. J. Watson, of the Watson Roof Company, stated that eighty-five or ninety per cent of the roofs in the city of Chicago and other large cities of the United States were gravel and tar roofs. He declared also that 75 per cent of the roofs in San Francisco were gravel roofs and were giving satisfaction for over forty years wherever they had been constructed. He declared that the present law requiring asbestos sheathing only served the interests of eastern manufacturers of asbestos, and was a blow at local contractors in the tar and gravel roofing business.

S. P. Russell, representing asbestos manufacturers, was also granted the privilege of the floor and addressed the Board, calling attention to the advantages in the way of fire protection that will accrue from the use of asbestos sheathing in composition roofs. He requested that the law be allowed to stand as it is at present on the books.

Louis F. Byington, attorney, also addressed the Board in favor of the present ordinance.

A. J. Phillips, Secretary of the Builders' Exchange, also addressed the Board, stating that the Builders' Exchange had gone on record as opposed to the present ordinance requiring as-

bestos sheathing in composition roofs for the reason that it was unnecessary cost on the builder and was no particular protection against fire.

Wm. H. Ford, representing Ford & Malott, addressed the Board, stating that the present law was a measure calculated to benefit the asbestos trust composed of three or four firms in this city who were handling asbestos material. He stated that he had been approached in the matter by representatives of these firms and requested not to oppose the present ordinance. He declared further that roofing contractors were obliged to purchase asbestos from the asbestos firms and were at a disadvantage in doing so, for the reason that since the adoption of the ordinance the asbestos men had also gone into the roofing business.

Minority Bill Passed for Printing.

Whereupon, the question being taken, Bill No. 1387 (New Series), was *passed for printing* by the following vote:

Ayes—Supervisors Bancroft, Cullen, Harris, Hooks, Kelly, Loughery, McLaughlin, Minahan, Nelson, O'Dowd, Walsh—11.

W. R. HAGERTY, Clerk

WEDNESDAY, JULY 13, 1910.

In Board of Supervisors, San Francisco, Wednesday, July 13, 1910, 10:30 a. m.

The Board of Supervisors met pursuant to adjournment and proceeded to sit as a Board of Equalization to hear applicants who had filed sworn statements for corrections of assessments upon the assessment books of real and personal property for the fiscal year 1910-11.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Deasy, Harris, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, O'Dowd, Walsh—10.

Quorum present.

Supervisor Walsh presiding.

RELATIVE TO THE ASSESSMENT OF CEMETERY LANDS.

In accordance with motion made at last meeting the Board proceeded to hear representatives of cemetery associations as to why the assessment of cemetery lands should not be increased.

Privilege of the Floor.

Washington Dodge, Assessor, addressed the Board, explaining that the Executive Committees of various improvement clubs called upon him in the matter of increasing the assessment on Laurel Hill Cemetery lands, and that the officials of the Laurel Hill Cemetery Association had appeared before him, declaring that the property of said association was exempt from taxation under the law. He stated that he had agreed to take the matter up with the Board of Supervisors, as

he felt it would be unjust to assess the Laurel Hill Cemetery at a higher rate than the assessment fixed on the other cemeteries within the city limits. He stated that the contention of the improvement clubs was that, inasmuch as a large portion of the Laurel Hill Cemetery was not being used for cemetery purposes, it should be assessed at the same rate as the surrounding property. Cemetery lands, he declared, are now assessed at about \$500.00 an acre, the other land in the vicinity of the cemeteries about \$5000.00 an acre.

Mr. Jourdin, representing the Point Lobos Improvement Club, stated that the Laurel Hill Cemetery has land that is not being used for cemetery purposes and cannot be now used for such purposes on account of the recent decision of the Federal Courts. He declared that such land should be assessed at the same rate as surrounding property.

Mr. McGinley, representing the Point Lobos Improvement Club, stated that there was from nine hundred to twelve hundred feet of the land of the Laurel Hill Cemetery fronting on one side of Parker avenue, opposite the property on the Jordan Tract, which land was assessed at eighty (80) and ninety (90) dollars per front foot. He contended that the land of the Cemetery Association on the other side of the street should bear a similar assessment.

J. M. Kepceo, representing the Jordan Park Improvement Club, stated that Mr. Holliday, attorney representing the Fillmore Street Improvement Club, had appeared before Assessor Dodge and maintained the constitutional right of the city to increase cemetery assessments. He stated that improved property in the surrounding district was selling for \$150.00 per front foot on Parker avenue and that Laurel Hill property was just across the street and was no doubt just as valuable.

He stated that the improvement clubs tried to get the Cemetery Association to put on a tier of lands on the Parker street side of the cemetery on the market as residence lots, but was unable to do so.

He denied that the lands of the Laurel Hill Cemetery were inalienable and could be used for cemetery purposes only, as the tract now forming part of the Jordan Park was formerly owned by the cemetery and dedicated to cemetery purposes the same as that now so used. He asked that that portion not used for cemetery purposes be assessed at the same rate as other property in the vicinity.

F. M. Parcells, representing the Laurel Hill Cemetery Association, contended that any assessment of cemetery lands

was invalid and unlawful and quoted Section 10 of the Act of 1859 relating to the organization of cemetery associations in support of his argument. He stated that his association had made no protest heretofore against the assessment for the reason that it was only nominal and all the other cemeteries were assessed alike. He declared that the land could not be divided up and sold, that it was held in trust for cemetery purposes and it was the duty of the trustees who had it in charge to see that it was so held until all the bodies had been disposed of. He stated further that the opening up of the land to residence purposes was not material to the Board as a Board of Equalization, the question being "Has the Board any right to assess cemetery lands?" He added that the fact that burials are prohibited did not

militate against the land, as it is still dedicated to cemetery purposes.

Chas. L. Patten, attorney, also addressed the Board stating that cemeteries under the law are exempt from taxation. He declared that in New York the question came up before the courts and it was held that such land was exempt from taxation.

Motion.

Whereupon, it was duly moved and seconded that assessment of cemetery lands as fixed by the assessor be allowed to stand.

So ordered.

Consideration of Applications for the Reduction of Assessments.

Applications for the reduction of assessments were taken up, the applicants or their agents called, duly sworn, examined and after consideration, said applications disposed of as follows:

Unsold Bonds Placed on Sale at Treasurer's Office.

Also, Bill No. 1402, Ordinance No. —, (New Series), as follows: Reciting that certain bonds of the issue of 1910 remain unsold after having been advertised for sale, no bids therefor having been received, and directing that such unsold bonds be placed on sale at the office of the Treasurer of the City and County, and fixing the price at which such bonds may be sold by the said Treasurer of said City and County.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited and declared that the Board of Supervisors on the 18th day of April, 1910, did adopt Resolution No. 5710 (New Series); on the 16th day of May, 1910, did adopt Resolution No. 5851 (New Series), and on the 27th day of June,

1910, did adopt Resolution No. 6490 (New Series), by which Resolutions the Clerk of said Board was directed to give notice by advertisement as required by the Charter of said City and County, that on the 11th day of July, 1910, said Board would receive and consider bids for the purchase of Geary Street Railway Bonds, issue of 1910, amounting to \$260,000, and comprising thirteen bonds of each year's maturity from 1915 to 1934 inclusive.

That in compliance with said Resolutions, said Clerk did cause to be published in the official newspaper for a period of ten days prior to said 11th day of July, 1910, an advertisement and notice of such sale of said described Geary Street Railway Bonds and that all of the requirements of the Charter of the City and County in respect thereto were fully complied with.

That on the 11th day of July, 1910, at the hour of 3:00 o'clock p. m. of that day, at the Chambers of the Board of Supervisors (that being the time and place fixed therefor) the Board of Supervisors did receive, open and consider bids for the purchase of said described bonds, and on the 13th day of July, 1910, did accept all of the bids so received, opened and considered and did award and sell all of the bonds for which bids were received.

That the bonds so bid for and sold are described as follows: 1 bond maturing in 1915, 2 bonds maturing in 1918, 1 bond maturing in 1919, 13 bonds maturing in 1920, 13 bonds maturing in 1921, 2 bonds maturing in 1922, 3 bonds maturing in 1926, 13 bonds of each year's maturity from 1927 to 1934, both years included.

That of the bids advertised to be sold, the following bonds were not bid for and remain unsold, to wit:

12 bonds maturing in 1915, 13 bonds maturing in 1916, 13 bonds maturing in 1917, 11 bonds maturing in 1918, 12 bonds maturing in 1919, 11 bonds maturing in 1922, 13 bonds maturing in 1923, 13 bonds maturing in 1924, 13 bonds maturing in 1925, and 10 bonds maturing in 1926, being a total of 121 bonds, each of the denomination of \$1000.

Section 2. As provided in Section 10 of Article XII of the Charter of the City and County of San Francisco, it is hereby ordered that all of the Geary Street Railway Bonds advertised for sale and remaining unsold as above described and set forth, be placed on sale and offered for sale at the office of the Treasurer of the City and County of San Francisco, and said Treasurer is hereby authorized to sell said described bonds to any person desiring to purchase the same. That the price at which said bonds may be sold is the

par or face value thereof, together with any and all interest that may have accrued thereon at the time of the delivery of the same to the purchaser.

Section 3. This Ordinance shall take effect immediately.

Passed for printing by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Hocks, Kelly, Loughery, McLaughlin, Murdock, Nelson, Walsh—13.

Clerk to Advertise Notice for Sale of Geary Street Railroad Bonds.

Also, Resolution No. 6194 (New Series), as follows:

Resolved, That the Clerk of this Board be and he is hereby directed to advertise a notice for the sale of the Geary Street Railway Bonds, issue of July 1, 1910, to the amount of \$240,000, comprising twelve bonds of each year's maturity, 1915 to 1934, inclusive, in accordance with specifications therefor approved by the Public Utilities Committee, said sale to be held on August 1, 1910, at the hour of 3 o'clock p. m.

Adopted by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Hocks, Kelly, Loughery, McLaughlin, Minehan, Murdock, Nelson, Walsh—14.

NEW BUSINESS.

Adopted.

The following matter was presented by Supervisor Walsh, and on his motion, *adopted* by the following vote:

Proposal to Amend Charter Relative to Appointment of Public Library Trustees and Their Tenure of Office.

Proposal to amend the Charter of the City and County of San Francisco, at the general election on November 8, 1910, by amending Section 1 of Chapter VII, Article VII, relating to the Public Library. The amendment provides that the Board of Trustees shall be composed of seven members instead of twelve as at present, the Mayor to be ex-officio a member, and the six to be appointed by the Mayor by and with the consent of the Board of Supervisors. These members to serve for six years instead of for life as at present. The six first appointed are to classify themselves by lot so that the term of one member will expire in respectively 1, 2, 3, 4, 5 and 6 years.

Ayes—Supervisors Deasy, Hayden, Healy, Kelly, Loughery, McLaughlin, Minehan, Nelson, Pugh, Walsh—10.

Noes—Supervisors Bancroft, Cutten, Harris, Hocks, Murdock—5.

City Attorney to Take Steps to Make City Plaintiff in Action Enjoining Spring Valley Water Company From Shutting Off Water to Consumers Who are Willing to Pay the Legal Rate.

On motion of Supervisor Nelson:

Resolution No. 6262 (New Series).

Whereas, there is now pending in the Superior Court of the State of California in and for the City and County of San Francisco, a suit styled A. J. Minaker et als. v. Spring Valley Water Company et als., and numbered 30272 on the Register of Actions of said Superior Court, in which action the City and County of San Francisco has been made a party defendant, and has filed its answer consenting "to the granting of the relief sought by plaintiffs in the above entitled action", and whereas, orders have been made in said action granting an injunction restrain-

ing the said Spring Valley Water Company from shutting off water to the City and County of San Francisco, or to the inhabitants of said City and County who are ready and willing to pay the rates and compensation fixed by the Board of Supervisors of the City and County of San Francisco by Ordinance, June 20th, 1910; and whereas, said orders further provide that the plaintiffs must file an undertaking in the sum of one hundred thousand (\$100,000) dollars in behalf of all of the inhabitants of the City and County of San Francisco, or said injunction will be dissolved, and further providing that any person or persons or corporation may intervene in said suit to have said injunction issued for their individual protection on giving such bond in such a lesser sum as the Court may see fit to fix in order to protect said Spring Valley Water Company from the loss of a charge of 15 per cent above the rates and compensation fixed by said Ordinance of June 20th, 1910, and whereas, the City and County of San Francisco is not obliged to furnish an undertaking on the issuing of an injunction in any suit in which it is plaintiff, therefore, be it

Resolved, That the City and County Attorney is hereby authorized and directed to take the necessary proceedings and file the necessary papers to make the City and County of San Francisco a plaintiff in said action, by intervention, or otherwise, so that the said City and County of San Francisco and the inhabitants thereof shall receive all the relief and benefits that may be derived from said action.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Hocks, Kelly, Loughery, McLaughlin, Minehan, Murdock, Nelson, Pugh, Walsh—15.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JULY 18, 1910.

In Board of Supervisors, San Francisco, Monday, July 18, 1910, 10:00 a. m.

The Board of Supervisors met pursuant to adjournment to hear all applicants who had filed sworn statements for correction of assessments on the Assessment Book of Real and Personal Property for the fiscal year 1910-11 and those who after notification of arbitrary assessments made against them had failed to file sworn statements of the personal property owned by them or in their possession on the first Monday in March, 1910; also those owners or agents of the following office buildings and hotels who, pursuant to action taken at meeting of the Board of Equalization on Friday, July 15, 1910, were summoned to show cause why their assessments should not be increased, to wit: First National Bank Building, Pheian Building, Metropolis Bank Building, White House, Sullivan Estate, Humboldt Bank Building, Call Building, Chronicle Building, French Savings Bank, Flood Building, Whittell Building, City of Paris, Balboa Building, Wells-Fargo Building, Gunst Building, Thomas Williams Building, Emporium, Alaska Commercial Building, Mills Building, Monadnock Building, Palace Hotel, St. Francis Hotel, Fairmount Hotel.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Deasy, Harris, Hayden, Healy, Hocks, Loughery, McLaughlin, Murdock, Nelson, Pugh, Walsh—12.

Quorum present.

Supervisor Walsh presiding.

RELATIVE TO INCREASING ASSESSMENT ON CERTAIN OFFICE BUILDINGS AND HOTELS.

In accordance with action taken at last meeting of the Board of Equalization on Friday, July 15, 1910, and notice to show cause why assessment of above mentioned office buildings and hotels should not be increased, the Board proceeded to hear the owners or agents of said buildings:

Privilege of the Floor.

Jos. G. Hooper, representing the First Federal Trust Company, was duly sworn and stated that the building he represented was assessed on a basis of 34 per cent of its valuation while the surrounding property was assessed on a basis of 24 per cent. He asked that his building be assessed on a similar basis and requested a reduction on improvements from \$515,000 to \$369,750 and on real estate from \$278,680 to \$357,000. He declared that the building cost \$1,350,000 in 1907 and was bringing in an income of only 3 per cent on the investment. He did not expect that the building would pay a reasonable profit inside of ten years.

Washington Dodge, Assessor, addressed the Board and stated that the basis of the assessment was the present valuation and not the cost of the building at the time of its construction.

Motion.

Supervisor Murdock moved that the assessment of the First Federal Trust Company as fixed by the Assessor be allowed to stand.

Motion carried.

Motion.

Supervisor Murdock moved that the assessments on all the other above mentioned buildings and hotels be allowed to stand as fixed by the Assessor.

Motion carried.

Proposal to Amend Charter Relative to Official Advertising.

Charter Amendment No. —, Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by amending Section 2 of Chapter III of Article II and Sections 13 and 19 of Chapter I of Article II thereof, relating to official advertising.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said City and County, at the general election to be held therein on the 8th day of November, 1910, a proposal to amend the Charter of said City and County by amending Section 2 of Chapter III of Article II, and Sections 13 and 19 of Chapter I of Article II thereof.

Section 2 of Chapter III of Article II shall read as follows:

Section 2. The Board of Supervisors may, in its discretion, contract for doing all or any portion of the advertising required by the City and County.

All contracts for official advertising shall be let annually in like manner by the Supervisors to the lowest responsible bidder publishing a daily newspaper in the City and County which has a *bona fide* daily circulation of at least eight thousand copies, and has been in existence at the time of letting such contract for at least two years. In inviting proposals therefor, such advertising shall not be classified and no proposal shall be acted upon which offers to do such advertising at different rates for different portions thereof.

Such advertising shall be construed to mean the advertising and publication of all official reports, orders, ordinances, messages, resolutions, notices inviting proposals, and all notices of every nature relating to City work. No part or kind of such advertising shall be charged or contracted for at a higher rate than any other part or kind of the same is charged or contracted for, except in the case of the delinquent tax list.

The advertising of the delinquent tax list shall be let to the lowest responsible bidder on a separate bidding from all other official advertising.

No Board, department or officer shall make any publication which is not expressly authorized by this Charter or by the Supervisors.

The Board of Supervisors may cause to be printed a weekly newspaper to be called the "Municipal Record", wherein shall be published all matters of municipal interest. All or any portion of the official advertising (except

the advertising of the delinquent tax list) required or authorized by this Charter or required or authorized by the Board of Supervisors, may be published in the Municipal Record in lieu of being published in a daily newspaper. Whenever, in this Charter, a publication is required in a daily newspaper for a period of one week or less than seven days, one publication in the Municipal Record shall be equivalent thereto; when such publication is required in a daily newspaper for a period of more than one week or seven days and not more than two weeks or fourteen days, two publications in the Municipal Record shall be equivalent thereto; when such publication is required in a daily newspaper for a period of more than two weeks or fourteen days, three publications in the Municipal Record shall be equivalent thereto. The newspaper authorized to publish the Bills and Ordinances of the Board of Supervisors, shall be known and designated as the "official newspaper".

Proposal to Amend Charter Relative to Academy of Sciences Museum.

Also, Charter Amendment No. —, Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by adding a new section thereto to be known as Section 12 of Article XIV, granting permission to the Academy of Sciences to erect and maintain a museum in Golden Gate Park.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said City and County, at the general election to be held therein on the 8th day of November, 1910, a proposal to amend the Charter of said City and County by adding a new section thereto, to be known as Section 12 of Article XIV, to read as follows:

Section 12. The California Academy of Sciences, an institution for the advancement of science and maintenance of a free museum, duly incorporated under the laws of the State of California, is hereby granted permission to erect and maintain in Golden Gate Park a museum building, consisting of one or more structures as it may find necessary for the purposes contemplated, which said building is to become the property of the City and County of San Francisco but to be used exclusively thereafter by the said California Academy of Sciences, under such proper rules and regulations as

it may prescribe, as a free museum, open to the public, and for admission to which no admission fee shall ever be charged. The plans for the proposed museum building and any addition thereto must be approved by the Board of Park Commissioners; and said Board of Park Commissioners is hereby authorized and directed to set apart such portion of Golden Gate Park, convenient to public access and satisfactory to said California Academy of Sciences, as may be necessary for said building, sufficient ground being allotted to secure the safety of the same from fire.

Denying Application of Board of Public Works for an Appropriation for Repairing Unaccepted Streets.

On motion of Supervisor McLaughlin:

Resolution No. 6303 (New Series), as follows:

Whereas, The Board of Public Works of the City and County has filed with this Board on the 16th day of July, 1910, a communication wherein and whereby said Board of Public Works has petitioned this Board to appropriate and make available public funds wherewith to enable it to make to the sidewalk of a particular public street therein mentioned and described, and which sidewalk has not been accepted by the Supervisors of said City and County as by law provided, such repairs as are contemplated by and provided for in Section 16, Chapter II, Article VI of the Charter of said City and County, or in Section 5, Article I of said Charter as to any defective sidewalk or roadway of a public street in said City and County, and

Whereas, The sum provided and fixed in the budget for the fiscal year ending June 30, 1911, by Ordinance No. 1104 (New Series), approved June 7, 1910, for "paving, repaving, grading and repairs to streets, etc.", is inadequate to meet the obligations of the City and County imposed by the provisions of Section 23, Chapter II, Article VI, of said Charter, to keep in repair and to improve the accepted streets in the City and County and to allow of other street improvements deemed of general public necessity; now, therefore, be it

Resolved, That the said application by the said Board of Public Works for public funds for the purpose stated be and the same is hereby denied and rejected; and the said Board of Public Works is hereby notified that no pub-

lic funds will be appropriated or made available during the current fiscal year for any of the purposes contemplated by the provisions of Section 16, Chapter II, Article VI, or Section 5, Article I, of the said Charter, and applicable to unaccepted roadways or sidewalks of public streets.

Ayes—Supervisors Bancroft, Cullen, Deasy, Healy, Herget, Kelly, Knowles, Loughery, McLaughlin, Mincham, Murdock, Nelson, O'Dowd, Pugh, Walsh—15.

The following proposal to amend the Charter was introduced by Supervisor Murdock and ordered *referred to the Charter Amendments Committee*:

Proposal to Amend Charter Relative to Terms of Members of the Board of Supervisors and Other Elective Officers of the City and County.

Amend the Charter by adding a new Section to Article XVI to be numbered Section 39, to read as follows:

Section 39. The term of the office of the County Clerk, Recorder, City Attorney, Auditor, Treasurer and nine of the eighteen Supervisors shall be four years, commencing January 8, 1912, and the term of office of the Tax Collector, Sheriff, District Attorney, Public Administrator, Coroner and nine of the eighteen Supervisors shall be four years from the 8th day of January, 1914. Thereafter all the terms of the officers herein named shall be four years. The nine Supervisors receiving the highest number of votes at the municipal election held in 1911 shall be the Supervisors whose terms shall be four years from January 8, 1912, provided that if it should be impossible to determine the highest number of votes by reason of others having received the same number of votes, then those so tied shall choose by lot the four-year term. At each general municipal election officers shall only be chosen to succeed those whose terms expire in the months of January next following. The provisions of this section shall be deemed to be amendatory of all other provisions in the Charter relating to the term of the officers herein named, whether heretofore existing or contained in sections amended in other respects concurrently with the adoption of this amendment.

Charter Amendments Committee to Consider Certain Amendments to Charter.

On motion of Supervisor Walsh: Resolution No. 6304 (New Series).

Resolved, That the Committee on Charter Amendments consider the matter of making certain amendments to the Charter in relation to the acquisition of public utilities, viz.:

1. Defining the meaning of the term "public utility".

2. Amending Section 2 relating to soliciting offers for the purchase of a public utility, and outlining the procedure in case an offer is submitted.

3. Simplifying the procedure in the issuance of bonds.

4. Providing that bonds may be purchased in small amounts.

5. Simplifying the method of cancelling bonds.

6. Providing that the 3½ per cent bonds of 1904 for schools and library may be sold at a discount so as to equal a 4½ per cent interest rate.

7. Providing that any surplus left from a bond issue may be used to make extensions or improvements to the utility first authorized to be acquired by such issue of bonds.

8. Validating all existing bond issues that have received the necessary authorization by the voters.

9. Providing that a substantial compliance with the purpose of any bond issue shall be sufficient, and that a variation may be made that does not materially alter the purpose.

Ayes—Supervisors Bancroft, Cullen, Deasy, Healy, Herget, Kelly, Knowles, Laughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—15.

Determination to Grant Street Railroad Franchise from Parnassus and Third Avenues, along Parnassus Avenue, Judah Street, and Ninth Avenue to Pacheco Street.

On motion of Supervisor Pugh:

Resolution No. — (New Series), as follows:

Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by Thomas W. Forsyth, through petition filed April 16, 1910, and amended by petition filed April 21, 1910, for a franchise for a term of twenty-five (25) years to construct, lay down and operate a double-track street railroad over and upon the following described route, to wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street.

Whereas, It appears to this Board that the public interest will be subserved by the grant of such franchise; therefore

Resolved, That this Board grant a franchise as a whole, for a term of twenty-five (25) years, for a double-track, standard gauge street railroad over and upon the following described route, to wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street.

The grantee under said franchise shall have the right to construct, erect, maintain and operate, by means of

electricity, or such other improved motive power as science has now or may hereafter discover and the laws sanction, a double-track railroad upon, along and across the streets hereinabove described, and to that end the grantee shall have the right to build, construct, erect and maintain all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connecting tracks, Y tracks, side-tracks, turnouts, curves, switches, crossings, and to connect any or all of said tracks with the existing tracks on Parnassus and Third avenues.

Said street railroad franchise shall be granted after due advertisement and offer for sale, in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and sections of Chapter 2, Article II, of said Charter, relative to the powers of the Board of Supervisors, to wit:

Subdivision 2 and Subdivision 27, as amended February 5th, 1903, of Section 1 thereof, and Section 6 thereof.

It is hereby determined that said street railroad franchise shall be granted subject to the following conditions additional to those prescribed by the Charter, to wit:

That the grantee operating under said franchise shall be required to pave the space between the rails and for two feet each side thereof and between the tracks, if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix; provided, however, that such sum shall not exceed fifty (\$50) dollars per annum, nor less than fifteen (\$15) dollars per annum; also

That the bidder for said franchise shall file with his bid a good and sufficient bond in the penal sum of five thousand (\$5000) dollars with sureties thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in case the same is awarded to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of five thousand (\$5000) dollars shall be taken to be liquidated damages; also

That the successful bidder for this franchise shall pay all charges for ad-

vertising in the official newspaper of this Resolution, of the Notice of Sale and of the Ordinance granting said franchise.

Further Resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise in accordance with the provisions of the Charter, and with the terms of this Resolution as hereinbefore expressed, said bids to be filed with the Clerk not later than Saturday, September 10, 1910, at the hour of 12 o'clock m., and Monday, September 12, 1910, at the hour of 3:00 p. m., is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe the public interest will be subserved thereby.

The following Bill was introduced under suspension of the rules and passed for printing:

Unsold Bonds Placed on Sale at Treasurer's Office.

On motion of Supervisor Herget:

Bill No. 1472. Ordinance No. — (New Series), as follows: Reciting that certain Geary Street Railway Bonds of the issue of 1910 remain unsold after having been advertised for sale, no bids therefor having been received, and directing that such unsold bonds be placed on sale at the office of the Treasurer of the City and County, and fixing the price at which such bonds may be sold by the said Treasurer of said City and County.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited and declared that the Board of Supervisors, on the 18th day of July, 1910, did adopt Resolution No. 6194 (New Se-

ries), by which Resolution the Clerk of said Board was directed to give notice by advertisement, as required by the Charter of said City and County, that on the 1st day of August, 1910, said Board would receive and consider bids for the purchase of Geary Street Railway Bonds, issue of 1910, amounting to \$210,000.00, and comprising twelve bonds of each year's maturity from 1915 to 1934 inclusive.

That in compliance with said Resolution, said Clerk did cause to be published in the official newspaper for a period of ten days prior to said 1st day of August, 1910, an advertisement and notice of such sale of said described Geary Street Railway Bonds, and that all of the requirements of the Charter of the City and County in respect thereto were fully complied with.

That on the 1st day of August, 1910, at the hour of 3:00 o'clock p. m., of that day, at the Chambers of the Board of Supervisors (that being the time and place fixed therefor), the Board of Supervisors did receive, open and consider bids for the purchase of said described bonds, and on the 1st day of August, 1910, did accept all of the bids so received, opened and considered and did award and sell all of the bonds for which bids were received.

That bonds so bid for and sold are described as follows: 5 bonds maturing 1920, 2 bonds maturing 1922, 8 bonds maturing 1925, 12 bonds maturing each year, 1926 to 1934 inclusive.

That of the bonds advertised to be sold the following bonds were not bid for and remain unsold, to wit:

12 bonds maturing each in 1915, 1916, 1917, 1918, 1919, 1921, 1923 and 1924, 7 bonds maturing 1920, 10 bonds maturing 1922, 4 bonds maturing 1925.

Section 2. As provided in Section 10 of Article XII of the Charter of the City and County of San Francisco, it is hereby ordered that all the Geary Street Railway Bonds advertised for sale and remaining unsold as above described and set forth, be placed on sale and offered for sale at the office of the Treasurer of the City and County of San Francisco, and said Treasurer is hereby authorized to sell said described bonds to any person desiring to purchase the same. That the price at which said bonds may be sold is the par or face value thereof, together with any and all interest that may have accrued thereon at the time of the delivery of the same to the purchaser.

Section 3. This Ordinance shall take effect immediately.

Ayes—Supervisors Bancroft, Cullen, Deasy, Hayden, Healy, Herget, Kelly, Knowles, Loughery, Murdock, Nelson, O'Dowd, Pugh, Walsh—14.

The following matters heretofore passed for printing, were taken up *finally passed* by the following vote and numbered as follows, to wit:

Determination to Grant Street Railroad Franchise from Parnassus and Third Avenues, along Parnassus Avenue, Judah Street, and Ninth Avenue to Pacheco Street.

Resolution No. 6385 (New Series), as follows:

Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by Thomas W. Forsyth, through petition filed April 16, 1910, and amended by petition filed April 21, 1910, for a franchise for a term of twenty-five (25) years to construct, lay down and operate a double-track street railroad over and upon the following described route, to wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street.

Whereas, It appears to this Board that the public interest will be subserved by the grant of such franchise; therefore

Resolved, That this Board grant a franchise as a whole, for a term of twenty-five (25) years, for a double-track, standard gauge street railroad over and upon the following described route, to wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street.

The grantee under said franchise shall have the right to construct, erect, maintain and operate, by means of electricity, or such other improved motive power as science has now or may hereafter discover and the laws sanction, a double-track railroad upon, along and across the streets hereinabove described, and to that end the grantee shall have the right to build, construct, erect and maintain all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connecting tracks, Y tracks, side-tracks, turnouts, curves, switches, crossings, and to connect any or all of said tracks with the existing tracks on Parnassus and Third avenues.

Said street railroad franchise shall be granted after due advertisement and offer for sale, in the manner and

subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and sections of Chapter 2, Article II, of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and Subdivision 27, as amended February 5th, 1903, of Section 1 thereof, and Section 6 thereof.

It is hereby determined that said street railroad franchise shall be granted subject to the following conditions additional to those prescribed by the Charter, to wit:

That the grantee operating under said franchise shall be required to pave the space between the rails and for two feet each side thereof and between the tracks, if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix; provided, however, that such sum shall not exceed fifty (\$50) dollars per annum, nor less than fifteen (\$15) dollars per annum; also

That the bidder for said franchise shall file with his bid a good and sufficient bond in the penal sum of five thousand (\$5000) dollars with sureties thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in case the same is awarded to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of five thousand (\$5000) dollars shall be taken to be liquidated damages; also

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this Resolution, of the Notice of Sale and of the Ordinance granting said franchise.

Further Resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise in accordance with the provisions of the Charter, and with the terms of this Resolution as hereinbefore expressed, said bids to be filed with the Clerk not later than Saturday, September 10, 1910, at the hour of 12 o'clock m., and Monday, September 12, 1910, at the hour of 3:00 p. m., is hereby fixed as the hour and date for the opening of

said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe the public interest will be subserved thereby.

HEARING IN MATTER OF STREET ASSESSMENT FOR CHANGE OF GRADE ON BEALE STREET.

The hearing of objections to the confirmation of the report of the Board of Public Works on the damages and benefits resulting by reason of change of grade on Beale street, between Folsom and Bryant streets, fixed for the hour of 3:00 p. m. this day was proceeded with.

Privilege of the Floor.

W. G. Stafford, representing Mr. Finley, was granted the privilege of the floor and opposed the change of grade on Beale street, claiming that such change of grade would damage and destroy the property of his client.

Ass't City Engineer Connick, also addressed the Board as to the cost of grading and the result to property as an outcome of such change of grade.

Wm. A. Shadde, appraiser, was also heard and declared that property would be improved by the change of grade.

L. M. King, representing the Merchants' Association, also addressed the Board, stating that the work of grading should not be delayed.

R. B. Wallace, attorney representing Hastings and Wallace Trusts, was also heard and offered no objection to the proposed grading.

E. E. Kentfield, also addressed the

Board and declared himself in favor of the proposed change of grade. He thought it would greatly benefit adjacent property.

Motion.

Supervisor Hayden moved that the matter be referred back to the Board of Public Works with a request that said Board report its recommendation by next Monday.

Motion carried by the following vote:

Ayes Supervisors Cullen, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Murdock, Nelson, O'Dowd, Pugh, Walsh—15.

(Subsequently during the proceedings Supervisor Hayden moved the reconsideration of the above action and the matter was thereupon, on his motion, laid over one week.)

UNFINISHED BUSINESS (Out of Order.)

The following Bill heretofore passed for printing was taken up out of order and on motion finally passed by the following vote, and numbered as follows, to wit:

Unsold Bonds Placed on Sale at Treasurer's Office.

Also, Bill No. 1432, Ordinance No. 1285 (New Series), as follows: Reciting that certain Geary Street Railway Bonds of the issue of 1910 remain unsold after having been advertised for sale, no bids therefor having been received, and directing that such unsold bonds be placed on sale at the office of the Treasurer of the City and County, and fixing the price at which such bonds may be sold by the said Treasurer of said City and County.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited and declared that the Board of Supervisors, on the 18th day of July, 1910, did adopt Resolution No. 6194 (New Series), by which Resolution the Clerk of said Board was directed to give notice by advertisement, as required by the Charter of said City and County, that on the 1st day of August, 1910, said Board would receive and consider bids for the purchase of Geary Street Railway Bonds, issue of 1910, amounting to \$240,000.00, and comprising twelve bonds of each year's maturity from 1915 to 1934 inclusive.

That in compliance with said Resolution, said Clerk did cause to be published in the official newspaper for a period of ten days prior to said 1st day of August, 1910, an advertisement and notice of such sale of said described Geary Street Railway Bonds, and that all of the requirements of the Charter of the City and County in re-

spect thereto were fully complied with.

That on the 1st day of August, 1910, at the hour of 3:00 o'clock p. m., of that day, at the Chambers of the Board of Supervisors (that being the time and place fixed therefor), the Board of Supervisors did receive, open and consider bids for the purchase of said described bonds, and on the 1st day of August, 1910, did accept all of the bids so received, opened and considered and did award and sell all of the bonds for which bids were received.

That bonds so bid for and sold are described as follows: 5 bonds maturing 1920, 2 bonds maturing 1922, 8 bonds maturing 1925, 12 bonds maturing each year, 1926 to 1934 inclusive.

That of the bonds advertised to be sold the following bonds were not bid for and remain unsold, to wit:

12 bonds maturing each in 1915, 1916, 1917, 1918, 1919, 1921, 1923 and 1924, 7 bonds maturing 1920, 10 bonds maturing 1922, 4 bonds maturing 1925.

Section 2. As provided in Section 10 of Article XII of the Charter of the City and County of San Francisco, it is hereby ordered that all the Geary Street Railway Bonds advertised for sale and remaining unsold as above described and set forth, be placed on sale and offered for sale at the office of the Treasurer of the City and County of San Francisco, and said Treasurer is hereby authorized to sell said described bonds to any person desiring to purchase the same. That the price at which said bonds may be sold is the par or face value thereof, together with any and all interest that may have accrued thereon at the time of the delivery of the same to the purchaser.

Section 3. This Ordinance shall take effect immediately.

The hearing of objections to the confirmation of the report of the Board of Public Works on the damages and benefits resulting by reason of change of grade on Beale street, between Folsom and Bryant streets, which matter was laid over from last meeting, was taken up.

Privilege of the Floor.

W. G. Stafford, attorney representing Mary C. Finley et al., protested against the confirmation of the report of the Board of Public Works upon the damages and benefits resulting by reason of the change of grade on Beale street, between Folsom and Bryant streets. He requested that final action on said matters be delayed and that a rehearing be had before the Board of Public Works.

Wm. Waters, constructor and engineer, with Mahoney Brothers, was also heard and addressed the Board as to the cost of grading the Finley property. He estimated that the work of excavation could be done for about \$2.00 per cubic yard.

H. I. Stafford was also granted the privilege of the floor and addressed the Board relative to the cost of excavating the Finley property on Rincon Hill.

H. D. Connick, Assistant City Engineer, also addressed the Board as to the cost of grading said property. He estimated that \$1.00 per cubic yard would be a large price for the work of excavation.

L. M. King, representing the Merchants Association, was also heard favoring the report of the Board of Public Works.

Motion.

Supervisor Loughery moved that the report of the Board of Public Works be sustained and that the Clerk be directed to prepare the necessary resolution.

Confirmation of Report of the Board of Public Works on Beale Street Change of Grade.

Whereupon, the following resolution was introduced and adopted by the following vote:

Resolution No. 6436 (New Series), as follows:

Whereas, The Board of Public Works did, on the 11th day of June, 1910, file with the Board of Supervisors the written report of said Board of Public Works of the damages and benefits resulting by reason of the change of grade on Beale street, between Folsom and Bryant streets; and

Whereas, The 12th day of July, 1910, was fixed by the Board of Supervisors as the day for all persons to show cause before the Board of Supervisors why the report of the Board of Public Works, filed on the 11th day of June, 1910, should not be confirmed; and

Whereas, Mary C. Finley and Jane C. Finley and Peter Finley did on the 11th day of July, 1910, file written objections to the confirmation of the report of the Board of Public Works; and

Whereas, The 8th day of August, 1910, was fixed as the time for hearing objections to the report of the Board of Public Works; and the hearing having been continued until August 15, 1910, now therefore,

Resolved, That the objections of Mary C. Finley, Jane C. Finley and Peter Finley, filed on the 11th day of July, 1910, to the report of the Board of Public Works, determining the damages, together with the costs, charges and expenses of the proceedings to be taken in reference to the change of

grade on Beale street, between Folsom and Bryant streets, in accordance with Resolution No. 4600 (New Series) be and the same are hereby overruled. Further

Resolved, That the report of the Board of Public Works, filed on the 11th day of June, 1910, of the damages and benefits resulting by reason of the change of grade on Beale street, between Folsom and Bryant streets, in accordance with Resolution No. 4600 (New Series) be and the same is hereby confirmed.

Extension of Time, Parkside Sewer.

Resolution No. 6440 (New Series), as follows:

Granting Fred Lefler an extension of sixty days' time from and after August 22, 1910, within which to complete contract for the construction of the Parkside Sewer.

This extension of time is granted upon the recommendation of the Board of Public Works, filed July 22, 1910, for the reason that the contractor could not get the necessary material.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Healy, Herget, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, O'Dowd, Walsh—14.

Extension of Time, Street Work.

Resolution No. 6441 (New Series), granting A. J. Raisch an extension of ninety (90) days' time from and after August 27, 1910, within which to complete the contract for curbing and paving of Mission street, between Fourteenth and Twentieth streets. This extension of time is granted upon the recommendation of the Board of Public Works, filed August 3, 1910, for the reason that the city is contemplating the construction of water mains in said street, but has not as yet completed operations.

Further Resolved, That the advertising charges for printing this Resolution be and the same are hereby remitted.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Healy, Herget, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, O'Dowd, Walsh—14.

Extension of Time, Street Work.

Resolution No. 6442 (New Series), granting W. C. Raisch an extension of sixty days' time from and after September 6, 1910, within which to complete contract for grading and sewerage on Fourth avenue, between Kirkham street and Par-nassus avenue, and the crossing of Fourth avenue and Kirkham street, under public contract.

This extension is granted upon the recommendation of the Board of Public Works, filed August 6, 1910, for the reason that there is an enormous amount of grading to be done, and the

original time allowed was insufficient.

Relative to the City's Rights Under the Garfield Permit in Hetch-Hetchy Valley and the Purchase of the Plant of the Spring Valley Water Company.

The following communication was presented by his Honor the Mayor and read by the Clerk:

Mayor's Office, City and County of San Francisco.

August 29, 1910.

To the Honorable Board of Supervisors, City and County of San Francisco, 64 Eddy street, City—Gentlemen:

There is no matter of greater importance to the people of San Francisco than the water question. For many years the question of an adequate supply, for present and future needs, of pure water has engaged the attention of our officials. Every available supply has been studied and exploited. At last our people were informed that the question was finally solved by the Garfield permit through which the City of San Francisco had acquired the rights to use the waters of Lake Eleanor and the Hetch Hetchy in the Sierra Nevada Mountains.

We were told that every action which was necessary to acquire and hold these alleged rights was taken by the city and large sums of money have been expended by our people in consummating what they were led to believe were the necessary and proper steps for the acquisition and use of this magnificent water supply.

Under the Garfield permit it was necessary to use the Lake Eleanor section first and when that was found to be inadequate then the Hetch Hetchy was to be available.

Our people, happy in the thought that at no very far distant day they would have the clear, cold, snow water of the Sierras served to them under a municipal water system, went to the polls on the 14th day of January last, and gave almost unanimous consent to the expenditure of \$45,000,000 to bring Hetch Hetchy water to our city. Soon thereafter came the rude awakening. The Secretary of the Interior issued his much deplored order to show cause why Hetch Hetchy should not be withdrawn from the permit hitherto granted.

Lake Eleanor with its estimated capacity of 60,000,000 gallons daily when improved and brought to the city will probably meet the requirements of the city when the plant will have been completed (say in 1915) but no more. The people will then be obliged to depend on Spring Valley or some other

supply in case Hetch Hetchy, now in dispute, is not available.

Thus, we once more found ourselves in a dilemma where it was supposed that all was clear sailing.

On Monday, April 11, 1910, your Honorable Board decided, in response to the order issued by the Secretary of the Interior to show cause why the permit granted and known as the Garfield permit for the right to use Hetch Hetchy Valley and erect and construct a dam therein, should not be revoked, that the Mayor, the City Engineer, the City Attorney and Professor Marx of Stanford University, associated with representatives from the transbay cities, proceed to Washington and defend the rights of the people in the matter.

Upon the arrival of our representatives at Washington, we learned that the hearing set for the 18th day of May had been postponed for one week. This gave our committee time within which to look the ground over, compare notes and meet with many different people in Washington who seemed to have a knowledge, in some form or other, of the matter so important to San Francisco and its people.

Your representatives met with President Taft by appointment and discussed the Hetch Hetchy situation quite fully, the President entering into the discussion with a great deal of zeal. As the President proceeded to explain the position occupied by San Francisco regarding the Hetch Hetchy Valley, and the construction of a dam therein, we were, indeed, very much surprised. In common with all the people of this city, I had, from the information given, felt satisfied that San Francisco was possessed of all the right and title necessary for the damming of Hetch Hetchy Valley for the purpose of impounding the flood waters of that great water shed. It is true that I had some doubts, based upon the manner in which, as well as the channels through which, those who were promoting this great project were conducting themselves regarding this great project, and these doubts, during the special election called for the voting of bonds for the said project, were made clear to the people of this city.

However, assurances were given that the people were perfectly safe in proceeding with the work necessary to secure the water from Hetch Hetchy Valley which called for the issuance of bonds to the extent of \$15,000,000. The meeting of your representatives with the President of the United States, however, put to rest for all time any such belief tending to convey the idea that San Francisco's title to Hetch Hetchy Valley was secure. On the contrary, President Taft showed your represen-

tatives quite clearly that the permit issued by Secretary Garfield was not worth the paper on which it was written, providing his successor in office, whether immediate or remote, desired to revoke the same before use vested a right. In other words, what one Secretary may grant in that regard may by another succeeding Secretary be revoked, and that absolutely within the law. This placed your representatives in a remarkably peculiar position. "What was to be done?" was the question that immediately presented itself to, I believe, each and every one, and after considerable skirmishing, the President, largely through the able assistance rendered by United States Senator Flint, suggested that a commission of army engineers be appointed to make a thorough and impartial investigation of the entire situation, giving them one year within which to thus investigate both the claims of San Francisco and those opposed to San Francisco securing a water supply from the Hetch Hetchy Valley.

This indeed, seemed to be a splendid idea, particularly so since we seemed to be on the very threshold of expulsion from Hetch Hetchy and that, as we were given to understand by the President, within the law. The President deeply deplored the manner in which the people of San Francisco were lead to believe that they had the right under the Garfield Act to proceed with the building of a water works, necessitating the damming of the Hetch Hetchy Valley for the hereinbefore mentioned purposes, but he was no more surprised than was the undersigned, because I, in common with all others interested in this project, have been made to believe that we had all the right and title to proceed within the law and complete the Hetch Hetchy system without delay. So confident was I that this was the position the city occupied that during the campaign for the bonds, I stated on more than one occasion that we would have water from the Hetch Hetchy in San Francisco within a period of five years. Indeed, I felt confident that the promoters of this scheme were absolutely on the square with the people of this city and county, recalling as I have many times, the fact that my predecessor in office, who was a lawyer and as such presumed to know the law, on February 23, 1900, expressed himself as follows: "The city can go right ahead and I am sure that is the disposition. The action at Washington postponing until the next session of Congress the authorization to exchange bonds need not delay the Hetch Hetchy project in the least. We have a permanent easement, which is as good for practical purposes as a fee simple title,

to all of the land. In any case, the exchange of the city's purchases outside of the Valley for the Federal land in the Valley would not have given us title to all of the enclosing walls. The city is in good condition to go right ahead." It has been argued that San Francisco had the same right and title to Hetch Hetchy as Los Angeles had to the water supply she is now engaged in constructing. Nothing in the world could be further from the truth. Los Angeles has a right through act of Congress and not through a permit given to her by the Secretary of the Interior and in this regard I wish to call to the attention of your Honorable Board that President Taft stated to your representatives while in the White House that if San Francisco could show that she must acquire the Hetch Hetchy Valley rights in order to secure a water supply sufficient to meet all of her needs then he would support such a bill and have it put through Congress, insuring to San Francisco all the title needed, in regard to the water supply from Hetch Hetchy Valley. His suggestion was adopted by the Secretary of the Interior and a Commission made up of three Army Engineers was appointed by the Secretary. This Commission is empowered to investigate any and all water supplies which may be used by San Francisco, and report their findings to the Secretary of the Interior.

The City and County of San Francisco has the right to call upon the government for any maps, papers, or other information from any and all sources dealing with a water supply for San Francisco, and is in turn compelled by the ruling of the Secretary of the Interior to give to the Commission at any time said Commission may make a demand, all information the city authorities may have regarding this question, it being understood that the city acquires no further rights in the district, until the Commission reports.

In view of the foregoing, I would recommend, that every effort be put forth to demonstrate to the satisfaction of this Commission that the future of this great city demands an abundance of pure water and that Hetch Hetchy is the best, the only, and the most natural location within reach of the people of this city from which to secure such a water supply. Now is the time to insure the future of this great city of ours against that which is taking place in many other cities in this and other countries, that is, scarcity and absolute inability of the water supply to meet with the needs of the people; and in this connection, and in line with the platform on which the members of my party and myself

stood at the last election, I beg leave to submit and recommend for the consideration of your Honorable Board, the following:

A vast majority of our people believe, and have expressed that belief at the polls, that while Hetch Hetchy is an ideal source of supply, and one that our city must possess for future needs; that the municipal ownership and control of the properties of the Spring Valley Water Company is also of necessity for the present and future welfare of the citizens of the City and County of San Francisco. In consonance with this thought the people of the City and County of San Francisco elected us to office upon our platform, which, among other things, contains the following provision: "We strongly advocate and pledge our nominees to the early acquisition and development of the Hetch Hetchy water supply, and we further believe that the ever increasing needs of the Greater San Francisco, destined to embrace the Lower Peninsula and bay cities, demand not only the operation of this great source of pure water, but the purchase upon a reasonable basis of the Spring Valley Water System."

I have given the matter of the purchase of the Spring Valley Water Company's properties a very careful investigation, much thought and attention.

In order to place the matter before your Honorable Body and the people of our city, it becomes necessary to go back some years, and to consider the capitalization of the Spring Valley Water Works, the predecessor of the Spring Valley Water Company, for the purpose of arriving at an intelligent idea of the cost and value of said properties to the stock and bond holders of the Spring Valley Water Company.

In the year 1902, I am informed that the Spring Valley Water Works, in order to increase its bonded indebtedness under the laws of our State, increased its capitalization from \$11,000,000 to \$28,000,000 in the following manner: The original incorporation consisted of 110,000 shares of the par value of \$100 each, or \$11,000,000. To circumvent a statute which prohibited a bonded indebtedness greater than the capital stock of the Company, the stock issue of the Company was increased from 110,000 shares to 280,000 shares of the par value of \$100. The Company also changed its name to that of the Spring Valley Water Company, instead of the Spring Valley Water Works, and the holders of the old stock surrendered the same, and received two shares of the new stock for one share of the old. Therefore, while the par value of the stock is shown in the Arti-

cles of Incorporation and books of the Company as \$100 per share, the actual value of all stock is \$50 instead of \$100 per share. The Spring Valley Water Company carries a bonded indebtedness of about \$19,000,000. This, added to the par value of the stock hereinbefore mentioned at \$14,000,000 aggregates the sum of \$33,000,000, the total corporate liability of the Company for Stocks and Bonds—and represents its investment.

When the question was presented to the electors of the City and County of San Francisco for the purchase of Spring Valley in the sum of \$35,000,000, I opposed the purchase upon several different grounds among which was that the purchase of Spring Valley in conjunction with Hetch Hetchy, which involved a bond issue of \$58,000,000, exceeded the limitation fixed by Section 9 of Article XII of the Charter, which in the opinion of some of our leading attorneys would have defeated the bond issue for Hetch Hetchy, and through the courts given us Spring Valley, that being then an existing public utility and in use, coming within the bond limit of 15 per cent of the value of the real and personal property of this city, as set forth in the Charter. In other respects the position taken by me at that time has since been absolutely confirmed. For instance, the settlement of lawsuits existing affecting the titles of the Spring Valley Water Company's properties in Alameda County which were in litigation at that time. It will be remembered that the proposition made by the company was (first) the retention by the company of all money impounded under injunction; (second) the dismissal of all pending litigation over rates in favor of the company; (third) the assumption by the city of all litigation against the company affecting land titles; and (fourth) the payment to the company of the sum of \$35,000,000. Had the city in January accepted this proposition, the pending litigation against the company in relation to land titles would unquestionably have involved the city in millions of dollars expenditure before said titles could have been settled. I understand that all of these titles have been settled, and that the company now holds its property in fee simple, and is in a position to convey the same to the city. Therefore, the city and the company are now in better position to consummate this matter than at any time heretofore. The company is in a position to deed all its property, free of any litigation, and the city is in a position to acquire a water supply without any obstacles such as litigation or claim, asserted but unsettled.

In view of this situation, I would recommend to your Honorable Body that negotiations be opened with the Spring Valley Water Company for the purpose of acquiring the properties of that company; and to that end an offer be made to the Spring Valley Water Company to pay to the Spring Valley Water Company for its entire plant, as it now stands, that is, including all property now used by them for whatever purpose, a sum of money which would equal the par value of its stock and bonds, payable in the following manner: The city to pay to the stockholders for each \$1000 worth of stock \$1000 in bonds of the city bearing $4\frac{1}{2}$ per cent interest. After the purchase of the stock of the company the city, if permitted by law, to carry the present bonded indebtedness of the Spring Valley Water Company in the sum of \$19,000,000 of 4 per cent bonds. If this is found to be illegal or impracticable, then I would advise that the nineteen million bond issue of the company be taken up by the city and that the city issue in payment of said bonds nineteen millions of 4 per cent municipal bonds and exchange the same with the bondholders of the company, bond for bond.

Or, (second) that the city pay to the Spring Valley Water Company for its plant, as it now stands, including all property now used by them for whatever purpose, the par value of their outstanding stocks and bonds, which is a sum between \$33,000,000 and \$34,000,000, the company to settle with its stock and bond holders.

I am of the opinion that this amount of money could be made available from the present bond issue authorized for Hetch Hetchy, by submitting the matter to the people and approving the same by a two-thirds vote; or, in other words, modifying the present authorized bond issue so that Spring Valley might be purchased in the above mentioned figure, and the balance of the bonds authorized to be issued for water purposes be used in the improvement of Lake Eleanor, the Tuolumne River and its tributaries if and when the same becomes necessary.

With the present authorized bond issue of \$45,000,000 for water purposes, with the purchase of the Spring Valley at the above mentioned figure, with sufficient money to increase the supply of Spring Valley and to improve and expand its distributive system within the city in many places where the supply is absolutely inadequate, and the wants of our people demand immediate relief.

After a careful study of the situation I am of the opinion that this is a proposition which would be fair to the Spring Valley bondholders, fair

to the Spring Valley stockholders, fair to the city, and fair to the taxpayers, for the reason that the bondholders will receive a greater value for their bonds than they have at any time been quoted in the market. The stockholders would receive part on the basis of \$50 per share for stock which has been purchased by them from the sum of about \$18 per share upwards, as the following table of quotations will show:

Year.	High.	Low.
1905	43	36 1/4
1906	40 3/4	20 1/4
1907	25 1/4	18 3/4
1908	34	20 3/4
1909	53	30 1/4
1910	50 1/2	41
August 1910	50	47 3/4

We were called to the public service upon a platform which contained the following provision:

"The Union Labor Party believes in the policy of requiring all public service corporations to accord fair treatment to the city and its people in all sections and localities, and in return for this believes that the city itself should be fair in its dealings with such corporations." In line with that thought expressed in that platform, in presenting the facts herein, I have endeavored to be fair and accord to all concerned just treatment. I believe that the city should acquire the Spring Valley Water Company's properties now that it is free from litigation at the earliest possible moment, and with Hetch Hetchy or other systems become the permanent water supply of San Francisco, to be owned and controlled by the municipality.

I believe the time is now ripe to act in this matter. I believe the Spring Valley Water Company's position now is such that the city can with safety buy it, and that your Honorable Body should begin negotiations for the purchase of the Spring Valley Water Company's properties, as herein provided.

Respectfully submitted,

P. H. McCARTHY,

Mayor of the City and County of San Francisco.

Ordered referred to the Public Utilities Committee.

Relative to Acceptance of Offer of Lincoln Realty Committee to Construct Temporary City Hall on the Lincoln School Site.

The following Resolution was introduced by Supervisor Nelson:

Whereas; The offer of the Lincoln Realty Company and L. B. Lankershim to lease to the City and County of San Francisco reinforced concrete buildings, to be located at the northeasterly side of Fifth street, in accordance with certain conditions and tentative plans filed, for a term of six (6) years at a monthly rental of \$5000.00, and

Whereas, It appears that the said offer of The Lincoln Realty Company and L. B. Lankershim is the best offer submitted for a temporary City Hall to accommodate the municipal offices and departments of the City and County, therefore be it,

Resolved, That the said offer of The Lincoln Realty Company and L. B. Lankershim be and is hereby accepted

upon the following certain conditions, to wit:

The said parties are to construct reinforced buildings on the lot at the northeasterly side of Fifth street, commencing at a point about 236 feet and 2 inches southeasterly from the southeasterly line of Market street, the holding to be of dimensions about 113 feet 10 inches frontage on Fifth street by a depth of 150 and 275 feet, per plans and specifications to be arranged in detail by his Honor the Mayor and the Public Buildings Committee of the Board of Supervisors, said plans and specifications to be subject to approval by the Board of Public Works.

The said proposed buildings are to be completed and ready for occupancy within ——— months' time from their commencement.

The said Lincoln Realty Company and L. B. Lankershim are to take over the City's present leases as soon as the proposed buildings are occupied by the City, and agree to pay the monthly rentals under said leases until the date of termination of said leases; and to remove the various offices and departments of the City from their present locations to the proposed buildings.

The said Lincoln Realty Company and L. B. Lankershim are to furnish a good and sufficient bond to the City for completion of the said building, and to release the City from any cost or liability that might occur through any legal proceedings being brought against said Lincoln Realty Company and L. B. Lankershim for alleged damage to tenants of adjoining buildings or other interested persons; and be it further

Resolved, That his Honor the Mayor be and is hereby authorized and requested on behalf of the City and County of San Francisco to enter into a lease with said Lincoln Realty Company and L. B. Lankershim for a period of six years, said lease to date from the time of the occupancy of the said buildings by the City in accordance with the above conditions or additional stipulations that may be agreed upon, and to be made a part of said lease at a monthly rental of \$5000.00; it being understood and agreed that should the City deem fit to continue occupancy and retain the said premises for a longer period than that contained in the said lease the City shall have the privilege of an option from year to year for a number of years additional at the same rental figure of \$5000.00 per month.

It is hereby further understood and agreed that the buildings erected by the said Lincoln Realty Company and L. B. Lankershim upon the certain portion of the above described land

leased from the City and County of San Francisco by said parties, shall, after the expiration of the term of lease between the said Lincoln Realty Company and the Board of Education, revert to and become sole property of the City and County of San Francisco; and be it

Further Resolved, That Resolution No. 5755 (New Series), approved April 26, 1910, be and the same is hereby repealed.

Privilege of the Floor.

George Schaller, representing the Rialto Building, was granted the privilege of the floor and addressed the Board protesting against the acceptance of the offer of the Lincoln Realty Company. He declared that the merchants in the Lincoln Building on Market street had a condition in their leases that gave them the use of a thirty-foot alley in rear of the building and adjoining the proposed temporary City Hall. This, he declared, would necessitate the construction of a tunnel alongside the proposed municipal building and the noise of the traffic would interfere with the conduct of the public business. He declared that the building would be only of a 75-foot frontage on Fifth street and would be deficient in light. He requested that the matter be laid over and that he be given an opportunity to look over his figures again which, he declared, were only \$900 higher than those of the Lincoln Realty Company.

W. B. Stetson, representing the Lincoln Realty Company, was also granted the privilege of the floor and stated that a space of 20 feet would be allowed under the proposed building for the use of teams, that the building itself would be a Class A reinforced concrete building and would be amply lighted and away from the noise of the street.

Willis Polk, architect, was also granted the privilege of the floor and addressed the Board stating that the objections raised by Mr. Schaller were of no weight whatever. He declared that the building would be just as well lighted as the Rialto Building, the Mills Building or any other first-class building.

E. J. Tobin, tenant on Fifth street, declared that he had made a canvass of the merchants on Fifth street and that every one of them was in favor of the proposed municipal building on the Lincoln School site.

Action Deferred.

Supervisor Loughery moved that the matter be laid over one week:

Motion carried.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

WEDNESDAY, AUGUST 31, 1910.

In Board of Supervisors, Wednesday, August 31, 1910, 2:30 p. m.

The Board of Supervisors met pursuant to adjournment for the purpose of considering proposed charter amendments to be submitted to the electors for approval.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Deasy, Harris, Hayden, Herget, Hocks, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—13.

Quorum present.

His Honor Mayor McCarthy presiding.

CHARTER AMENDMENTS.

The following entitled proposals to amend the charter of the City and County of San Francisco were taken up for consideration and disposed of as follows:

Panama-Pacific Exposition.

A communication was read from the President and Secretary of the Panama-Pacific International Exposition Company requesting the Board to submit an amendment to the charter providing for the issuance of bonds to the amount of \$5,000,000 to aid the Panama-Pacific Exposition, granting the use of a portion of Golden Gate Park and certain vacant school lots west of Twentieth avenue and temporarily closing the streets in that location for exposition purposes.

R. B. Hale addressed the Board and amplified the matter set forth in the communication above referred to, and suggested that the election on charter amendments be held after the general election. He requested that the Panama-Pacific bond proposition be made No. 1 on the ballot.

Cleveland Dam showed the importance of taking this action and stated that it would be necessary that the election be held at a date later than November 8th.

Wm. Denman addressed the Board and endorsed the statements of the previous speakers.

Leon Sloss also addressed the Board

and explained the necessity of voting on the proposition of giving use of land in Golden Gate Park for exposition purposes and of closing certain streets.

Motion.

Supervisor Walsh moved that the following proposed amendment be adopted, that the election be held on November 15, 1910, that said day be made a holiday and that the proposed charter amendment providing for the issuance of bonds for the Panama-Pacific Exposition be made No. 1 on the ballot.

Charter Amendment No. —, "Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by amending Section 9 of Article XII, Section 1 of Article XIV, Subdivision 6 of Section 1 of Chapter III of Article VII, adding a new section to Article XVI to be designated Section 29a, and adding a new section to Chapter III of Article VI, to be designated Section 20, of said Charter, relating to the issuance of bonds in aid of the Panama-Pacific Exposition, consenting to the use of a portion of Golden Gate Park and certain vacant school lots, and temporarily closing certain streets for exposition purposes."

Motion carried by the following vote:

Ayes—Supervisors Bancroft, Deasy, Hayden, Herget, Hocks, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—13.

Increasing Dollar Rate of Taxation and Providing for a Special Tax Levy for Permanent Improvements and Sanitation.

Charter Amendment No. —, "Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by amending Sections 11 and 13 of Chapter 1 of Article III thereof, relating to the rate of taxation."

Motion.

Supervisor Murdock moved the adoption of the foregoing proposed charter amendment:

Motion carried by the following vote:
Ayes—Supervisors Bancroft, Deasy,

Harris, Hayden, Herget, Hocks, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—14.

Preservation and Maintenance of Golden Gate Park and Other Parks and Squares.

Charter Amendment No. —, "Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by amending Section 11 of Article XIV thereof, relating to the expenditure of taxes levied for the maintenance of parks."

Privilege of the Floor.

Rev. D. Crowley was granted the privilege of the floor and addressed the Board, declaring himself in favor of the proposed amendment. He stated that $3\frac{1}{2}$ cents of the 7 cent tax rate for parks and squares should be devoted to parks outside Golden Gate Park. He favored the so-called district parks and stated that he thought the parks should be brought to the people and not the people to the parks.

W. McCarthy, representing the Green Valley Improvement Club, also favored the proposed amendment.

Jas. H. Barry also addressed the Board and expressed himself as being in favor of dividing the Park Fund in half and spending money on the district parks. He declared that experience has proved that parks reduce the percentage of juvenile criminality in large cities.

Motion.

Supervisor Hocks moved that the foregoing proposed charter amendment be adopted.

Motion carried by the following vote:

Ayes—Supervisors Bancroft, Deasy, Hayden, Herget, Hocks, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—13.

Acquisition of Public Utilities and the Issuance of Bonds.

Privilege of the Floor.

Edgar Pintec, representing the North Central Improvement Association, was granted the privilege of the floor and addressed the Board, requesting that provision be made in the proposed charter amendment permitting

the sale of $3\frac{1}{2}$ per cent street bonds, issue of 1904, on a $4\frac{1}{2}$ per cent basis as well as the bonds for schools and libraries.

Amendment.

Supervisor Walsh moved to amend by including street bonds.

Motion carried by the following vote:

Ayes—Supervisors Bancroft, Deasy, Hayden, Herget, Hocks, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—13.

Amendment.

Supervisor O'Dowd moved to amend as follows:

In Section No. 2 after the word "offered" insert the following:

"Such offer shall specify the character, nature and present ownership

of such property as fully as the Board of Supervisors may require and also specify the amount and nature of any incumbrance affecting the property or any portion thereof; with the purchase price demanded, and the time and conditions of sale, and the authority of the signer or signers of such offer."

In Section 2 after the word "thereof", insert the following:

"Or require that the City and County acquire property subject to any existing bonded debt or mortgage."

In Section 3 after the word "demand," insert the following:

"Under the provisions of this article."

At the end of Section 3, insert the following:

"Under the provisions of this article."

Amend Section 5 as follows:

In the first paragraph of Section 5, after the word "Refunded," insert the following:

"And if any property is to be acquired subject to any existing bonded debt or mortgage, such fact, with the nature and amount thereof, the rate of interest thereon, and such other facts relative thereto as the Board of Supervisors may deem proper shall also be recited in such resolution."

At the end of subdivision five of Section five insert the following:

"If any property referred to in such resolutions is to be acquired by the City and County subject to an existing bonded debt or mortgage, then in formulating the proposition to be submitted, such proposition in addition to specifying an authorization for a bonded debt therefor, shall also specify that said property is to be acquired subject to an existing bonded debt or mortgage (as the case may be) and specify the amount of such bonded debt or mortgage, and the rate of interest which the same bears."

Section 2.

Action Deferred.

The following Resolution, laid over from last meeting, was taken up and on motion again *laid over one week*:

Relative to Acceptance of Offer of Lincoln Realty Company to Construct Temporary City Hall on the Lincoln School Site.

Whereas, The offer of the Lincoln Realty Company and L. B. Lankershim to lease to the City and County of San Francisco reinforced concrete buildings, to be located at the northeasterly side of Fifth street, in accordance with certain conditions and tentative plans filed, for a term of six (6) years at a monthly rental of \$5000.00, and

Whereas, It appears that the said offer of The Lincoln Realty Company and L. B. Lankershim is the best offer

submitted for a temporary City Hall to accommodate the municipal offices and departments of the City and County, therefore be it

Resolved, That the said offer of The Lincoln Realty Company and L. B. Lankershim be and is hereby accepted upon the following certain conditions, to wit:

The said parties are to construct reinforced buildings on the lot at the northeasterly side of Fifth street, commencing at a point about 236 feet and 2 inches southeasterly from the southeasterly line of Market street, the holding to be of dimensions about 113 feet 10 inches frontage on Fifth street by a depth of 150 and 275 feet, per plans and specifications to be arranged in detail by his Honor the Mayor and the Public Buildings Committee of the Board of Supervisors, said plans and specifications to be subject to approval by the Board of Public Works.

The said proposed buildings are to be completed and ready for occupancy within ——— months' time from their commencement.

The said Lincoln Realty Company and L. B. Lankershim are to take over the City's present leases as soon as the proposed buildings are occupied by the City, and agree to pay the monthly rentals under said leases until the date of termination of said leases; and to remove the various offices and departments of the City from their present locations to the proposed buildings.

The said Lincoln Realty Company and L. B. Lankershim are to furnish a good and sufficient bond to the City for completion of the said building, and to release the City from any cost or liability that might occur through any legal proceedings being brought against said Lincoln Realty Company and L. B. Lankershim for alleged damage to tenants of adjoining buildings or other interested persons; and be it further

Resolved, That his Honor the Mayor be and is hereby authorized and requested on behalf of the City and County of San Francisco to enter into a lease with said Lincoln Realty Company and L. B. Lankershim for a period of six years, said lease to date from the time of the occupancy of the said buildings by the City in accordance with the above conditions or additional stipulations that may be agreed upon, and to be made a part of said lease at a monthly rental of \$5000.00; it being understood and agreed that should the City deem fit to continue occupancy and retain the said premises for a longer period than that contained in the said lease the

City shall have the privilege of an option from year to year for a number of years additional at the same rental figure of \$5000.00 per month.

It is hereby further understood and agreed that the buildings erected by the said Lincoln Realty Company and L. B. Lankershim upon the certain portion of the above described land leased from the City and County of San Francisco by said parties, shall, after the expiration of the term of lease between the said Lincoln Realty Company and the Board of Education, revert to and become sole property of the City and County of San Francisco; and be it

Further Resolved, That Resolution No. 5755 (New Series), approved April 26, 1910, be and the same is hereby repealed.

Substitute Adopted.

Whereupon, Supervisor McLaughlin introduced the following substitute as an amendment to Charter Amendment No. 9 hereinabove reconsidered:

Charter Amendment No. 9, describing and setting forth an amendment to the Charter of the City and County of San Francisco, State of California, by adding a new section to Article XVI thereof, to be numbered Section 38-A, relating to the terms of officers.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said City and County, at a special election to be held on the 15th day of November, 1910, a proposal to amend the Charter of said City and County as follows:

That a new section be added to Article XVI thereof, to be numbered Section 38a, to read as follows:

Section 38a. The term of office of the Mayor, County Clerk, Auditor, District Attorney, Sheriff, Coroner and nine of the eighteen Supervisors shall be four years, commencing January 8, 1912, and the term of office of the Tax Collector, Recorder, City Attorney, Public Administrator, Treasurer and nine of the eighteen Supervisors shall be two years until the eighth day of January, 1914, and thereafter shall be four years.

Thereafter all the terms of the officers herein named shall be four years. The nine Supervisors receiving the highest number of votes at the municipal election held in 1911 shall be the Supervisors whose terms shall be four years from January 8, 1912, and the terms of nine Supervisors receiving the next highest number of votes at said municipal election shall be two years from January 8, 1912; provided that if it should be impossible to determine the highest number of votes by reason of others having received the same num-

ber of votes, then those so tied shall choose by lot the four-year term. At each general municipal election officers shall only be chosen to succeed those whose terms expire in the month of January next following. The provisions of this section shall be deemed to be amendatory of all other provisions in the Charter relating to the terms of the officers herein named, whether heretofore existing or contained in sections amended in other respects concurrently with the adoption of this amendment.

Amendment carried by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, Pugh, Walsh—17.

No—Supervisor O'Dowd—1.

Thereupon, the foregoing Charter Amendment, as amended, was *adopted* by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, Pugh, Walsh—17.

No—Supervisor O'Dowd—1.

San Francisco, Cal., Sept. 10, 1910.

In the Matter of the Sale of a Franchise to Operate a Street Railway Upon and Over J Street and Upon Other Streets in the City and County of San Francisco.

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen:—

I, Thomas W. Forsyth, hereby submit the following bid for a franchise for the term of twenty-five (25) years, to construct, maintain and operate a double track, standard gauge, street railway with all the necessary branches, sidetracks, turnouts, switches, crossings, curves and facilities upon and along and across the following described route, to-wit:

Commencing at the intersection of

Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street; subject to the conditions and restrictions provided in Resolution No. 6385 N. S. of the Board of Supervisors of the City and County of San Francisco.

For said franchise I offer to pay to the City and County of San Francisco, in lawful money of the United States, the following percentages of the gross annual receipts arising from the use, operation, enjoyment and possession of said franchise, to-wit:

Three (3) per centum of gross receipts during first five (5) years for which franchise is granted;

Four (4) per centum of gross receipts during the next succeeding ten (10) years;

Five (5) per centum of gross receipts during the next succeeding ten (10) years.

I submit herewith a bond in the penal sum of five thousand dollars (\$5,000.00), with two sureties, duly approved by the Mayor of the City and County of San Francisco.

Respectfully submitted,

THOMAS W. FORSYTH.

In the Matter of the Sale of a Franchise to Operate a Street Railway Upon and Over J Street and Upon Other Streets in the City and County of San Francisco.

State of California, City and County of San Francisco.—ss.

Thomas W. Forsyth, being duly sworn, deposes and says: That he is the person who submitted and subscribed the above bid for a franchise for the term of twenty-five (25) years, to construct, maintain and operate a double track street railway upon J and other streets; that such bid is genuine and not collusive or sham; that he has not colluded, conspired, connived or agreed, directly or indirectly, with any other bidder or person, to put in a sham bid, or that such other person shall refrain from bidding; that he has not in any manner sought by collusion to secure any advantage against the City and County of San Francisco, or any person interested in said street railroad, for himself, or any other person.

THOMAS W. FORSYTH.

Subscribed and sworn to before me, this 10th day of September, 1910.

Bond.

In the matter of the sale of a franchise to operate a street railway upon and over J street and upon other

streets in the City and County of San Francisco.

Know all men by these presents:

That, Whereas, the undersigned, Thomas W. Forsyth, heretofore, on the 16th day of April, 1910, applied for a street railroad franchise in the City and County of San Francisco, upon and along and across the following described route, to-wit:

Commencing at the intersection of Parnassus and Third avenues, running thence along Parnassus avenue to Judah street, thence along Judah street to Ninth avenue, thence along Ninth avenue to Pacheco street;

And, Whereas, the said Thomas W. Forsyth has this 8th day of Sept., 1910, pursuant to notice duly published, filed a bid for a street railroad franchise over the route above described;

Now, therefore, we, Thomas W. Forsyth, as principal, and San Francisco Suburban Improvement Company and H. C. Clinton, as sureties, are held and firmly bound unto the City and County of San Francisco in the penal sum of Five Thousand Dollars (\$5,000.00), in lawful money of the United States, for the payment of which, well and truly to be made, we bind ourselves, our heirs, executors and administrators, jointly and severally, firmly by these presents.

Sealed with our seals, and dated this 8th day of September, 1910.

The condition of the above obligation is such, that if said Thomas W. Forsyth shall well and truly observe, fulfil and perform each and all of the conditions, terms and obligations of the franchise for which said application was made as aforesaid, in case the same shall be awarded to him, then this obligation is to be void, and of no effect, otherwise to remain in full force and effect.

In case of the breach of any of the conditions of this bond, the whole amount of the sum therein named shall be taken to be liquidated damages, and as such shall be recoverable from the undersigned principal and sureties.

THOMAS W. FORSYTH,

Principal.

HEARING OF APPEAL FROM ASSESSMENT FOR STREET WORK.

The matter of hearing the appeal of property owners against assessment issued to W. F. Hanrahan for the work of paving the roadway of California street, between Twelfth and Thirteenth avenues, heretofore referred to Streets Committee and returned by said committee with the recommendation that the report of the Board of Public Works be sustained, was taken up:

Privilege of the Floor.

Miss A. Sweeney, property owner, was granted the privilege of the floor and protested against the assessment on the ground that the rate charged was excessive.

Mrs. W. Bittbach and R. Rossi, property owners, also objected to the confirmation of the report for the same reason.

Recommitted.

Whereupon, on motion of Supervisor McLaughlin, the above matter was ordered recommitted to the Streets Committee for further investigation.

Final Passage.

Accepting Offer of Land Title Company to Construct a Building at Grove and Larkin Streets for Temporary City Hall Purposes and to Lease Same to City for \$5250.00 Per Month.

Supervisor Nelson introduced the following:

Resolution No. — (New Series):

Whereas, The offer of the Land Title Company to erect and lease to the City and County of San Francisco a reinforced concrete building, to be located at the southwest corner of Grove and Larkin streets, having a frontage on Larkin street of 137 feet 6 inches and 192 feet 6 inches on Grove street, in accordance with the certain conditions, plans and specifications to be prepared, for a term of five (5) years, at a monthly rental of \$5250; and,

Whereas, It appears that the said offer of the Land Title Company is the best offer submitted for a temporary City Hall to accommodate certain municipal officers and departments of the City and County, therefore be it

Resolved, That the said offer of the Land Title Company be and is hereby accepted upon the following certain conditions, to-wit:

The said Land Title Company is to construct a reinforced concrete building with elevators and other modern conveniences, on the lot situate at the southwest corner of Grove and Larkin streets, of dimensions 137 feet 6 inches on Larkin street, by a uniform depth of 192 feet 6 inches on Grove street, per plans and specifications to be arranged in detail by his Honor the Mayor and the Public Buildings Committee of the Board of Supervisors, said plans and specifications to be sub-

ject to approval by the Board of Public Works.

The said proposed building is to be completed and ready for occupancy within eight (8) months' time from the date of approval of this resolution by his Honor the Mayor.

The said Land Title Company is to take over the City's present leases of offices and departments proposed to be housed in said temporary City Hall as soon as the said building is occupied by the City, and further, moving all offices and departments to be installed in said proposed building when furnished, from their present locations without cost to the City.

In conjunction with the temporary City Hall building the said Land Title Company is to erect at said premises a stable of at least 1500 square feet with accommodation for six horses and certain ambulances of the Emergency Hospital.

The said Land Title Company is to furnish a good and sufficient bond in the sum of \$25,000, to the approval and satisfaction of his Honor the Mayor, upon the acceptance of this offer by the City for the faithful performance of the agreement and completion of the said building within the stipulated time, and to further release the City from any cost or liability that might occur through any cause whatsoever during the construction of said building; and be it further

Resolved, That his Honor the Mayor be and is hereby authorized and requested to enter into a lease on behalf of the City and County of San Francisco with said Land Title Company for a period of five years, the monthly rental to commence from date of occupancy of said building by the City, in accordance with the above conditions or any additional stipulation or conditions that may be agreed upon and to be made a part of said lease at a monthly rental of \$5250; it being understood and agreed that should the City deem fit to continue the occupancy and retain the said premises for a longer period than that contained in the said lease, the City shall have the privilege of an option from year to year or for a number of years additional, at the same monthly rental figure of \$5250 per month; and be it further

Resolved, That Resolution No. 5755 (New Series), approved April 26, 1910, be and the same is hereby repealed.

Privilege of the Floor.

James E. Hunt, representing Hunt, Osteye & Bauz, was granted the privilege of the floor, addressed the Board, and in reply to a question from Supervisor Loughery, stated that three

vaults would be provided for the Assessor in the proposed temporary City Hall building, and that matters of a similar nature would be stipulated in the lease. He declared that the various offices of the municipality would be moved and installed in the new building at the cost of the Land Title Company.

Charles E. Naylor, representing the Land Title Company, was also granted the privilege of the floor and addressed the Board, stating that the Land Title Company was a family corporation and that he was the principal stockholder, that said company was prepared to construct a reinforced concrete building on the southwest corner of Grove and Larkin streets at a cost of about \$300,000.00 and to lease same to City for a period of five years at a monthly rental of \$5250.00, that he would furnish a surety bond in the sum of \$25,000.00 satisfactory to his Honor the Mayor for the faithful performance of his agreement, and that the erection of the building would commence as quickly as the terms of the lease can be determined by the Building Committee and his Honor the Mayor. He stated further that the Land Title Company had a fifty-year lease on the proposed site at Larkin and Grove streets and he assured the Board that he was acting in good faith and not indulging in speculation.
